technologies expose Africans and more generally peoples of the global south to political economic social cultural and religious shocks occasioned by the coloniality of the global matrices of power It notes that there is the use by global elites of technologies to incite postmodern revolutions designed to compound the vicissitudes and imponderables in the already unsettled lives of people north and south Particularly targeted by these technologies are African and other governments that do not cooperate in the fulfilment of the interests of the hegemonic global elites The book is handy to students and practitioners in security studies African studies development studies global studies policy studies and political science A Second Look at the Second Coming T. Sias, Adrian Zenz, 2012-11-07 Many Christians base their understanding of the end times on the popular pretribulation rapture view They expect that Jesus will rescue them just in time before the tribulations of the Antichrist However few people realize that every single biblical promise of being raptured at that time is conditional on personal spiritual readiness Eminent Christian leaders such as A B Simpson founder of the Christian and Missionary Alliance as well as Hudson Taylor founder of the China Inland Mission first taught this biblical perspective of a conditional rapture In their captivating account the authors take their readers on a fascinating journey through the pages of the Bible showing how biblical prophecies from Daniel to Revelation point toward not just one but two raptures a conditional first fruits rapture for the ready wise virgins of the church and a later rapture for foolish virgin believers who are spiritually unprepared Packed with fresh scriptural insights this book will prepare and equip you for the times ahead *Worthy to Escape* makes for a thoroughly intriguing read It is rare for Christians to apply the Hebraic traditions regarding marriage to the rapture That and the books strong focus on spiritual intimacy set it apart from the majority of end times writings Messianic Rabbi Ed Rothman Hon M Div Hon Dr M S J C Seed of Abraham Messianic Congregation St Louis Park MN Everyone should become familiar with the first fruits rapture I highly recommend this book Rev J McCracken Team Leader TrueBridge Family of Churches Any student of eschatology needs to read this book and consider its insights Bible colleges and seminaries should use it as a reference work and make it required reading Pastor T Porta Grace Gospel Church Cambridge MN **Fairwarning 7 , The Angel of God's Presence** Donna Ashton, 2014-12-27 This book is a treasure of hidden mysteries of the Bible brought to light Discover the voice of God to the church during tribulation which are the Seven Thunders that have been sealed for over 2 000 years The disclosure of a third covenant for the millennial reign and how it will effect you The trials and triumphs of the saints in tribulations Be astonished at who is God s army all are not led as sheep to the slaughter as some propose Find out about the amazing latter rain anointing for the children of God Understand who you are and what it really means to be a son of God and heir in Jesus Christ Its not just salvation There are some topics which have never been taught others briefly touched on by the church Learn the difference between the mark the number and the name of the beast This book has the answers Scriptures are given to back every mystery Prepare for an awakening of your mind and spirit Babylon Under Western Eyes Andrew Scheil, 2016-05-09 *Babylon under Western Eyes* examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series

Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style *Babylon under Western Eyes* is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture

Mapping the End Times Dr Jason Dittmer,Dr Tristan Sturm,2012-11-28 Over the last quarter century evangelicalism has become an important social and political force in modern America Here new voices in the field are brought together with leading scholars such as William E Connolly Michael Barkun Simon Dalby and Paul Boyer to produce a timely examination of the spatial dimensions of the movement offering useful and compelling insights on the intersection between politics and religion This comprehensive study discusses evangelicalism in its different forms from the moderates to the would be theocrats who in anticipation of the Rapture seek to impose their interpretations of the Bible upon American foreign policy The result is a unique appraisal of the movement and its geopolitical visions and the wider impact of these on America and the world at large

Understanding Prophecy in the Book of Revelation Leslie Dutcher,2024-05-19 This book meticulously discusses the Book of Revelation including the prophecies therein and it contains many insights that could only have been revealed by God Researching the word Revelation reveals some interesting information The word Revelation comes from the Greek word Apokalypsis which means the revealing of something previously hidden The Latin origin of the word revelation is revelatio which means to reveal or unveil In English the theological meaning of the word Revelation is a manifestation of a divine truth or something that is dramatically disclosed or revealed internet The Book of Revelation written by the Apostle John is the revealing or the unveiling of Jesus Christ to the world

Conspiracies and Conspiracy Theories in American History Christopher R. Fee,Jeffrey B. Webb,2019-05-24 This up to date introduction to the complex world of conspiracies and conspiracy theories provides insight into why millions of people are so ready to believe the worst about our political legal religious and financial institutions Unsupported theories provide simple explanations for catastrophes that are otherwise difficult to understand from the U S Civil War to the Stock Market Crash of 1929 to the terrorist attacks on the World Trade Center in New York Ideas about shadowy networks that operate behind a cloak of secrecy including real organizations like the CIA and the Mafia and imagined ones like the Illuminati additionally provide a way for people to criticize prevailing political and economic arrangements while for society s disadvantaged and forgotten groups conspiracy theories make their suffering and alienation comprehensible and provide a focal point for their economic or political frustrations These volumes detail the highly controversial and influential phenomena of conspiracies and conspiracy theories in American society Through interpretive essays and factual accounts of various people organizations and ideas the reader will gain a much greater appreciation for a set of beliefs about political scheming covert intelligence gathering and criminal rings that has held its grip on the minds of millions of American citizens and encouraged them to

believe that the conspiracies may run deeper and with a global reach A Study Guide for the Revelation of Jesus Christ
James H. Stone Jr.,2014-01-21 THE SECOND COMING OF CHRIST REV 19 1 21 A GENERAL 1 Chapter 19 brings to a close the Great Tribulation period Daniels 70th Week Dan 9 27 and ushers in the 2nd coming of Jesus Christ 2 Christ promised he would come again John 14 3 40 days after his resurrection Acts 1 3 Christ ascended into heaven from the Mount of Olives just East of Jerusalem Acts 1 9 Two angels told the apostles Jesus would return in like manner Acts 1 11 In Rev 19 11 16 Christ returns with armies of saints and angels 3 The prophecies of Zechariah will be fulfilled Thus says the Lord I am returned to Zion and will dwell in the midst of Jerusalem Zech 8 3 And his feet shall stand in that day upon the Mount of Olives which is before Jerusalem on the East Zech 14 4 4 In Chapter 19 there are actually 2 scenes 1 in heaven which is one of great joy and 1 on earth which is one of great judgment B JOY IN HEAVEN REV 19 1 10 1 SONGS OF THE SAINTS REV 19 1 6 a TIME SEQUENCE 1 After this I John heard what sounded like the roar of a great multitude in heaven shouting Hallelujah salvation glory power belong to our God for true and just are his judgments he has condemned the great prostitute whore KJV who corrupted the earth by her adulteries he has avenged on her the blood of his servants Rev 19 1 2 NOTE After this refers to the destruction of the apostate religious system in Rev 17 and the corrupt commercial system in Rev 18 In Rev 18 20 the call to rejoice was issued now we have the response to that call **ThirdWay** ,1995-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *The Year 2000* Charles B. Strozier,Michael Flynn,1997-08 A fascinating collection of predictions for the end times in the year 2000 The Year 2000 is at hand The end of the millennium means many things to many people but it has significance for almost everyone A thousand years ago monks stopped copying manuscripts and religious building projects came to a halt as panic swept Europe Today anxiety about global warming government power superviruses even recycling is on some level rooted in the fear of irreversible cataclysm In a landscape shadowed by racial conflict technological upheaval AIDS and nuclear weapons we reasonably fear the end of history 2000 looms large in our religious political and cultural imagination But while 2000 brings dread it also raises the prospect of transformation There is hope to be found in the apocalyptic This panoramic volume explores how the Year 2000 operates in contemporary political discourse from Black evangelical politics to radical right wing rhetoric One section is devoted specifically to apocalyptic violence analyzing twentieth century cults and cultural movements from David Koresh who renamed his Waco compound Ranch Apocalypse and perished in a modern day Armageddon that fueled the millennialist angst of other extremist groups to environmental campaigns like Earth First that also rely on the language of violence and imminent doom in their greening of the Apocalypse The Hope Deficit! Rev: James Morris ACS. Bch. M,2024-07-30 Refocus your attention on sharing God s message with the world with the inspiring guidance in The Hope Deficit In this book the author proclaims that Jesus Christ the son of God is the only hope that is everlasting He also explains the difference between true hope and false hope revealing that hope is the very person of Christ residing within the disciple

by faith He also observes that the metamorphosis of evil continues to baffle the naïve Humanity's cry for hope is growing ever louder but hope outside of Christ does not exist The author considers questions such as How does trusting in the Lord and His holy word inspire hope Why does every human being need hope so much How can we find peace and rest We must choose wisely who we believe and what we trust Just as man's choice to be God's knowing good and evil brought us this hopeless world of sin death and pain man must now choose to believe that Jesus Christ God is the only way for mankind to be saved
