The Ark Endeavor:

The Ark Endeavor Steven Walls,2005-11 What was it like to be commissioned by God Himself to build an enormous vessel and live in it with hundreds of animals during a massive flood Based on the scriptural account this retelling of the lifework of Noah and his family is the author s vision of the events leading up to and during the great flood The familiar story from the Bible is told with bold imagination and detail You are placed side by side with the family as they prepare for and experience the catastrophic event that reshaped mankind forever *The Mystic Ark* Conrad Rudolph,2014-06-09 In this book Conrad Rudolph studies and reconstructs Hugh of Saint Victor s forty two page written work The Mystic Ark which describes the medieval painting of the same name In medieval written sources works of art are not often referred to let alone described in any detail Almost completely ignored by art historians because of the immense difficulty of its text Hugh of Saint Victor s Mystic Ark c 1125-30 is among the most unusual sources we have for an understanding of medieval artistic culture Depicting all time all space all matter all human history and all spiritual striving this highly polemical painting deals with a series of cultural issues crucial in the education of society s elite during one of the great periods of intellectual change in Western history **Noah's Arkive** Jeffrey J. Cohen,Julian Yates,2023-06-13 A timely rethinking of the archetypal story of Noah the great flood and who was left behind as the waters rose Most people know the story of Noah from a children s bible or a play set with a colorful ship bearded Noah pairs of animals and an uncomplicated vision of survival Noah s ark however will forever be haunted by what it leaves to the rising waters so that the world can begin again In Noah s Arkive Jeffrey J Cohen and Julian Yates examine the long history of imagining endurance against climate catastrophe as well as alternative ways of creating refuge They trace how the elements of the flood narrative were elaborated in medieval and early modern art text and music and now shape writing and thinking during the current age of anthropogenic climate change Arguing that the biblical ark may well be the worst possible exemplar of human behavior the chapters draw on a range of sources from the Epic of Gilgamesh and Ovid s tale of Deucalion and Pyrrha to speculative fiction climate fiction and stories and art dwelling with environmental catastrophe Noah s Arkive uncovers the startling afterlife of the Genesis narrative written from the perspective of Noah s wife and family the animals on the ark and those excluded and so left behind to die This book of recovered stories speaks eloquently to the ethical and political burdens of living through the Anthropocene Following a climate change narrative across the millennia Noah s Arkive surveys the long history of dwelling with the consequences of choosing only a few to survive in order to start the world over It is an intriguing meditation on how the story of the ark can frame how we think about environmental catastrophe and refuge conservation and exclusion offering hope for a better future by heeding what we know from the past **Official Report of the ... an innovative interdisciplinary model the author defines the notion of narrative analogy in relation to other literatures where it has been studied such as English Renaissance drama and makes extensive critical use of contemporary literary theory particularly that of the Russian formalist Vladimir Propp His exploitation of narrative doubling with a focus upon the metaphorical reorients our reading by uncovering a major dynamic in biblical literature The author examines several battle reports and demonstrates how each could be interpreted as an oblique commentary and metaphor for the non battle account that immediately precedes it Battle scenes are revealed to stand in metaphoric analogy with among others accounts of a trial a rape a drinking feast and a court deliberation Joshua Berman offers new insights to the ever growing concern with the relationship between historiography and literary strategies and succeeds in articulating a new aspect of biblical ideology concerning human and divine relationship *Christian Science Sentinel*, 1914 *The Millennial Chronological Bible Info Book* Walter Curtis Lichfield, 2005-03 The author presents a full and sequential examination of the most important and significant elements of the Bible Layman teacher and student of Biblical studies from the beginner to the most advanced will find much to dwell on within these pages Biblical Studies *United States Official Postal Guide* United States.
