The Mistress of Mayfair Lyndsy Spence, 2016-11-07

The plot could have been inspired by Evelyn Waugh's *Vile Bodies* but unlike Waugh's novel which parodies the era of the Bright Young Things *The Mistress of Mayfair* is a real life story of scandal greed corruption and promiscuity at the heart of 1920s and 30s high society focusing on the wily willful socialite Doris Delevingne and her doomed relationship with the gossip columnist Valentine Browne Viscount Castlerosse Marrying each other in pursuit of the finer things in life their unlikely union was tempestuous from the off rocked by affairs with a whole host of society figures including Cecil Beaton Diana Mitford and Winston Churchill amongst others on both sides and degenerated into one of London's bitterest and most talked about divorce battles In this compelling new book Lyndsy Spence follows the rise and fall of their relationship exploring their decadent society lives in revelatory detail and offering new insight into some of the mid twentieth century's most prominent figures

The Lady Loves Danger Anabelle Bryant, 2022-05-31 The society of daring women known as the Maidens of Mayhem dedicate their lives to protecting London's most vulnerable citizens from injustice United by secrecy and sisterhood these Regency era feminist Robin Hoods fight injustice wherever it takes them often putting their lives and their hearts in peril In this second installment from USA Today bestselling author Annabelle Bryant a lady and a gentleman search the darkest corners of London to save children from an abduction ring Lady Delilah Ashbrook is tirelessly searching the streets of London for a boy who vanished while under her care Suspecting the child was abducted to be sold Delilah hopes the Maidens can help find him before it's too late But Delilah's mission brings her into the crosshairs of a mysterious man who is also looking for the boy Sebastian St Allen certainly cuts a dashing figure But is he hoping to save the child or harm him Sebastian has his own reasons for protecting the less fortunate He has a gift for seamlessly navigating both London's darkest corners and its most elite circles But nothing prepared him for Delilah whose delicate beauty belies an independence and sensuality he finds irresistible Sebastian knows they can help each other if only she'll let her guard down And as they become entrenched in danger they realize how strong their ties have grown and how much they need one another
