The Divine Liturgy Of St Basil The Great:

The Divine Liturgy of St. Basil the Great Joseph Irvin, 2017-07-05 That St Basil composed a Liturgy or rather reformed an existing Liturgy is beyond doubt since besides the constant tradition of the Byzantine Church there are many testimonies in ancient writings to establish the fact In a treatise on the tradition of the Divine liturgy attributed to St Proclus it is stated that when St Basil noticed the slothfulness and degeneracy of men how they were wearied by the length of the liturgy he shortened it in order to cure their sloth It is not known precisely just what the nature of Basil s reform was According to the tradition of the Orthodox Church their Liturgy is practically the work of St Basil This is older than either of the other two Byzantine Liturgies Chrysostom and the Presanctified and is mentioned under the name of St Basil in ancient times as if it were then the normal Liturgy Since the Liturgy of St John Chrysostom has become the normal liturgy of the Byzantine Church that of St Basil is now used only ten times a year

The Divine Liturgies of Saint John Chrysostom and Saint Basil the Great Ss John Chrysostom and Basil the Great, 2015-03-20 Published by the Institute for Orthodox Christian Studies Cambridge this translation into modern English is of the two major Liturgies of the Orthodox Church that of St John Chrysostom died 407 A D which is used on most occasions when the communion is celebrated and the fuller Liturgy attributed to St Basil the Great died 379 A D now used on 1 January the Feast Day of the Saint on the first five Sundays of Great Lent and on Holy Saturday Both liturgies express the essence of the Orthodox Christian faith and have been in use since the early centuries of the Christian era St Basil s Liturgy was for many centuries the most used that of St John Chrysostom taking priority only in the early medieval period Though both have had material added to them recent scholarship by comparing phrases and expressions in the liturgies with works undoubtedly by the two saints have established that the traditional attributions are likely to be correct These two translations into modern English were first commissioned by Archbishop Gibran Ramlawi for the Antiochian Orthodox Archdiocese of Australasia to meet a need expressed by the youth of the archdiocese for an elegant and intelligible translation of the services into a modern English that worshippers and visiting friends from varied ethnic backgrounds might find comprehensible and moving On the publication of the St John Chrysostom Liturgy in its modern version Philip Tovey in his review for NEWS OF LITURGY wrote This English version of the Orthodox Liturgy is done by David Frost to the high standard we might expect It is a fresh translation which brings the liturgy to life Indeed the move to good Modern English shows the Orthodox Liturgy to be something living rather than looking like a fossil This translation is another great help in our appreciation of the Divine Liturgy This collection also contains translations of the short hymns troparia and kontakia that are used on the Sundays and Great Feasts of the Church s year The text is intended as the foundation English version to be used in a project of the Institute for Orthodox Christian Studies Cambridge to provide parallel texts of the Liturgy for use in the various ethnic Orthodox Churches in Great Britain whereby texts authorized by each Church can be paired with a common English translation of quality that can establish itself
