The Dilettante of Cruelty: Deserts Christopher Bernard,1996 Small Press Review ,1997 **A Directory of American Poets and Fiction Writers** Poets and Writers, Inc. Staff,2003 Resource THE DIRECTORY OF AMERICAN POETS FICTION WRITERS is a required resource for any arts or presenting organization looking for literary readers as well as for all publishers seeking to solicit work from the best American writers In additon writers can use the book to find the right writing mentor and connect with other writers When I directed my first arts program the Directory delivered the addresses and phone numbers of writers I loved but couldn t find How many writers and audiences are robbed without the information between these covers Cornelius Eady co founder and co director Cave Canem and author of Brutal Imagination **Poetry** Harriet Monroe,1996 **Visions International** ,1997 The Empire Makers Hume Nisbet,1900 *The Empire Makers* Hume Nesbit,2019-12-18 In *The Empire Makers* Hume Nesbit crafts a vivid narrative that intricately weaves themes of ambition imperialism and the human condition against the backdrop of the British Empire s expansion Employing a rich descriptive literary style Nesbit engages readers with his insightful character development and a plot that intertwines the personal aspirations of his protagonists with the broader socio political dynamics of the era The novel reflects the anxieties and challenges of the early 20th century exploring the moral dilemmas faced by those who sought to extend their dominion over distant lands showcasing a time when national pride often clashed with ethical considerations Hume Nesbit an author of various genres was deeply influenced by his experiences growing up during the height of the British Empire His travels and keen observations of the sociopolitical forces at play ignited a fascination with the complexities of power and its impact on individuals These elements are palpable in *The Empire Makers* where Nesbit s narratorial voice melds with historical context enriching the reader s understanding of the motivations behind imperial pursuits For readers intrigued by historical fiction that grapples with timeless questions of morality loyalty and the consequences of ambition *The Empire Makers* is an essential read Nesbit s adept handling of narrative and character allows for a compelling exploration of an empire s impact making this novel a significant contribution to both literary and historical discourse inviting thoughtful reflection on contemporary parallels In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read The Anglo American ,1846 Jews and Their Foodways Anat Helman,2015-10-28 Food is not just a physical necessity but also a composite commodity It is part of a communication system a nonverbal medium for expression and a marker of special events Bringing together contributions from fourteen historians anthropologists sociologists and literary critics Volume XXVIII of *Studies in Contemporary Jewry* presents various viewpoints on the subtle and intricate relations between Jews and their foodways The ancient Jewish community ritualized and codified the sphere of food by regulating specific and detailed culinary laws Judaism extended and accentuated food s cultural

meanings Modern Jewry is no longer defined exclusively in religious terms yet a decrease in the role of religion including kashrut observance does not necessarily entail any diminishment of the role of food On the contrary as shown by the essays in this volume choices of food take on special importance when Jewish individuals and communities face the challenges of modernity Following an introduction by Sidney Mintz and concluding with an overview by Richard Wilk the symposium essays lead the reader from the 20th century to the 21st across Europe the Middle East Africa and North America Through periods of war and peace voluntary immigrations and forced deportations want and abundance contemporary Jews use food both for demarcating new borders in rapidly changing circumstances and for remembering a diverse heritage Despite a tendency in traditional Jewish studies to focus on high culture and to marginalize low culture Jews and Their Foodways demonstrates how an examination of people s eating habits helps to explain human life and its diversity through no less than the study of great events the deeds of famous people and the writings of distinguished rabbis **Prize Stories** ,1922
