souls after death Other traditional stories are non mythic and fictive accounts involving talking animals supernatural beings and malevolent beings that stalk and devour hapless victims In addition to traditional narratives Xurt an presents many songs that are claimed to have been received from the Lord of Maize magical charms that invoke the forces of the natural world invocations to the gods to heal and protect and work songs of Lacandon women whose contribution to Lacandon culture has been hitherto overlooked by scholars Women s songs offer a rare glimpse into the other half of Lacandon society and the arduous distaff work that sustained the religion The compilation concludes with descriptions of rainbows the Milky Way as the white road of Our Lord and an account of the solstices Transcribed and translated by a foremost linguist of the northern Lacandon language the literary traditions of the Lacandones are finally accessible to English readers The result is a masterful and authoritative collection of oral literature that will both entertain and provoke while vividly testifying to the power of Lacandon Maya aesthetic expression
