The Discretionary Economy A Normative Theory Of Political Economy

Didier Musso

The Discretionary Economy A Normative Theory Of Political Economy:

The Discretionary Economy Marc Tool, 2018-10-08 The Discretionary Economy argues that we do in fact control our own political and economic destinies As a community we have discretion over policies that determine whether an economic process adequately provides for the necessities of life We also determine who participates in normative public judgments and whether decisions distinguish between what is and what ought to be Tool argues that we must continuously organize the institutional structures through which economic and political functions in the social process are carried on We must exercise discretion by creating and modifying institutions that coordinate our behavior To exercise discretion effectively requires that we employ distinctively American economic political and philosophical theory In this volume the pivotal twentieth century contributors to this encompassing theory of political economy are Thorstein Veblen John Dewey Clarence Ayres and R Fagg Foster This volume presents in detail their analytical and philosophical perspective on social change A major purpose of this volume is to compare and contrast the American tradition with the traditions of capitalism Marxism and fascism demonstrating that the former can resolve compelling economic and political problems and the latter two cannot This book explains how to identify and analyze social economic and political problems confronted in all communities and how to go about framing and implementing structural adjustments in the political economy It will be of interest to students in non traditional courses in political economy including institutional economics contemporary social problems economics and social policy methodology and contemporary economic thought

The Discretionary Economy Marc R Tool, 1985-12-16 Tool professor emeritus California State University introduces students to social political economic and ecological problems to ways of understanding the causes and to creating institutional solutions He analyzes the perspectives of Thorstein Veblen John Dewey Clarence Ayers and R Fagg Foster comparing the American tradition with the traditions of capitalism Marxism and fascism demonstrating that capitalism can most successfully resolve economic and political problems Of interest to students in non traditional courses in political economy and in economics and social policy Originally published in 1979 by Goodyear Publishing Company This edition contains a brief new introduction by the author c Book News Inc

Discretionary Economy, 2001 *Encyclopedia of Political Economy* Phillip O'Hara, 1999-02-04 This groundbreaking Encyclopedia is the very first fully refereed A Z compendium of the main principles concepts problems institutions schools and policies associated with political economy Based on developments in political economy since the 1960s it is designed to provide a comprehensive introduction to the field as well as being an authority

A Modern Guide to Post-Keynesian Institutional Economics Whalen, Charles J., 2022-04-19 This Modern Guide advances Post Keynesian Institutional economics an integrative tradition inspired by keen economic observers such as John Kenneth Galbraith Joan Robinson and Hyman Minsky that bridges Institutional and Post Keynesian economics The tradition proved its worth by addressing the global financial crisis of 2007 2009 as well as by analyzing long term trends accompanying the evolution of investor driven

money manager capitalism including financialization spreading worker insecurity and rising inequality The book begins with the history and contours of Post Keynesian Institutionalism and then breaks new ground extending recent analyses of contemporary economic problems sharpening concepts and methods sketching new theories and synthesizing ideas across research traditions

Reintroducing Macroeconomics Steven Mark Cohn, 2015-01-28 This lively introduction to heterodox economics provides a balanced critique of the standard introductory macroeconomic curriculum In clear and accessible prose it explains many of the key principles that underlie a variety of alternative theoretical perspectives including institutionalist economics radical economics Post Keynesian economics feminist economics ecological economics Marxist economics social economics and socioeconomics Because the book's structure parallels the chapters and subject matter presented in a typical introductory macroeconomics textbook Reintroducing Macroeconomics provides readers with a running commentary on the standard approach while simultaneously introducing them to a broader range of ideas about the causes and appropriate policy responses to a wide range of common economic problems Although designed primarily as a companion volume for students in introductory economics courses the book can also be used effectively for more targeted applications that highlight a particular economic issue or approach It will be of particular interest to students in related disciplines such as American Studies anthropology black studies environmental studies gender studies history political science and sociology who may be required to take introductory economics classes and who are interested in gaining an alternative perspective By demonstrating the vitality and common ground underlying a broad spectrum of heterodox approaches Reintroducing Macroeconomics brings alternative perspectives into the classroom in an accessible way that empowers students to think about the economy in new and exciting ways The text includes end of chapter study questions as well as a detailed note to instructors

The Methodology of Economic Thought Marc Reed Tool, Warren J. Samuels, 1989-01-01 This collection of articles taken from the Journal of Economic Issues offers both a fresh perspective and a persuasive diagnosis on economic methodology It simultaneously presents institutional economists approaches to economic inquiry and policy as well as a running critique of conceptual flaw and inadequacies of the traditional orthodox neoclassical approach that dominates college curriculums and media

Institutional Economics: Theory, Method, Policy Marc R. Tool, 2007-07-27 The volume appraises refines and extends the institutionalist's evolutionary theory of political economy in six different areas of inquiry a the provision of a fresh and comparative overview of institutional economics in general b the presentation and refinement of pragmatic methods of inquiry c the exploration of extensions and clarifications of instrumental value theory d the distillation of an emergent institutionalist theory of labor markets e the explication of a culture based theory of economic development and f the formulation of an analytical design that provides direction for institutional policy making Institutional Economics Theory Method Policy appears at an especially opportune time when there is widespread and accumulating analytical dissatisfaction with received economic doctrine The traditional neoclassical and

Marxist views of how to explain order and operate a political economy are now in question throughout the world Appeals are being made for more relevant and pragmatic less doctrinaire and dogmatic approaches to economic inquiry and problem solving This volume provides fresh theoretical underpinnings for such problem solving efforts Economics of Water Resources Mary E. Renwick, 2018-01-18 Water is becoming an increasingly scarce commodity in many parts of the world Population growth plus a growing appetite for larger quantities of cheap water quality as a result of urban industrial and agricultural pollution coupled with increasing environmental demands have further reduced usable supplies This book brings together thirty of the best economic articles addressing water scarcity issues within the US and Mexico By touching on a number of different issues this volume clearly articulates the need for improving existing institutional arrangements as well as for developing new arrangements to address growing water scarcity problems **Economics in the Long Run** Theodore Rosenof, 2000-11-09 Though understandably preoccupied with the immediate problems of the Great Depression the generation of economists that came to the forefront in the 1930s also looked ahead to the long term consequences of the crisis and proposed various solutions to prevent its recurrence Theodore Rosenof examines the long run theories and legacies of four of the leading members of this generation John Maynard Keynes of Great Britain who influenced the New Deal from afar Alvin Hansen and Gardiner Means who fought over the direction of New Deal policy and Joseph Schumpeter an opponent of the New Deal Rosenof explores the conflicts that arose among long run theorists arguing that such disputes served eventually to set the stage for the emergence and domination of a short run Keynesian approach to economic policy that collapsed under the impact of 1970s stagflation Tracing the subsequent revival of long run theories Rosenof demonstrates their relevance to an understanding of the economy's problems over the past quarter century and to the current debate over public policy Originally published in 1997 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

While this might not be the The Discretionary Economy A Normative Theory Of Political Economy full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Discretionary Economy A Normative Theory Of Political Economy eBooks, including some popular titles.

FAQs About The Discretionary Economy A Normative Theory Of Political Economy Books

What is a The Discretionary Economy A Normative Theory Of Political Economy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Discretionary Economy A Normative Theory Of Political Economy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Discretionary Economy A Normative Theory Of Political Economy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Discretionary Economy A Normative Theory Of Political Economy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Discretionary Economy A Normative Theory Of Political Economy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
