 R. O'Day,2021-03-05 About this Book Gail R O Day s *Revelation in the Fourth Gospel* set the stage for a new literary  
 paradigm in Johannine studies which has carried over into disciplinary advances in gospel criticism overall With the addition  
 of eight key Johannine essays and a state of the art introduction by Alan Culpepper this new publication as Volume 9 in the  
 Johannine Monograph Series advances a fuller appreciation of her important work on John and new literary biblical analyses  
 overall From the Preface What becomes apparent in an overview of Gail O Day s work is her keen analysis of relations and  
 functions of literary themes and features within the Gospel of John as they further its rhetorical thrust elucidating its  
 meaning Whereas diachronic approaches to John have tended to compartmentalize and divide sections and literary forms O  
 Day shows time and again how things worked synchronically within John s story of Jesus challenging misinterpretations and  
 opening doors to understanding more fully its message The present collection highlights the dialectics between narrative and  
 theology time and space and characters and plot in the Fourth Gospel clarifying their tense presentations within this classic  
 narrative      Scientific Canadian Mechanics' Magazine and Patent Office Record Canada. Patent Office,1887      Official
