The Dreyfus Affair Piers Paul Read, 2012-02-02 Intelligent ambitious and a rising star in the French artillery Captain Alfred Dreyfus appeared to have everything family money and the prospect of a post on the General Staff But his rapid rise had also made him enemies many of them aristocratic officers in the army s High Command who resented

him because he was middle class meritocratic and a Jew In October 1894 the torn fragments of an unsigned memo containing military secrets were retrieved by a cleaning lady from the waste paper basket of Colonel Maximilien von Schwartzkoppen of the German embassy in Paris When French intelligence pieced the document back together to uncover proof of a spy in their midst Captain Dreyfus on slender evidence was charged with selling military secrets to the Germans found guilty of treason by unanimous verdict and sentenced to life imprisonment on the notorious Devil s Island The fight to free the wrongfully convicted Dreyfus over twelve long years through many trials is a story rife with heroes and villains courage and cowardice dissimulation and deceit One of the most infamous miscarriages of justice in history the Dreyfus affair divided France stunned the world and unleashed violent hatreds and anti Semitic passions which offered a foretaste of what was to play out in the long bloody twentieth century to come Today amid charged debates over national and religious identity across the globe its lessons throw into sharp relief the conflicts of the present In the hands of historian biographer and prize winning novelist Piers Paul Read this masterful epic of the struggle between a minority seeking justice and a military establishment determined to save face comes dramatically alive for a new generation

Why the Dreyfus Affair Matters Louis Begley, 2009-01-01 In December 1894 Captain Alfred Dreyfus a brilliant French artillery officer and a Jew of Alsatian descent was court martialed for selling secrets to the German military attache in Paris based on perjured testimony and trumped up evidence The sentence was military degradation and life imprisonment on Devil s Island a hellhole off the coast of French Guiana Five years later the case was overturned and eventually Dreyfus was completely exonerated Meanwhile the Dreyfus Affair tore France apart pitting Dreyfusards committed to restoring freedom and honor to an innocent man convicted of a crime committed by another against nationalists anti Semites and militarists who preferred having an innocent man rot to exposing the crimes committed by ministers of war and the army s top brass in order to secure Dreyfus s conviction Was the Dreyfus Affair merely another instance of the rise in France of a virulent form of anti Semitism In *Why the Dreyfus Affair Matters* the acclaimed novelist draws upon his legal expertise to create a riveting account of the famously complex case and to remind us of the interest each one of us has in the faithful execution of laws as the safeguard of our liberties and honor
