Hollywood and the CIA Oliver Boyd Barrett,David Herrera,James Baumann,2011-03 This book investigates representations of the Central Intelligence Agency CIA in Hollywood films and the synergies between Hollywood product U S military defense interests and U S foreign policy As probably the best known of the many different intelligence agencies of the US the CIA is an exceptionally well known national and international icon or even brand one that exercises a powerful influence on the imagination of people throughout the world as well as on the creative minds of filmmakers The book examines films sampled from five decades the 1960s 1970s 1980s 1990s and 2000s and explores four main issues the relative prominence of the CIA the extent to which these films appeared to be overtly political the degree to which they were favorable or unfavorable to the CIA and their relative attitude to the business of intelligence A final chapter considers the question do these Hollywood texts appear to function ideologically to normalize the CIA If so might this suggest the further hypothesis that many CIA movies assist audiences with reconciling two sometimes fundamental opposites often gruesome covert CIA activity for questionable goals and at enormous expense on the one hand and the values and procedures of democratic society on the other This interdisciplinary book will be of much interest to students of the CIA Intelligence Studies media and film studies US politics and IR Security Studies in general *Motion Picture Series and Sequels* Bernard A. From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today s Golden Age of Video all described with Michael Weldon s dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan *Harry Alan Towers* Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives **I Was a Monster Movie Maker** Tom Weaver,2010-06-21 Phil Brown who played Luke Skywalker s uncle in Star Wars said In my long life in films there are ones I m proud of and those I m not proud of The Jungle Captive and Weird Woman fall into the latter category House of Wax co star Paul Picerni was fired by the film s director when he refused to put his head in a working guillotine during a climactic fight scene Packed with wonderful tidbits this volume collects 22 interviews with the moviemakers responsible for bringing such films as This Island Earth The Haunting Carnival of Souls Pit and the Pendulum House of Wax Tarzan the Ape Man The Black Cat Them and Invasion of the Body Snatchers to the movie screen Faith Domergue Michael Forest Anne Helm Candace Hilligoss Suzanna Leigh Norman Lloyd Maureen O Sullivan Shirley Ulmer Dana Wynter and many more are interviewed **New York Magazine** ,1987-09-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Black Like You John Strausbaugh,2007-08-16 A refreshingly clearheaded and taboo breaking look at race relations reveals that American culture is neither Black nor White nor Other but a mix a mongrel Black Like You is an erudite and entertaining exploration of race relations in American popular culture Particularly compelling is Strausbaugh s eagerness to tackle blackface a strange often scandalous and now taboo entertainment Although blackface performance came to be denounced as purely racist mockery and shamefacedly erased from most modern accounts of American cultural history Black Like You shows that the impact of blackface on American culture was deep and long lasting Its influence can be seen in rock and hip-hop in vaudeville Broadway and gay drag performances in Mark Twain and gangsta lit in the earliest filmstrips and the

2004 movie *White Chicks* on radio and television in advertising and product marketing and even in the way Americans speak Strausbaugh enlivens themes that are rarely discussed in public let alone with such candor and vision American culture neither conforms to knee jerk racism nor to knee jerk political correctness It is neither Black nor White nor Other but a mix a mongrel No history is best forgotten however uncomfortable it may be to remember The power of blackface to engender mortification and rage in Americans to this day is reason enough to examine what it tells us about our culture and ourselves Blackface is still alive Its impact and descendants including Black performers in whiteface can be seen all around us today

Arab Americans in Film Waleed F. Mahdi, 2020-10-21 Selected for Arab America's Best Arab American Books of 2020 list It comes as little surprise that Hollywood films have traditionally stereotyped Arab Americans but how are Arab Americans portrayed in Arab films and just as importantly how are they portrayed in the works of Arab American filmmakers themselves In this innovative volume Mahdi offers a comparative analysis of three cinemas yielding rich insights on the layers of representation and the ways in which those representations are challenged and disrupted Hollywood films have fostered reductive imagery of Arab Americans since the 1970s as either a national security threat or a foreign policy concern while Egyptian filmmakers have used polarizing images of Arab Americans since the 1990s to convey their nationalist critiques of the United States Both portrayals are rooted in anxieties around globalization migration and US Arab geopolitics In contrast Arab American cinema provides a more complex realistic and fluid representation of Arab American citizenship and the nuances of a transnational identity Exploring a wide variety of films from each cinematic site Mahdi traces the competing narratives of Arab American belonging how and why they vary and what's at stake in their circulation

The Unheard Josh Swiller, 1994-09-30 A young man s quest to reconcile his deafness in an unforgiving world leads to a remarkable sojourn in a remote African village that pulsates with beauty and violence These are hearing aids They take the sounds of the world and amplify them Josh Swiller recited this speech to himself on the day he arrived in Mununga a dusty village on the shores of Lake Mweru Deaf since a young age Swiller spent his formative years in frustrated limbo on the sidelines of the hearing world encouraged by his family to use lipreading and the strident approximations of hearing aids to blend in It didn t work So he decided to ditch the well trodden path after college setting out to find a place so far removed that his deafness would become irrelevant That place turned out to be Zambia where Swiller worked as a Peace Corps volunteer for two years There he would encounter a world where violence disease and poverty were the mundane facts of life But despite the culture shock Swiller finally commanded attention everyone always listened carefully to the white man even if they didn t always follow his instruction Spending his days working in the health clinic with Augustine Jere a chubby world weary chess aficionado and a steadfast friend Swiller had finally found he believed a place where his deafness didn t interfere a place he could call home Until that is a nightmarish incident blasted away his newfound convictions At once a poignant account of friendship through adversity a hilarious comedy of errors and a gripping narrative of escalating violence The Unheard is an unforgettable story from a noteworthy new talent
