Laura Zittrain Eisenberg, Neil Caplan

The Arabs And Zionism Before World War I:

The Arabs and Zionism Before World War I Neville J. Mandel, 1978 Arabs and Jews in Ottoman Palestine Alan Dowty, 2020-03-04 The historian and expert on Israeli Palestinian relations offers a well written well balanced account of cultural conflicts in the region before WWI Anita Shapira author of *Israel A History* When did the Arab Israeli conflict begin Some discussions focus on the 1967 war some go back to the creation of the state of Israel in 1948 and others look to the beginning of the British Mandate in 1922 Alan Dowty however traces the earliest roots of the conflict to the Ottoman Empire in the 19th century arguing that this historical approach highlights constant clashes between religious and ethnic groups in Palestine Dowty demonstrates that during the 19th century there was an overwhelming hostility to European foreigners and that Arab residents viewed new Jewish settlers as European He also shows that Jewish settlers had tremendous incentive to minimize all obstacles to settlement including the inconvenient hostility of the existing population Dowty's thorough research reveals how events that occurred over 125 years ago shaped the implacable conflict that dominates the Middle East today

A History of the Arab-Israeli Conflict Ian J. Bickerton, Carla L. Klausner, 2016-09-16 Concise and comprehensive A History of the Arab Israeli Conflict presents balanced impartial and well illustrated coverage of the history of the Arab Israeli conflict The authors identify and examine the issues and themes that have characterized and defined the conflict over the past century tying in a twenty first century perspective The seventh edition exposes readers to recent events in the Middle East Altering relations between Israel and neighboring states political and religious uncertainty as a result of the Arab Spring and the increased scrutiny of Iran's nuclear program are explored in this updated edition **Early Arab-Zionist**

Negotiation Attempts, 1913-1931 Neil Caplan, 2013-09-05 Part of series that aims to provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars It exploits a range of available archive sources as well as extensive secondary sources **Futile Diplomacy - A History of**

Arab-Israeli Negotiations, 1913-56 Neil Caplan, 2021-03-04 These four volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between 1913 and 1956 Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources providing an essential reference source for the student of the Arab Israeli conflict and its long history **Palestine's Christians and**

the Nationalist Cause Erik Freas, 2024-12-23 This book provides an historical overview of Palestine's Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine's Christian Arabs the book focuses on Palestine's Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this

case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine s Christians vis vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history Muslim Christian inter communal relations and the relationship between nationalism and religion Israel Country Study Guide Volume 1 Strategic Information and Developments IBP, Inc,2012-03-03 Israel Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments **Palestine Jewry and the Arab Question, 1917-1925** Neil Caplan,2015-05-22 This book first published in 1978 examines the confrontation of the Jewish community of Palestine the Yishuv with its Arab question in the period immediately following World War 1 a period of excitement and uncertainty Its main focus is on the different ways in which the men and women of the Yishuv perceived and defined the question of relations with the Arabs and how they proposed to deal with the problems that arose **Zionism's Redemptions** Arie Saposnik,2021-11-18 Zionism combined dialogues with Jewish Christian and secular messianisms to create a politics based in redemptive visions of its own **International History of the Twentieth Century and Beyond** Anthony Best,2008 This major global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors cover events in Europe Asia the Middle East Africa and the Americas from the last century and beyond Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the major The Israel-Palestine Conflict Neil Caplan,2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired

since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers Arabs and Young Turks Hasan Kayali, 1997-09-03 A study of Arab politics in the late Ottoman Empire as viewed from the imperial capital in Istanbul This analytical narrative of the young Turk period 1908 1918 discusses both Arab concerns and the policies of the Ottoman government toward the Arabs *Jews and Palestinians in the Late Ottoman Era, 1908-1914* Louis A. Fishman, 2019-11-27 Uncovering a history buried by different nationalist narratives Jewish Israeli Arab and Palestinian this book looks at how the late Ottoman era set the stage for the on going Palestinian Israeli conflict It presents an innovative analysis of the struggle in its first years when Palestine was still an integral part of the Ottoman Empire And it argues that in the late Ottoman era Jews and Palestinians were already locked in conflict the new freedoms introduced by the Young Turk Constitutional Revolution exacerbated divisions rather than serving as a unifying factor Offering an integrative approach it considers both communities together and separately in order to provide a more sophisticated narrative of how the conflict unfolded in its first years

Translating Late Ottoman Modernity in Palestine Evelin Dierauff, 2020-01-20 Die Studie untersucht f r die Jahre vor dem Ersten Weltkrieg anhand der arabisch pal stinensischen Zeitung Filas in lokale Debatten um politische Ordnung kollektive Identit t und Beziehungen zwischen ethnischen und konfessionellen Gruppen dies vor dem Hintergrund transregionaler und transosmanischer Zusammenh nge Dies ist deshalb relevant weil Gruppenbeziehungen in Pal stina f r diese Phase der osmanischen Moderne wenig erforscht sind und sich in einer tiefen Umbruchphase einer sog Sattelzeit befanden Filastin ver ffentlicht ab 1911 in Jaffa von Isa al Isa und Yusuf al Isa lokalen griechisch orthodoxen Christen diente als Medium in dem ein vielf ltiges Spektrum an pal stinensischen Autoren verschiedener Konfession folgende Fragen kontrovers verhandelte 1 Regeln des Zusammenlebens im multiethnisch und multikulturell gepr gten Jaffa 2 Die Integrierbarkeit der j disch zionistischen Einwanderer in die Region und 3 die Partizipation arabisch pal stinensischer Christen im von Griechen dominierten griechisch orthodoxen Patriarchat von Jerusalem Exploring Filas in in the context of Arab Palestinian press development its specific environment and networks and the political culture after the Young Turk Revolution this study analyzes the main concepts and terminological features that are conveyed through ist coverage Further it studies Palestinian

group relations in the light of three selected case studies the press debate on 1 the social cohabitation of groups in the Jaffa region 2 the socio economic integration of Zionist immigrants into the Jerusalem District and 3 the political participation of Arab Palestinian Orthodox Christians in the administration of the Greek Orthodox Patriarchate of Jerusalem and their opposition against the clerical establishment Filastin was published from 1911 onwards in the coastal town of Jaffa by the cousins Yusuf and Isa al Isa Arab Palestinians of Greek Orthodox confession Soon it had established itself as a forum of debate in late Ottoman Palestine serving a pool of authors from different ethnic and confessional but similar educational backgrounds and moral values as a public medium to which they contributed through publishing articles protest letters petitions etc On its pages these authors controversially discussed concepts of collective identity society building political order and all kinds of reforms that they perceived progressive and as fitting the spirit of the age as they called it the age of Ottoman Constitutionalism and modernity This study explores local debates on Palestinian group relations through Filastin during the years 1911 until 1914 which is relevant since during this period of time the Arab Middle East in general and Palestine in specific underwent a so called saddle period a deep and fundamental change with regard to social relations and political concepts that is still rather unexplored in today s scholarship The Origins of Palestinian Nationalism Muhammad Y. Muslih,1988 This book is the only work of its kind devoted exclusively to the institutional framework of Palestinian politics from 1856 until December 1920 when the third Palestinian Arab Congress was held in Haifa to decide the future of Palestine Muslih s book is also the first to present in detail the ideologies of Ottomanism and Arab nationalism and the ways in which they relate to Palestine In the groundbreaking analysis that considers the entire context of Arab politics Muhammad Muslih articulates a new interpretation for the emergence of Palestinian nationalism and one which will foster a better understanding of centuries old attachment of the Arab Palestinians to their land and their struggle for its independence

Ireland's terrorist dilemma Yonah Alexander,Alan O'day,2024-08-19 **Imagining Zion** S. Ilan Troen,2008-10-01
divdivThis timely book tells the fascinating story of how Zionists colonizers planned and established nearly 700 agricultural settlements towns and cities from the 1880s to the present This extraordinary activity of planners architects social scientists military personnel politicians and settlers is inextricably linked to multiple contexts Jewish and Zionist history the Arab Jewish conflict and the diffusion of European ideas to non European worlds S Ilan Troen demonstrates how professionals and settlers continually innovated plans for both rural and urban frontiers in response to the competing demands of social and political ideologies and the need to achieve productivity economic independence and security in a hostile environment In the 1930s security became the primary challenge shaping and even distorting patterns of growth Not until the 1993 Oslo Accords with prospects of compromise and accommodation did planners again imagine Israel as a normal state developing like other modern societies Troen concludes that if Palestinian Arabs become reconciled to a Jewish state Israel will reassign priority to the social and economic development of the country and region DIV DIV Negotiating Arab-Israeli Peace Laura Zittrain

Eisenberg, Neil Caplan, 1998 In an innovative study two historians of the Arab Israeli conflict reflect on what their craft can contribute to peacemaking Middle East Quarterly A fine overview of the troubled Arab Israeli negotiations since Camp David filled with sound analysis and a wealth of documentary material Students and diplomats alike will benefit from this thoughtful study William B Quandt Byrd Professor of Government and Foreign Affairs University of Virginia This timely book will be invaluable for students of Middle East international relations and for policy makers who seek a mutually acceptable resolution of this protracted conflict Michael Brecher McGill University No matter where one stands on the issues this valuable work commends itself to students peace makers and anyone concerned about the Arab Israeli conflict and its peaceful resolution Philip Mattar Institute for Palestine Studies Eisenberg and Caplan offer the reader lessons of the past and sound guidance for the present and the future a well researched and well written book Itamar Rabinovich Tel Aviv University What must change before the Arab Israeli conflict is resolved diplomatically By illuminating recurring factors that seem to doom peacemaking Negotiating Arab Israeli Peace offers a fresh interpretation of how when and why the process does and does not work and points to diplomatic strategies that may produce an enduring peace Palestine and Israel David McDowall, 1989-01-01 In this thoroughly researched and highly topical book David McDowall considers the Palestinian uprising from a historical social and political perspective and carefully reassesses the prospects for a settlement of the Arab Israeli conflict **Palestinian Leadership on the West Bank** Moshe Maoz, 2015-05-22 The West Bank has for generations been the core area of the Palestinian Arab community and of its national movement Since 1967 it has become the main area of confrontation in the prolonged conflict between Palestinian Arab and Jewish Zionist nationalism The Palestinian armed organization the PLO which has undertaken to lead the nationalist struggle of their people was for long periods unable to operate on the West Bank because of strict security measures taken by the Jordanian and Israeli governments respectively Consequently the Palestinian mayors in the West Bank who under Jordanian rule 1948 1967 had served as ruling instruments of the government gradually became under Israeli control the political spokesmen of their communities This book first published in 1984 examines this remarkable change in the role of the West Bank Palestinian mayors and their transformation since the early 1970s from conservative moderate figures into radical nationalist leaders Against the background of the developing Palestinian and Israeli militant nationalism in the West Bank the study analyses the complex relations between these new leaders and the governments of Israel and Jordan as well as the PLO command until their final eviction by Israel in 1982
