N Noddings

The Herschel Hobbs Commentary Spring 2001 Volume 1 Number 3:

The Collected Writings of James Leo Garrett Jr., 1950–2015: Volume Five James Leo Garrett Jr., 2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 5 contains general theological considerations as well as a number of Garrett s reflections on twentieth century Christian leaders Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations *More than a Symbol* Stanley K. Fowler, 2007-03-01 More than a Symbol seeks to demonstrate that the interpretation of baptism as a mere symbol bearing witness to a previously completed conversion experience is inadequate both as a summary of biblical teaching and as a summary of Baptist thought Starting with H Wheeler Robinson and culminating in the work of G R Beasley Murray British Baptists in the twentieth century argued effectively that baptism must be interpreted as an effective sign a meeting place of grace and faith a sacrament rather than a mere symbol This book argues that the New Testament exegesis that is at the heart of this reformulation is fundamentally accurate and that the resulting system is theologically coherent The book also argues that this view is not a Baptist novelty but is rather a recovery of the foundational Baptist thought of the seventeenth century *Paperbound Books in Print* ,1983
