Rider Haggard** H. Rider Haggard,2017-07-15 The classic book has always read again and again What is the classic book Why is the classic book READ READ READ then you ll know it s excellence **The Ancient Allan** H. Rider Haggard,2016-10-09 Sitting beside entrancing Lady Ragnall while the smoke of an ancient Egyptian herb grows thick around them Allan Quatermain finds himself departing the world he know and entering into his strangest adventure The Ancient Allan H. Rider Haggard,2015-07-18 Allan Hunter Quartermain entered fiction in the classic adventure tale KING SOLOMON S MINES and instantly proved a favorite and Rider Haggard proceeded to build many more stories around him This is one of the best but it should be read after reading THE IVORY CHILD In fact it s pretty important to read all of Rider Haggard s novels in order but that s hard to do considering how many there are This one with a relationship that cannot be pursued and a drug that cannot be analyzed is one of the best The Ancient Allan Sir H Rider Haggard,2020-12-05 Now I Allan Quatermain come to the weirdest with one or two exceptions perhaps of all the experiences which it has amused me to employ my idle hours in recording here in a strange land for after all England is strange to me I grow elderly I have as I suppose passed the period of enterprise and adventure and I should be well satisfied with the lot that Fate has given to my unworthy self To begin with I am still alive and in health when by all the rules I should have been dead many times over I suppose I ought to be thankful for that but before expressing an opinion on the point I should have to be quite sure whether it is better to be alive or dead The religious plump for the latter though I have never observed that the religious are more eager to die than the rest of us poor mortals For instance if they are told that their holy hearts are wrong they spend time and much money in rushing to a place called Nauheim in Germany to put them right by means of water drinking thereby shortening their hours of heavenly bliss and depriving their heirs of a certain amount of cash **The Ancient Allan** H Rider Haggardh Rider,2019-12-14 Allan Quatermain the swashbuckling adventurer who is H Rider Haggard s best remembered character often faced down formidable adversaries in exotic lands around the globe But in The Ancient Allan the perilous journey that Quatermain undertakes is one that leads him into the murky depths of his own distant past where he learns more about his adventures in a previous existence that took place long ago *The Ancient Allan : with Original Illustrations* H. Rider Haggard,2020-01-08 In this new story of ancient Egypt Sir Rider Haggard brings back for still another adventure and such an adventure the immortal Allan Quatermain To quote Allan himself This is the weirdest of all my experiences While not in any sense a sequel

to THE IVORY CHILD the reader will meet several of the characters of that story in this new book
