As it is Acted at the Theatre in the Hay-Market** Henry Fielding, 1731 *Grub-Street Opera* Henry Fielding, 1731 **The Genuine Grub-street Opera ...** Henry Fielding, 1731 **The Grub-Street Opera** Henry Fielding, James Roberts, A. Dodd, 1755

The Genuine Grub-Street Opera. As it was Intended to be Acted at the New Theatre in the Hay-Market. Written by Scriblerus Secundus Henry Fielding, 1731 URI Theatre Presents The Grub Street Opera Henry Fielding, University of Rhode Island. Department of Theatre, Biscuit City Press, 1979 The Genuine Grub-street Opera Henry Fielding, 1731 *Plays* Henry Fielding, Arthur Murphy, 1806 The Grub-street Journal James Theodore Hillhouse, 1928 *Grub Street (Routledge Revivals)* Pat Rogers, 2014-05-01

First published in 1972 this is the first detailed study of the milieu of the eighteenth century literary hack and its significance in Augustan literature Although the modern term Grub Street has declined into vague metaphor for the Augustan satirists it embodied not only an actual place but an emphatic lifestyle Pat Rogers shows that the major satirists Pope Swift and Fielding built a potent fiction surrounding the real circumstances in which the scribblers lived and the importance of this aspect of their writing The author first locates the original Grub Street in what is now the Barbican and then presents a detailed topographical tour of the surrounding area With studies of a number of key authors as well as the modern and metaphorical development of the term Grub Street this book offers comprehensive insight into the nature of Augustan literature and the social conditions and concerns that inspired it *Love in several masques. 1728. The temple beau. 1730. The author's farce, and Pleasures of the town. 3d ed. 1750. The coffee-house politician. 1730. The tragedy of tragedies. 4th ed. 1751. The letter-writers. 1750* Henry Fielding, 1755 *The Golden and the Brazen World* John M. Wallace, 2023-11-15

The Golden and the Brazen World Papers in Literature and History 1650 1800 examines the evolving relationship between literature and history inspired by Sir Philip Sidney's Defence of Poetry Sidney's distinction between poetry's golden world which idealizes and conveys moral truths and history's brazen world focused on detailed but often confusing facts frames the central theme By the 18th century this rivalry had softened into a collaborative exchange with poets drawing on historical subjects for inspiration and historians using narrative techniques to enhance their work This interdisciplinary dialogue reflects their shared roots in moral philosophy and their complementary efforts to illuminate human experience The essays in this collection based on lectures from the Clark Library

showcase this intersection through specific case studies Topics range from Andrew Marvell's *The First Anniversary* and its political poetic implications to re-evaluations of John Dryden's *Absalom and Achitophel* Contributions also include Susan Staves exploration of legal history in 18th century marriage and James Chandler's analysis of Edmund Burke's influence on Wordsworth Together these essays reveal how literature and history shape and inform each other highlighting their combined potential to enrich intellectual and cultural understanding This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 Henry Fielding - Plays, Volume II, 1731 - 1734 Henry Fielding, 2004 This is the second of three volumes representing the only modern edition of Fielding's dramatic works Most of these plays have not appeared in print for a century and never previously in fully edited form Fielding is best known as a classic novelist and the author of *Tom Jones* but like his great model Cervantes he came to novel writing from an important first career in professional theatre He wrote twenty eight plays including comedies satiric extravaganzas and ballad operas He was the leading playwright of his generation an experimentalist and entrepreneur of dramatic form who sometimes also brought contemporary politics and public figures onto his stage with results even more dramatic off stage This volume presents nine plays from one of the most productive and successful periods of Fielding's theatre career One of them *The Grub Street Opera* is a ballad opera cheerfully mocking various public characters including the Prime Minister Prince of Wales and even King and Queen Another *The Modern Husband* is a dark comedy attacking the cynical merchandising of sex marriage and influence among what passes for polite society in 1730s London Most of the plays in this volume were major hits with long stage lives in repertory including *The Lottery* *The Intriguing Chambermaid* and two of the great Molière adaptations of the century *The Mock Doctor* and *The Miser* Fielding wrote all four of those plays as star vehicles for the great Drury Lane musical actress Catherine Clive The plays are given in critical unmodernized texts based on careful collation of the original editions with explanatory notes and commentary on sources stage history and critical reception All music is included with appendices giving complete accounts of textual variation and bibliographic history for each play
