The Dutch Courage And Other Stories:

Dutch Courage and Other Stories Jack London, 2019-06-17 *Dutch Courage And Other Stories* is a 1924 collection of short stories by Jack London. This volume will appeal to lovers of the short story form and is not to be missed by fans and collectors of London's marvellous work. John Griffith London 1876-1916, commonly known as Jack London, was an American journalist, social activist, and novelist. He was an early pioneer of commercial magazine fiction, becoming one of the first globally famous celebrity writers who were able to earn a large amount of money from their writing. London is famous for his contributions to early science fiction and also notably belonged to The Crowd, a literary group in San Francisco known for its radical members and ideas. Other notable works by this author include *Martin Eden* (1909), *The Kempton Wace Letters* (1903), and *The Call of the Wild* (1903). The stories include *Dutch Courage*, *Typhoon off the Coast of Japan*, *The Lost Poacher*, *The Banks of the Sacramento*, *Chris Farrington*, *Able Seaman*, *Bald Face*, *In Yeddo Bay*, *Whose Business is to Live*, etc. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition, complete with a specially commissioned new biography of the author.

Dutch Courage and Other Stories Jack London, 2021-09-03. Their planned adventure to Yosemite had become all that Gus Lafée and Hazard Van talked about, so it is needless to say that they were devastated to discover that somebody had scooped them, reaching the peak of Hall Dome just before they did. Their dejection swiftly turns into curiosity, however, as the mystery conqueror begins to send out help signals in morse code. Published six years after his death, *Dutch Courage and other stories* is an exhilarating collection of some of Jack London's finest work. Jack London 1876-1916 was an American writer and social activist. He grew up in the working class, but his unflinching realism eventually earned him the status of one of the highest paid authors of his time. Many of his novels are considered classics today, his most notable being *Call of the Wild*, *Sea Wolf*, and *White Fang*. Fans of Mark Twain, Rudyard Kipling, and Charles Dickens will enjoy his ability to make the mundane captivating.

And thus almost any collection of his adventure stories is acceptable to young readers as well as to their elders. So in sorting over the few manuscripts still unpublished in book form, while most of them were written primarily for boys and girls, I do not hesitate to include as appropriate a tale such as *Whose Business Is to Live*.
