The Double Genesis:

The Double Portion Life Bruno Ierullo,2021-04-20 This book is a call to seek His face cry out for His presence and prepare ourselves for the glory in the anointing This is a call to all the nations and for us to be totally inundated with the transforming presence of God John ArnottAncient Keys to Living a Double Portion Life God has created you for more **The Double Voice of Her Desire** ,2019-05-21 To the attentive listener women s texts speak with a double voice Women are quite capable of telling a conventional story reflecting the expectations of the dominant culture However at the same time they tell their own muted story Such stories are fragments of resistance and anyone who has experience of living on the margins can track them down Such was the view of Fokkelien van Dijk Hemmes 1943 1994 This is a comprehensive collection of the late scholar s groundbreaking work in feminist biblical interpretation in English translation The essays document Van Dijk Hemmes development and show how her work relates to contemporary developments in feminist thinking There is a Foreword by Mieke Bal an in memoriam by Athalya Brenner and an overview of van Dijk Hemmes extensive output of books and articles completes the volume Fokkelien van Dijk Hemmes taught Women s Studies and Old Testament at the University of Utrecht Her pioneering work of feminist interpretation tragically cut short was highly influential both inside and outside the Netherlands Translated by David E Orton *The Double Model* Adimchi Onyenadum,2017-09-01 The question of the Godhead is a very heated issue in Christendom The field abounds with contrasts antitheses and confusion The majority of Christians are proponents of the Trinity But increasingly large numbers of them are abandoning the Trinity camp and questioning its validity In discussions and chat rooms for every verse one presents in favor of a particular theory of the Godhead one will encounter tens of scriptures contradicting or disproving them This is irrespective of the brand of Godhead being defended Trinity Binitarianism Oneness Unitarianism etc In one such public Internet forum as I was trying to present my own version of the Godhead God gave me a unique understanding of the subject and prompted me to turn my posts then into a book This is the book you are now about to read It examines God in seven divine dispensations Godhead is different in each dispensation At times God appears to be one Unitarianism at other times he seems to be two Binitarianism and still other times he is three Trinity At times it seems it is only Jesus and no one else Oneness Only this book combines all the theories of the Godhead into one glorious unity *These are the Generations* Matthew A. Thomas,2011-03-17 Using a combination of form critical and linguistic methods the author seeks to understand the role of the toledot formula often translated These are the generations of Name in shaping the book of Genesis and the Pentateuch as a whole An examination of the formula uncovers that it functions primarily as a heading to major sections of text and draws the readers attention to focus on an ever narrower range of characters By starting from the perspective of the surface structure of the text and addressing questions that investigation raises the study is able to uncover and resolve a number of tensions within the text as well as provide insights into a number of other questions surrounding the toledot headings and the organization of the

structure of the Pentateuch *A Text-book of Pathological Anatomy and Pathogenesis* Ernst Ziegler,1885 The Double Yoke Minnie Hunter-Jackson,2016-03-04 The Double Yoke is a Bible based fictional story depicting a teenager named Lydia whose household is changed by the transforming grace of God God s grace continues to abound igniting the faith of an elderly Jew named David The elder finds himself joined to a younger Christian grandson who is also named David At first David and his grandson David enjoyed the family bond brought about through the marriage of the older David s daughter and the younger David s father But the bond began to grow as the Jew and the Christian became secured in the enveloping grace found only in the green pasture provided by the Shepherd of shepherds The mantle of grace which God himself has stretched over mankind opened the heart of the pious Jew as the younger David shared the gospel message with his new grandfather Whenever grace appears the fires of love are set ablaze that no man can quench *The Poverty of Eros in Plato's Symposium* Lorelle D. Lamascus,2016-03-24 The Poverty of Eros in Plato s Symposium offers an innovative new approach towards Eros and the concept of Eros in the Symposium Lorelle D Lamascus argues that Plato s depiction of Eros as the child of Poverty penia and Resource poros is central to understanding the nature of love Eros is traditionally seen as self interested or acquisitive but this book argues instead that Eros and reason are properly in accord with one another The moral life and the philosophical life alike depend upon properly trained and directed Eros Lamascus demonstrates that the presentation of the nature of Poverty is essential to the nature of Eros in the Symposium doing this through in depth discussion of the major twentieth century interpretations of Platonic Eros The book shows that poverty provides an appropriate directing of Eros towards eternal and unchanging goods and away from an age geared towards material items and wealth and thus that Plato s mythical treatment of Eros in the Symposium lays the groundwork for understanding the soul s embrace of poverty as a way of living loving and knowing *Kingdom through Covenant (Second Edition)* Peter J. Gentry,Stephen J. Wellum,2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion The Body in Pain Elaine Scarry,1985 In this ground breaking meditation on pain and the literary philosophical political medical and religious vocabularies used to describe it Scarry analyzes physical pain within numerous contexts by examining a wide range of original sources ranging from court transcripts to Amnesty International testimony on the effects of torture The collected writings Samson Raphael Hirsch,1997
