New Orleans in Golden Age Postcards Matthew Griffis, 2020-09-22 *New Orleans in Golden Age Postcards* showcases over three hundred vintage postcard images of the city printed in glorious color From popular tourist attractions restaurants and grand hotels to local businesses banks churches neighborhoods civic buildings and parks the book not only celebrates these cards visual beauty but also considers their historic value After providing an overview of the history of postcards in New Orleans Matthew Griffis expertly arranges and describes the postcards by subject or theme Focusing on the period from 1900 to 1920 the book is the first to offer information about the cards many publishers More than a century ago people sent postcards like we make phone calls today Many also collected postcards even trading them in groups or clubs Adorned with colorized views of urban and rural landscapes postcards offered people a chance to own images of places they lived visited or merely dreamed of visiting Today these relics remain one of the richest visual records of the last century as they offer a glimpse at the ways a city represented itself They now appear regularly in art exhibits blogs and research collections Many of the cards in this book have not been widely seen in well over a century and many of the places and traditions they depict have long since vanished

Matisse in Morocco Jeff Koehler, 2025-06-03 The remarkable and little known story of the two groundbreaking winters that Henri Matisse spent painting in Morocco a fertile period that transformed his art and marked his work until the very end In winter of 1912 Henri Matisse forty two nearing mid career and yet to find lasting critical acceptance public admiration or financial security since exploding to the forefront of the avant garde in 1905 with his iconoclastic Fauve paintings was struggling Once the vanguard leader the Parisian avant garde now considered him pass His important early collectors including Gertrude and Leo Stein had stopped buying his work and were fully championing Picasso and he had exhibited little in the last few years In the face of Cubism that was now dominating the art scene Matisse needed to get away from Paris in order to advance his distinctive artistic vision Almost on a whim he went to Tangier Matisse had already been profoundly inspired by Islamic art and was primed for his arrival in the Moroccan city where such art was integrated into everyday life Despite the challenges of rain insomnia depression and finding models the sojourn was such a success he returned the following winter which would lead to even greater artistic triumph *Matisse in Morocco* tells the story of the artist s groundbreaking time in Tangier and how it altered Matisse s development as a painter and indelibly marked his work for the next four decades Through Koehler s research and travel we experience Matisse s time in Tangier the paintings and their subjects his relationships with his wife Am lie and his two important collectors and then come to understand the impact Morocco its light colors culture and artistic traditions had on his art From *Landscape Viewed From a Window to Zorah on the Terrace* from *Kasbah Gate* to the dream like tableau *Moroccan Caf* these works from Morocco are now recognized as some of the most significant and dazzling of Matisse s illustrious career

Understanding Truman Capote Thomas Fahy, 2014-06-18 Does an admirable job of examining Capote as a writer whose work reflects America of the late 1940s and 1950s more deeply than previously thought Ralph F Voss author of Truman Capote and the Legacy of In Cold Blood Truman Capote and his most famous works In Cold Blood and Breakfast at Tiffany's continue to have a powerful hold over the American popular imagination along with his glamorous lifestyle which included hobnobbing with the rich and famous and frequenting the most elite nightclubs in Manhattan In Understanding Truman Capote Thomas Fahy offers a way to reconsider the author's place in literary criticism the canon and the classroom By reading Capote's work in its historical context Fahy reveals the politics shaping his writing and refutes any notion of Capote as disconnected from the political Instead this study positions him as a writer deeply engaged with the social anxieties of the postwar years It also applies a highly interdisciplinary framework to the author's writing that includes discussions of McCarthyism the Lavender Scare automobile culture juvenile delinquency suburbia Beat culture the early civil rights movement female sexuality as embodied by celebrities such as Marilyn Monroe and atomic age anxieties This new approach to studying Capote will be of interest in the fields of literature history film suburban studies sociology gender sexuality studies African American literary studies and American and cultural studies Capote's writing captures the isolation marginalization and persecution of those who deviated from or failed to achieve white middle class ideals and highlights the artificiality of mainstream idealizations about American culture His work reveals the deleterious consequences of nostalgia the insidious impact of suppression the dangers of Cold War propaganda and the importance of equal rights Ultimately Capote's writing reflects a critical engagement with American culture that challenges us to rethink our understanding of the 1940s and 1950s

The Southern Haunting of Truman Capote Marie Rudisill, 2000-10-01 Like many Southern writers of the 1930s and 1940s who as a group created the richest most memorable body of regional literature in the history of American letters Truman Capote eventually journeyed northward As the years passed Capote's moorings to his Southern past grew weaker and weaker and he deliberately cut himself off from the people and places that provided fodder for much of his early fiction The Southern Haunting of Truman Capote is a thoughtful reflection on the literary origins of four of Capote's important early works A Christmas Memory The Grass Harp Children on Their Birthdays and Other Voices Other Rooms in light of the boyhood experiences that inspired them Marie Rudisill a younger sister of Capote's mother was the only one of her nephew's companions to have known him well his entire life Because of this close relationship she gained a unique perspective on her nephew's development as one of America's leading

novelists Written at the encouragement of Capote's longtime editor Joe Fox *The Southern Haunting* of Truman Capote provides a useful point of view for understanding Capote's work **On Lightness in World Literature** B. Scott, 2013-11-07

Despite the apparent ubiquity of light literature and despite the greater cultural prestige it has been afforded in recent decades very little has been written on the adjective that actually defines this category What precisely does it signify and what are some of the key strategies by which the effect of lightness is achieved within literary discourse In this original and engaging study Bede Scott explores the aesthetic quality of lightness as demonstrated by a diverse range of narratives spanning four different centuries and five different countries In each case he focuses on a specific type of lightness whether it be the refined triviality of Sei Shonagon's *Pillow Book* the ludic tendencies of Joaquim Maria Machado de Assis' *Posthumous Memoirs of Br's Cubas* or the exhilarating and primitive vitality of Voltaire's *Candide* By bringing together such disparate sources Scott makes a strong case for the universality of this particular aesthetic value while also subjecting its underlying structural features to close critical scrutiny [A Biography of Mrs Marty Mann](#) Sally Brown, David R. Brown, 2011-06-02

Marty Mann was the first woman to achieve long term sobriety in Alcoholics Anonymous and she inspired thousands of others especially women to help themselves The little known life of Marty Mann rivals a Masterpiece Theatre drama She was born into a life of wealth and privilege sank to the lowest depths of poverty and despair then rose to inspire thousands of others especially women to help themselves The first woman to achieve long term sobriety in Alcoholics Anonymous Marty Mann advocated the understanding that alcoholism is an issue of public health not morality In their fascinating book Sally and David Brown shed light on this influential figure in recovery history Born in Chicago in 1905 Marty was favored with beauty brains charisma phenomenal energy and a powerful will She could also out drink anyone in her group of social elites When her father became penniless she was forced into work landed a lucrative public relations position and a decade later was destitute because of her drinking She was committed to a psychiatric center in 1938 a time when the term alcoholism was virtually unknown the only known treatment was drying out and two men were compiling the book *Alcoholics Anonymous* Marty read it on the recommendation of psychiatrist Dr Harry Tiebout it was her first step toward sobriety and a long illustrious career as founder of the National Council on Alcoholism or NCA In the early 1950s journalist Edward R Murrow selected Marty as one of the 10 greatest living Americans Marty died of a stroke in 1980 shortly after addressing the AA international convention in New Orleans This is a story of one woman's indefatigable effort and indomitable spirit compellingly told by Sally and David Brown
