

The American Political Nation 1838 1893

Edward Foley

The American Political Nation 1838 1893:

The American Political Nation, 1838-1893 Joel Silbey, 1994-07-01 This is a detailed analysis and description of a unique era in American political history one in which political parties were the dominant dynamic force at work structuring and Liberty and Coercion Gary Gerstle, 2017-09-27 How the conflict between federal and state directing the political world power has shaped American history American governance is burdened by a paradox On the one hand Americans don t want big government meddling in their lives on the other hand they have repeatedly enlisted governmental help to impose their views regarding marriage abortion religion and schooling on their neighbors. These contradictory stances on the role of public power have paralyzed policymaking and generated rancorous disputes about government s legitimate scope How did we reach this political impasse Historian Gary Gerstle looking at two hundred years of U S history argues that the roots of the current crisis lie in two contrasting theories of power that the Framers inscribed in the Constitution One theory shaped the federal government setting limits on its power in order to protect personal liberty Another theory molded the states authorizing them to go to extraordinary lengths even to the point of violating individual rights to advance the good and welfare of the commonwealth The Framers believed these theories could coexist comfortably but conflict between the two has largely defined American history Gerstle shows how national political leaders improvised brilliantly to stretch the power of the federal government beyond where it was meant to go but at the cost of giving private interests and state governments too much sway over public policy The states could be innovative too More impressive was their staying power Only in the 1960s did the federal government impelled by the Cold War and civil rights movement definitively assert its primacy But as the power of the central state expanded its constitutional authority did not keep pace Conservatives rebelled making the battle over government s proper dominion the defining issue of our time From the Revolution to the Tea Party and the Bill of Rights to the national security state Liberty and Coercion is a revelatory account of the making and unmaking of government Political Culture and Secession in Mississippi Christopher J. Olsen, 2000-10-19 Political Culture and Secession in America in Mississippi examines gender and antebellum politics and argues that the demands of masculinity and honor with in state s antiparty political culture made secession possible The non institutional context of all political rhetoric caused Mississippi voters to condemn the Republicans anti Southern program as a personal insult and linked men s understanding of masculinity with electoral politics the actual mechanism for secession The Oxford Encyclopedia of American Cultural and Intellectual History, 2013 Over 600 A Z articles on a wide range of topics in American cultural and intellectual History Explores American cultural and intellectual history from the colonial period to the present day Annotated bibliographies to highlight the major works in the field Expands and updates The Oxford Companion to United States History Lincoln's **Tragic Pragmatism** John Burt, 2013-01-07 In their famous debates Lincoln and Douglas struggled with how to behave when an ethical conflict like slavery strained democracy s commitment to rule by both consent and principle What conscience

demands and what it can persuade others to agree to are not always the same Ultimately this tragic limitation of liberalism led Lincoln to war **The Routledge History of Nineteenth-Century America** Jonathan Daniel Wells,2017-09-14 The Routledge History of Nineteenth Century America provides an important overview of the main themes within the study of the long nineteenth century The book explores major currents of research over the past few decades to give an up to date synthesis of nineteenth century history It shows how the century defined much of our modern world focusing on themes including immigration slavery and racism women s rights literature and culture and urbanization This collection reflects the state of the field and will be essential reading for all those interested in the development of the modern United States

<u>Ballot Battles</u> Edward Foley,2016 The 2000 presidential election with its problems in Florida was not the first major vote counting controversy in the nation s history nor the last Ballot Battles traces the evolution of America s experience with these disputes from 1776 to now explaining why they have proved persistently troublesome and offering an institutional solution

Sacred Discourse and American Nationality Eldon J. Eisenach, 2012-07-16 In the current political climate it is impossible not to speculate about the correlation between American national identity and religious beliefs Sacred Discourse and American Nationality analyzes the role of religious rhetoric and politics Eldon I Eisenach explores this relationship along with the interrelationship of political theory political ideology and political change in the story of American political life By addressing sacred stories and American Progressivism Sacred Discourseand American Nationality provides historical and current views on American national identity This is the perfect book for scholars and students interested in American Confederate Political Economy Michael Brem Bonner, 2016-05-11 In Confederate Political political development Economy Michael Bonner suggests that the Confederate nation was an expedient corporatist state a society that required all sectors of the economy to work for the national interest as defined by a partnership of industrial leaders and a dominant government As Bonner shows the characteristics of the Confederate States political economy included modern organizational methods that mirrored the economic landscape of other late nineteenth century and early twentieth century corporatist governments Southern leaders Bonner argues were slave owning agricultural capitalists who sought a counterrevolution against northern liberal capitalism During secession and as the war progressed they built and reinforced Confederate nationalism through specific centralized government policies Bolstered by the Confederate constitution these policies evolved into a political culture that allowed for immense executive powers facilitated an anti party ideology and subordinated individual rights In addition the South's lack of industrial capacity forced the Confederacy to pursue a curious manufacturing policy that used both private companies and national ownership to produce munitions This symbiotic relationship was just one component of the Confederacy's expedient corporatist state other wartime policies like conscription the domestic passport system and management of southern railroads also exhibited unmistakable corporatist characteristics Bonner s probing research and new comparative analysis expand our understanding of the complex organization and relationships in

Confederate political and economic culture during the Civil War

The American Direct Primary Alan Ware, 2002-10-14
This book rejects conventional accounts of how American political parties differ from those in other democracies It focuses on the introduction of the direct primary and argues that primaries resulted from a process of party institutionalization initiated by party elites It overturns the widely accepted view that between 1902 and 1915 direct primaries were imposed on the parties by anti party reformers intent on weakening them An examination of particular northern states shows that often the direct primary was not controversial and only occasionally did it involve confrontation between party regulars and their opponents Rather the impetus for direct nominations came from attempts within the parties to subject informal procedures to formal rules However it proved impossible to reform the older caucus convention system effectively and party elites then turned to the direct primary a device that already had become more common in rural counties in the late nineteenth century

Writing the Civil War James M. McPherson, William J. Cooper, Jr., 2021-04-16 Studies diverse topics on the writing of Civil War history No event has transformed the United States more fundamentally or been studied more exhaustively than the Civil War In Writing the Civil War fourteen distinguished historians present a wide ranging examination of the vast effort to chronicle the conflict an undertaking that began with the remembrances of Civil War veterans and has become an increasingly prolific field of scholarship Covering topics from battlefield operations to the impact of race and gender this volume is an informative guide through the labyrinth of Civil War literature The contributors provide authoritative and interpretive evaluations of the study and explication of the struggle that has been called the American Iliad The first four essays consider military history Joseph Thomas Glatthaar writes on battlefield tactics Gary W Gallagher on Union strategy Emory M Thomas on Confederate strategy and Reid Mitchell on soldiers In essays that focus on political concerns Mark E Neely Jr links the military and political with his examination of presidential leadership while Michael F Holt surveys the study of Union politics and George C Rable examines the work on Confederate politics Michael Les Benedict bridges political and societal concerns in his discussion of constitutional questions Phillip Shaw Paludan and james L roark confront the broad themes of economics and society in the North and South and Drew Gilpin Faust and Peter Kolchin evaluate the importance of gender slavery and race relations Writing the Civil War demonstrates the richness and diversity of Civil War scholarship and identifies topics yet to be explored Noting a surprising dearth of scholarship in several area the essays point to new directions in the quest to understand the complexities of the most momentous event in American history **Institutional Change and Economic Development** Ha-Joon Chang, 2007-11-15 Institutional Change and Economic Development discusses not just theoretical issues but a diverse range of real life institutions political bureaucratic fiscal financial corporate legal social and industrial in the context of dozens of countries across time and space spanning Britain Switzerland and the USA in the past to Botswana Brazil and China today **Reader's Guide to American History** Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of

interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history A Companion to the Antebellum Presidents, 1837 - 1861 Joel H. Silbey, 2014-02-24 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United Civic Ideals Rogers M. Smith, 1997-01-01 Is civic identity in the United States really defined by liberal States history democratic political principles Or is U S citizenship the product of multiple traditions not only liberalism and republicanism but also white supremacy Anglo Saxon supremacy Protestant supremacy and male supremacy In this powerful and disturbing book Rogers Smith traces political struggles over U S citizenship laws from the colonial period through the Progressive era and shows that throughout this time most adults were legally denied access to full citizenship including political rights solely because of their race ethnicity or gender Basic conflicts over these denials have driven political development and civic membership in the U S Smith argues These conflicts are what truly define U S civic identity up to this day Others have claimed that nativist racist and sexist traditions have been marginal or that they are purely products of capitalist institutions In contrast Smith's pathbreaking account explains why these traditions have been central to American political and economic life He shows that in the politics of nation building principles of democracy and liberty have often failed to foster a sense of shared peoplehood and have instead led many Americans to claim that they are a chosen people a master race or superior culture with distinctive gender roles Smith concludes that today the United States is in a period of reaction against the egalitarian civic reforms of the last generation with nativist racist and sexist beliefs regaining influence He suggests ways that proponents of liberal democracy should alter their view of U S citizenship in order to combat these developments more effectively Reconstructing Democracy Justin Behrend, 2015 Within a few short years after emancipation freedpeople of the Natchez District created a new democracy in the Reconstruction era replacing the oligarchic rule of slaveholders and

Confederates with a grassroots democracy that transformed the South after the Civil War **Historical Dictionary of United States Political Parties** Harold F. Bass Jr., 2009-09-01 The constitution that establishes the institutional framework for American national government makes no mention of political parties Yet for over two centuries political parties have competed in encouraging organizing and directing political activity in the United States This volume compiles entries of concepts terms labels and individuals central to identifying and comprehending these key roles political parties have played in American political life The second edition of Historical Dictionary of United States Political Parties addresses the historical development organization operation and leadership of the parties as well as their broader environment This is done through a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries addressing individuals institutions and terms James K. Polk and His Time Michael David Cohen, 2023-08-18 This collection arose out of a 2019 conference to commemorate the completion of the fourteen volume Correspondence of James K Polk Its scholarship which pays tribute to the Polk Project itself as well as to the controversial nature of the Polk legacy will result in a significant reinterpretation of the eleventh US president Contributors include John F Polk who examines the ways history has mischaracterized almost the entire Polk family tree and Kelly Houston Jones who investigates the family s investments in slave based agriculture The fascinating life of Elias Polk a man enslaved by the president is compellingly related by Zacharie W Kinslow Asaf Almog analyzes the persistence of labels Polk and fellow Democrats labeled their Whig opponents Federalists he argues with both rhetorical and substantive aims Michael Gunther analyzes Polk's authorization of the Smithsonian Institution and the Department of the Interior seemingly at odds with his devotion to small government Taken together the twelve essays unveil a more complex James K Polk than the narrowly focused Jackson prote ge and proponent of Manifest Destiny we often hear about He was politically partisan but inspired by history and grounded in principle His family s long reliance on nonwhite Americans losses of freedom and land informed his policies on slavery and Indian removal and the nature of the legislation at hand determined when he promoted a larger or a smaller federal government James K Polk and His Timehelps us to unde **Building the Empire State** Brian Phillips Murphy, 2015-06-04 Focusing on the state of New York home to the first American banks utilities canals and transportation infrastructure projects Building the Empire State examines the origins of American capitalism by tracing how and why business corporations were first introduced into the economy of the early republic America's Three Regimes Morton Keller, 2009-03-11 Hailed in The New York Times Book Review as the single best book written in recent years on the sweep of American political history this groundbreaking work divides our nation's history into three regimes each of which lasts many many decades allowing us to appreciate as never before the slow steady evolution of American politics government and law The three regimes which mark longer periods of continuity than traditional eras reflect are Deferential and Republican from the colonial period to the 1820s Party and Democratic from the 1830s to the 1930s and Populist and Bureaucratic from the 1930s to the present Praised by The

Economist as a feast to enjoy and by Foreign Affairs as a masterful and fresh account of U S politics here is a major contribution to the history of the United States an entirely new way to look at our past our present and our future packed with provocative and original observations about American public life

The American Political Nation 1838 1893 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The American Political Nation 1838 1893 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The American Political Nation 1838 1893 has opened up a world of possibilities. Downloading The American Political Nation 1838 1893 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The American Political Nation 1838 1893 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The American Political Nation 1838 1893. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The American Political Nation 1838 1893. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The American Political Nation 1838 1893, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The American Political Nation 1838 1893 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The American Political Nation 1838 1893 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The American Political Nation 1838 1893 is one of the best book in our library for free trial. We provide copy of The American Political Nation 1838 1893 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The American Political Nation 1838 1893. Where to download The American Political Nation 1838 1893 online for free? Are you looking for The American Political Nation 1838 1893 PDF? This is definitely going to save you time and cash in something you should think about.
