*The Great Queens* Rosalind Clark, 1991 Though men dominated early Irish society women dominated the supernatural Goddesses of war fertility and sovereignty ordered human destiny Christian monks in recording the old stories turned these

pagan deities into saints like St Brigit or into mortal queens like Medb of Connacht. The Morrigan the Great Queen war goddess remains a figure of awe but her pagan functions are glossed over. She perches crow of battle on the dying warrior CuChulainn's pillar stone but her role as his tutelary deity and as planner and fomentor of the whole tremendous Tain the war between Ulster and Connacht is obscured. Unlike the Anglo Irish authors who in modern times treated the same material in English the good Irish monks were not shocked by her sexual aggressiveness. They show her coupling with the Dagda the good god of the Tuatha De Danann before the second battle of Mag Tuired but they conceal that this act by a goddess of war fertility and sovereignty gives the Dagda's people victory and the possession of Ireland. Or they reduce the sovereignty to allegory when Niall of the Nine Hostages sleeps with the Hag she is allegorical of the trials of kingship. With the English invasion and colonization the power of the goddesses diminishes further. The book shows the fall in status of the pagan goddesses first under medieval Christianity and then under Anglo Irish culture. That this fall shows a loss in the recognition of the roles of women seems evident from the texts. This human loss only begins to be restored when presiding over the severed heads in Yeats's *The Death of Cuchulain* the Morrigan declares *I arranged the Dance*. *The Ancient Irish Goddess of War* W M Hennessey, 2024-11-15. The book delves into the Morrigan a powerful deity from Irish mythology associated with battle prophecy and sovereignty.
