The Chronicles of My Unique Life

Darlene House,2012-06 The author was raised in the San Fernando Valley of Southern California when the Valley was a wide open area of orange groves homes and estates The large estates were owned by the movie stars such as Roy Rogers and other stars in their heyday After marriage my husband and I desired to raise our family in a country atmosphere with a minuscule population We sold our first home in the valley in order to move to the tiny town of Acton in the mountainous countryside sixty miles north of Los Angeles The time line of book is 1928 to 2011 with many odd happening in our lives and unusual memories and pleasant days in the country We cleared the land put down a well and built our home ourselves and raised a family of four children Upon completion of the house it was necessary to move the home if we wished to continue living in it It was a new home and yes we wanted it but this proved to be frightening experience and a near tragic disaster This is only one of the many unusual happenings in our life in the country Unwanted animals are freely given to people who live in the country from friends In this manner we acquired a burro that soon gave birth to a strong baby burro on its first day of birth kicked our young son and knocked him down several dogs a beautiful horse and another burro Life in the country was always surprising and a pleasant place to raise a family sometimes difficult but nice We knew friends in a circle of twenty miles in every direction Our two sons still live in Acton our daughters have moved to the beach cities in California
