The Dream Tree:

Tapping the Dream Tree Charles de Lint, 2007-04-01 This collection from the World Fantasy award winning author of *The Onion Girl* contains lucid transfiguration of folklore and myth into fantasy tales Booklist Charles de Lint's urban fantasies including *Moonheart Forests of the Heart* and *The Onion Girl* have earned him a devoted following and critical acclaim as a master of contemporary magical realism At the heart of his work is the ongoing Newford series of which this is the latest volume The city of Newford could be any contemporary North American city except that magic lurks in its music in its art in the shadows of its grittiest streets where mythic beings walk disguised And its people are like you and me each looking for a bit of magic to shape their lives and transform their fate In this volume we meet a bluesman hiding from the devil a Buffalo Man at the edge of death a murderous ghost looking for revenge a wolf man on his first blind date and many more We're reunited with Jilly Geordie Sophie the Crow Girls and other characters whose lives have become part of the great Newford myth And De Lint takes us beyond Newford's streets to the pastoral hills north of the city where magic and music have a flavor different but powerful still Gracefully told and filled with unforgettable and convincing characters Library Journal

The Dreaming Tree C. J. Cherryh, 1997-12-01 The classic fantasy duology combining *The Dreamstone* and *The Tree of Swords and Jewels* in an omnibus for the first time It was that transitional time of the world when man first brought the clang of iron and the reek of smoke to the lands which before had echoed only with fairy voices In that dawn of man and death of magic there yet remained one last untouched place the small forest of Ealdwood which kept the magic intact and protected the old ways And there was one who dwelt there Arafel the Sidhe who had more pride and love of the world as it used to be than any of her kind But fear of the world of Faery ran deep in the hearts of men and when Ciaran Cuilean Lord of Caer Wiell a man with Elvish blood in his veins found himself the object of increasing distrust and suspicion from his men his king and even his own family he knew he must once again put his humanity aside and return to Ealdwood For shadows of a newly awakened evil swarmed across both lands and unless Ciaran reclaimed his haunted weapons from the Tree of Swords and joined Arafel he would see this evil overtake not only the warm hearthstones of the mortal keeps but the silvery heart of Ealdwood itself
