The Heart Triumphant 53:

Out of the Depths. The Story of a Woman's Life. A Novel. By Henry Gladwyn Jebb ,1873 The Beast in the Boudoir
Kathleen Kete,2023-11-15 Kathleen Kete's wise and witty examination of petkeeping in nineteenth century Paris provides a unique window through which to view the lives of ordinary French people. She demonstrates how that cliché of modern life, the family dog, reveals the tensions that modernity created for the Parisian bourgeoisie. Kete's study draws on a range of literary and archival sources, from dog care books to veterinarians' records to Dumas's musings on his cat. The fad for aquariums, attitudes toward vivisection, the dread of rabies, the development of dog breeding, all are shown to reflect the ways middle class people thought about their lives. Petkeeping, says Kete, was a way to imagine a better, more manageable version of the world; it relieved the pressures of contemporary life and improvised solutions to the intractable mesh that was post-Enlightenment France. The faithful, affectionate family dog became a counterpoint to the isolation of individualism and lack of community in urban life. By century's end, however, animals no longer represented the human condition with such potency, and even the irascible, autonomous cat had been rehabilitated into a creature of fidelity and affection. Full of fascinating details, this innovative book will contribute to the way we understand culture and the creation of class. Historical Works: Edward Frederic Benson, 1867-1940 was an English novelist, biographer, memoirist, archaeologist, and short story writer known professionally as E. F. Benson. The Final Triumph of God James P. Ware,2025-02-06 A groundbreaking exposition of the resurrection hope in 1 Corinthians 15. Making a compelling case based on new evidence and fresh exposition, James Ware affirms the church's historic reading of 1 Corinthians 15. He shows that the apostolic formula in 1 Corinthians 15:1-11 proclaims in continuity with the Gospels the resurrection of Jesus's crucified body from the tomb and that the hope of the resurrection described in 1 Corinthians 15:12-58 involves the miraculous revivification of our present bodies of flesh and bones and their transformation to imperishability. Ware's monumental study is unmatched for its

comprehensive examination of the historical setting literary structure syntax and vocabulary of 1 Corinthians 15 This in depth verse by verse commentary provides new insights into the text original solutions to hitherto seemingly irresolvable difficulties and a convincing reading of the chapter unfolding its rich theology of the resurrection as the consummation of union with Christ **Pyrotechny** Anonymous,2023-10-21 Reprint of the original first published in 1873 **The Course of True Love Never Did Run Smooth** Charles Reade,1873 Triumphant Love J Hans Kommers,2020-11-17 The book is a treasure trove for scholars in the field of science of religion who focus on comparative religion spirituality and the reception of Christianity in India and Ireland The strength of the book is its comprehensive scope critical and narratological methodology and the depth of the data analysis The exposition of the contextual creative and strategic missionary work of Amy Beatrice Carmichael in south India is innovative and highly informative The book contains a high level of original research in that it goes beyond the existing research on the Carmichael biographies The knowledge of the field is comprehensive and the number and quality of sources impressive The biographic genre and methodology complement the extensive research in the book This combination constitutes a genuine historical foundation for the scholarship The main purpose of the book is to open the field of science to and pique the interest of professional theologians with an interest in missiology and in the valuable contribution of Amy Carmichael of Dohnavur The book includes a comprehensive overview of the existing scholarly work on the topic and then makes a further innovative contribution to and in the end provides the most comprehensive picture of the work of Amy Carmichael to date It will become the definitive reference book on the history of Christian missionary work in south India It is original research and no part of the book was plagiarised from any other publication or has been published elsewhere before The Triumph of Love Barbara Cartland,2012-02-14 Money may not be able to buy you love but without it an Earldom is an empty title as black sheep of the family Michael Belmont could discover to his cost Heir to a huge country estate filled with antiques and the finest furniture Michael s gambling debts and dissolute lifestyle result in a desperate quarrel with his father who threatens to disinherit him When his father dies suddenly Michael has sunk so low that he does not even have enough money for his fare home With his allowance gambled and his fine clothes pawned Michael is a man in despair But all that changes when he meets the beautiful Lady Verna who is seeking a chauffeur to drive her car home to England Not knowing that her willing volunteer is actually an Earl they strike up an unlikely friendship and before the journey ends he has fallen under her spell Captivated by her independent spirit and positive outlook Michael knows that their love will reform him and suddenly there is brilliant new hope in his life All he has to do is win the trust of her father wealthy Lord Challoner and convince him of his suitability as a husband but the shadow of the late Earl s threat looms large With so much uncertainty the only thing they can be sure of is their love As Michael tries to turn his life around and win the hand of the woman he adores can Lady Verna convince her father that love is enough to live on Meanwhile Michael s cunning younger brother Anthony has his eye on the estate Their father s favourite he may not carry

The Educational Legacy of Woodrow Wilson James Axtell,2012 In The Educational Legacy of Woodrow Wilson James Axtell brings together essays by eight leading historians and one historically minded political scientist to examine the long formative academic phase of Wilson s career and its connection to his relatively brief tenure in politics Together the essays provide a greatly revised picture of Wilson s whole career and a deeply nuanced understanding of the evolution of his educational political and social philosophy and policies the ordering of his values and priorities and the seamless link between his academic and political lives The contributors shed light on Wilson s unexpected rise to the governorship of New Jersey and the presidency and how he prepared for elective office through his long study of government and the practice of academic politics which he deemed no less fierce than that of Washington In both spheres he was enormously successful propelling a string of progressive reforms through faculty and legislative forums Only after he was beset by health problems and events beyond his control did he fail to push his academic and postwar agendas to their logical idealistic conclusions Contributors James Axtell College of William and Mary Victoria Bissell Brown Grinnell College John Milton Cooper Jr University of Wisconsin Stanley N Katz Princeton University W Bruce Leslie SUNY Brockport Adam R Nelson University of Wisconsin Mark R Nemec Forrester Research John R Thelin University of Kentucky Trygve Throntveit Harvard University
