

The image depicts two Buddhist figures, likely Bodhisattvas, seated in a meditative posture on lotus flowers. They are positioned within a cave-like setting, with rugged rock formations visible on the left and right sides. The background features a dark, cavernous space with stylized clouds and distant, glowing structures. Both figures have pale skin, serene expressions, and are wearing orange robes. They are adorned with tall, ornate golden crowns and have large, luminous halos behind their heads. The figure on the left has their hands resting on their knees, while the figure on the right has their hands in a prayer position. The overall style is characteristic of traditional Buddhist art, with a focus on spiritual symbolism and serene imagery.
