**David H. Blake**

## **The Heirs Of Stalin Dissidence And The Soviet Regime 1953 197:**

The Heirs of Stalin Abraham Rothberg,1972      **Russian Liberalism** Paul Robinson,2023-09-15 Russian Liberalism charts the development of liberal ideas and political organizations in Russia as well as the implementation of liberal reforms by the Russian and Soviet governments at various points in time Paul Robinson s comprehensive survey covers the entire period from the late eighteenth century to the present day Robinson demonstrates that liberalism has always lacked strong roots in the Russian population being largely espoused by a narrow group of intellectuals whose culture it has reflected and has tended toward a form of historical determinism that sees Russia as destined to become like the West Many see the current political struggle between Russia and the West as being in part a conflict between the liberal West and an illiberal Russia By explaining the historical causes of liberalism s failure in that country Russian Liberalism offers an understanding of a significant aspect of contemporary international affairs After Putin s February 2022 invasion of Ukraine understanding Russian political thought is a matter of considerable importance      **The Publishers Weekly** ,1972      *The Annals of the American Academy of Political and Social Science* ,1972-09      **Voices of Jacob, Hands of Esau** Stephen J. Whitfield,1984 Examines the Jewish experience in 20th century America The four parts of the book deal with Jewish intellectual reactions to totalitarianism and the Holocaust the history of American Jewry the Jews in mass culture and the Jews of the South References to antisemitism occur throughout the book      **The Multinational Corporation** David H. Blake,1972      China in the World Today American Academy of Political and Social Science,1972      **British Books in Print** ,1979      *Subject Index of Modern Books Acquired* British Library,1971      **American Book Publishing Record** ,1973      *The British National Bibliography* Arthur James Wells,1972      Subject Guide to Books in Print ,1983      The Library Journal Book Review ,1977      Bookseller ,1972 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series      **The Heirs of Stalin** A. Rothberg,1972      *Stalin's Heirs* George Gordon Young,1953      *Cold Peace:Stalin and the Soviet Ruling Circle, 1945-1953* Yoram Gorlizki,Oleg Khlevniuk,2004-01-15 Following his country s victory over Nazi Germany Joseph Stalin was widely hailed as a great wartime leader and international statesman Unchallenged on the domestic front he headed one of the most powerful nations in the world Yet in the period from the end of World War II until his death Stalin remained a man possessed by his fears In order to reinforce his despotic rule in the face of old age and uncertain health he habitually humiliated and terrorized members of his inner circle He had their telephones bugged and even forced his deputy Viacheslav Molotov to betray his own spouse as a token of his allegiance Often dismissed as paranoid and irrational Stalin s behavior followed a clear political logic contend Yoram Gorlizki and Oleg Khlevniuk Stalin s consistent and overriding goal after the war was to consolidate the Soviet Union s status as a superpower and in the face of growing decrepitude to maintain his own hold as leader of that power To that end he fashioned a system of leadership that was at once patrimonial repressive and quite

modern While maintaining informal relations based on personal loyalty at the apex of the system in the postwar period Stalin also vested authority in committees elevated younger specialists and initiated key institutional innovations with lasting consequences Close scrutiny of Stalin's relationships with his most intimate colleagues also shows how in the teeth of periodic persecution Stalin's deputies cultivated informal norms and mutual understandings which provided the foundations for collective rule after his death Based on newly released archival documents including personal correspondence drafts of Central Committee paperwork new memoirs and interviews with former functionaries and the families of Politburo members this book will appeal to all those interested in Soviet history political history and the lives of dictators

*The Last Days of Stalin* Joshua Rubenstein, 2016-05-31 A gripping account of the months before and after Joseph Stalin's death and how his demise reshaped the course of twentieth century history Joshua Rubenstein's riveting account takes us back to the second half of 1952 when no one could foresee an end to Joseph Stalin's murderous regime He was poised to challenge the newly elected U S President Dwight Eisenhower with armed force and was also broadening a vicious campaign against Soviet Jews Stalin's sudden collapse and death in March 1953 was as dramatic and mysterious as his life It is no overstatement to say that his passing marked a major turning point in the twentieth century *The Last Days of Stalin* is an engaging briskly told account of the dictator's final active months the vigil at his deathbed and the unfolding of Soviet and international events in the months after his death Rubenstein throws fresh light on the devious plotting of Beria Malenkov Khrushchev and other comrades in arms who well understood the significance of the dictator's impending death the witness documented events of his death as compared to official published versions Stalin's rumored plans to forcibly exile Soviet Jews the responses of Eisenhower and Secretary of State Dulles to the Kremlin's conciliatory gestures after Stalin's death and the momentous repercussions when Stalin's regime of terror was cut short A fascinating and often chilling reconstruction of the months surrounding the Soviet dictator's death Saul David *Evening Standard* UK A gripping look at the power struggles after the Red Tsar's death Victor Sebestyen *The Sunday Times* UK Stalin's death in March 1953 cut short another spasm of blood purges he was planning but triggered only limited Soviet reforms To some Westerners it promised an extended period of peace but others feared it would leave the West even more vulnerable Joshua Rubenstein's lively detailed carefully crafted book chronicles a key twentieth century turning point that didn't entirely turn revealing what difference Stalin's death did and didn't make and why William Taubman author of *Khrushchev The Man and His Era* *The New Tsars* John Dornberg, 1972 *Newsweek's* Moscow Bureau Chief's report on the effect of new Stalinism on every aspect of contemporary Soviet life

*The Stalin Years, 1929-1953*, 1974
