The Dream-Hunter Sherrilyn Kenyon, 2007-02-06 In the ethereal world of dreams there are champions who fight to protect the dreamer and there are demons who prey on them Arik is such a predator Condemned by the gods to live eternity without emotions Arik can only feel when he s in the dreams of others For thousands of years he s drifted through the human unconscious searching for sensation Now he s finally found a dreamer whose vivid mind can fill his emptiness Dr Megeara Kafieri watched her father ruin himself and his reputation as he searched to prove Atlantis was real Her deathbed promise to him to salvage his reputation has now brought her to Greece where she intends to prove once and for all that the fabled island is right where her father said it was But frustration and bad luck dog her every step Especially the day they find a stranger floating in the sea His is a face she s seen many times in her dreams What she doesn t know is that Arik holds more than the ancient secrets that can help her find the mythical isle of Atlantis He has made a pact with the god Hades In exchange for two weeks as a mortal man he must return to Olympus with a human soul Megeara s soul With a secret society out to ruin her expedition and mysterious accidents that keep threatening her life Megeara refuses to quit She knows she s getting closer to Atlantis and as she does she stumbles onto the truth of what Arik really is For Arik his quest is no longer simple No human can know of a Dream Hunter s existence His dream of being mortal has quickly turned into his own nightmare and the only way to save himself will be to sacrifice the very thing he wanted to be human for The only question is will he

The Dreamhunter's Diaries Johnny Reynolds, 2016-03-10 A satirical mirror of leading politicians and the national media to enable them to see their grotesque image Following on from Johnny Reynolds' first satirical novel *The Big Pipedream Society* *The Dreamhunter's Diaries* is a socio political and quasi economical satirical farce that makes reference to real life situations It focuses on the ludicrousness of the ruling establishment and the state governed media Written in the spirit of Jon Steward the book was borne out of Johnny's opinion that David Cameron and Ed Milliband are both equally politically irresponsible and too petty minded to be seen as trustworthy statesmen and qualified politicians Johnny also wrote the book in response to his anguish and despair at seeing Britain the country that he has always been deeply committed to in a state of decline He has observed with sorrow the dignified institution of the monarchy reduce itself to a show and tourist curiosity The moral downfall of the institution of church which in my early times was seen as a pillar of ethical standards worth following no longer exists he notes These observations have all been woven into *The Dreamhunter's Diaries* The book will appeal to those who enjoy reading about important social and political issues and who read and enjoyed Johnny's first book *The Big Pipedream Society*
