Days of the Dragon D. K. Caldwell, 2012-09 It was as if she was looking at them through cloudy water Suddenly the letters came back into focus but now the words made sense As she stood with the staff in one hand she pointed her other hand at the writing and read Here in stone lie the dragons waiting for their knights to return By the blood of the knight shall the dragon be reborn Now enter the Dragon Knight As she finished the last word she felt the staff in her hand rise into the air and then slam down into the stone floor with a loud bang Then suddenly the light in the cave was gone and she felt the stone beneath her feet fall away Assigned by their father to help clean up part of a newly discovered ancient city sisters Erica and Elisabeth stumble into a cave above the city and accidentally awaken two great red dragons With the dragons awake magic returns to the earth But what the sisters aren't prepared for is that along with magic an ancient enemy the Speculons will also return to Earth Now the only hope for Earth is to awaken the rest of the sleeping dragons hidden around the world Erica must use her newfound powers and her dragon to find and awaken each of the remaining dragons They must reopen Heaven's Gate a gateway to the magical worlds of mythical beings Only by uniting the worlds of Heaven's Gate once more can an army with enough magic be raised that has any hope of defeating the Speculons Join author D K Caldwell in the adventure of a lifetime as you discover the Days of the Dragons
