(Norton Critical Editions) Abraham Lincoln, 2016-04-04 Bancroft Prize winning scholar David S Reynolds edits and introduces a broad selection of Abraham Lincoln's writings from his earliest days through his last. Lincoln's Selected Writings includes a rich selection of his public and private letters, speeches, eulogies, proposals, debate transcriptions, addresses including the First and Second Inaugurals, and more. The texts are accompanied by explanatory annotations, a detailed preface, a note on the texts, and a list of abbreviations. Lincoln's writings are followed by contemporary responses to him in poems, songs, and articles; representations of Lincoln in modern imaginative and nonfiction writing; and selections from recent cross-disciplinary studies of Lincoln, including discussions of his literary techniques and oratorical style, as well as examinations of his political evolution in new cultural and social contexts. Among the many contributors are Horace Greeley, Jesse Hutchinson, Nathaniel Hawthorne, Karl Marx, Ralph Waldo Emerson, Harriet Beecher Stowe, Victor Hugo, and Walt Whitman. Modern Views presents sixteen major interpretations of Lincoln's life, work, and legacy, carefully chosen to promote discussion. The contributors are Carl Sandburg, Allen C. Guelzo, James Oakes, Gillian Silverman, Richard N. Current, Harold Holzer, Sean Wilentz, Eric Foner, Manisha Sinha, Robert A. Ferguson, Gabor Boritt, James McPherson, Stephen Cushman, Faith Barrett, David S. Reynolds, and Richard Carwardine, and Jay Sexton. A chronology, selected bibliography, and index are also included.

Lincoln in the Illinois Legislature Ron J. Keller, 2019-03-19 In this indispensable account of Abraham Lincoln's earliest political years, Ron J. Keller reassesses Lincoln's arguably lackluster legislative record during four terms in the Illinois House of Representatives to reveal how the underpinnings of his temperament, leadership skills, and political acumen were bolstered on the statehouse floor. Due partly to Lincoln's own reserve and partly to an unimpressive legislative tally, Lincoln's time in the state legislature has been largely neglected by historians more drawn to other early hallmarks of his life, including his law career, his personal life, and his single term as a U.S. congressman in the 1840s. Of about sixteen hundred bills, resolutions, and petitions passed from 1834 to 1842, Lincoln introduced only about thirty of them. The issue he most ardently championed and shepherded through the legislature, the internal improvements system, left the state in debt for more than a generation. Despite that spotty record, Keller argues, it was during these early years that Lincoln displayed and honed the traits that would allow him to excel in politics and ultimately define his legacy: honesty, equality, empathy, and leadership. Keller reanimates Lincoln's time in the Illinois legislature to reveal the formation of Lincoln's strong character and political philosophy in those early years, which allowed him to rise to prominence as the Whig party's floor leader regardless of setbacks and to build a framework for his future. Lincoln in the Illinois Legislature details Lincoln's early political platform and the grassroots campaigning that put him in office. Drawing on legislative records, newspaper accounts, speeches, letters, and other sources, Keller describes Lincoln's positions on key bills, highlights his colleagues' perceptions of him, and depicts the relationships that grew out of his statehouse interactions. Keller's research delves into Lincoln's popularity as a citizen of New Salem, his political alliances and victories, his antislavery stirrings, and his personal joys and struggles as he sharpened

his political shrewdness Keller argues Lincoln's definitive political philosophies economic opportunity and the right to rise democratic equality and to a lesser extent his hatred of slavery took root during his legislative tenure in Illinois Situating Lincoln's tenure and viewpoints within the context of national trends Keller demonstrates that understanding Lincoln's four terms as a state legislator is vital to understanding him as a whole

Rivers of Sand Christopher D. Haveman, 2020-07-01

At its height the Creek Nation comprised a collection of multiethnic towns and villages with a domain stretching across large parts of Alabama Georgia and Florida By the 1830s however the Creeks had lost almost all this territory through treaties and by the unchecked intrusion of white settlers who illegally expropriated Native soil With the Jackson administration unwilling to aid the Creeks while at the same time demanding their emigration to Indian territory the Creek people suffered from dispossession starvation and indebtedness Between the 1825 Treaty of Indian Springs and the arrival of detachment six in the West in late 1837 nearly twenty three thousand Creek Indians were moved voluntarily or involuntarily to Indian territory Rivers of Sand fills a substantial gap in scholarship by capturing the full breadth and depth of the Creeks collective tragedy during the marches westward on the Creek home front and during the first years of resettlement Unlike the Cherokee Trail of Tears which was conducted largely at the end of a bayonet most Creeks were relocated through a combination of coercion and negotiation Hopelessly outnumbered military personnel were forced to make concessions in order to gain the compliance of the headmen and their people Christopher D Haveman's meticulous study uses previously unexamined documents to weave narratives of resistance and survival making Rivers of Sand an essential addition to the ethnohistory of American Indian removal

The life the health the intelligence and the morals of the nation count for more than riches and I would rather have this country free from want and squalor and unemployed than the home of multi millionaires Richard Seddon 1905 Casting a long shadow over New Zealand history Richard John Seddon Premier from 1893 to his untimely death in 1906 held a clear vision for the country he led Pushing New Zealand in more egalitarian directions than ever before he was both the builder and the maintenance man if not the architect of our country Challenging popular opinion of New Zealand's longest serving Prime Minister as a ruthless pragmatist cunning misogynist and Imperialistic jingoist this landmark biography of Seddon presents an altogether more sympathetic erudite appraisal Reconciling two generations of New Zealand scholarship Richard Seddon King of God's Own demonstrates that while holding fast to common ideals Seddon was successful by mastering the art of the possible He knew instinctively what his electorate would tolerate and remained in step with public opinion Despite contradictions in his attitudes towards other races he fought to ensure privilege did not become entrenched in what he envisioned as a white man's utopia In this perceptive new evaluation political historian Tom Brooking explains Seddon's complex relationship with Maori and shows how he in fact held a progressively bi cultural vision for the future of God's Own Country Seddon was no saint Somewhat autocratic and given to petty nepotism he nevertheless remains the most dominant

political leader in our country's history Internationally his high profile within the Empire helped put New Zealand on the map Domestically he sought a middle ground between free market extremism and full blown socialism And more privately Seddon was a devoted family man his actions shaped much more by his supportive wife and assertive daughters than has previously been realised Richard Seddon King of God's Own is a superlative achievement in New Zealand history writing Absorbing wide ranging and beautifully articulated it reframes and repositions one of the founding fathers of modern New Zealand The definitive biography of one of New Zealand's most influential political leaders Paul Moon author of New Zealand in the Twentieth Century King of God's Own is a nuanced and generous assessment of our most famous Premier a man very much of his own time Gavin McLean co editor of the bestselling Frontier of Dreams The Story of New Zealand An excellent biography and a major revision of an important period in this country's history Barry Gustafson acclaimed biographer of Sir Keith Holyoake Sir Robert Muldoon and Michael Joseph Savage Also available as an eBook **The Wildlife Techniques Manual** Nova J.
