The Heritage Of Luke:

Jesus and the Heritage of Israel David P. Moessner, 2020 In the first volume of this long anticipated collection by Moessner and Tiede seventeen leading scholars of antiquity present an amazing sea change of opinion that Luke is indeed the interpreter of Israel The book represents an unprecedented international consensus that the Hellenistic author Luke composed a carefully crafted narrative in two parts to claim Jesus of Nazareth as Israel's true heritage and enduring legacy to the world Part One explores the nature of Luke's prologues and his intention to write a narrative of events brought to fruition using the narrative conventions and audience expectations of the Greco Roman milieu Part Two illuminates the relation of Luke's second volume to the first by inquiring about the consistency and coherence of his narrative thematic strategies in retelling the story of Israel's legacy of the Christ Whether Luke completed Acts the larger role of Paul and most significantly the meaning of Israel by the end of Acts are approached from new perspectives and charged with provocative insights

The Heritage of Luke Truman Dayon Godwin, 1999-11-01 *Jesus and the Heritage of Israel* David P. Moessner, 1999-11-01 Seventeen leading international scholars collaborate in forming an emerging new consensus at the dawn of the millenium that Luke is the interpreter of Israel [The Heritage of Luke](#) Truman Dayon Godwin, 2015-09-08 Upon the sudden untimely death of her father Amy Sinclair learns of a curse that has doomed the males of the Sinclair family for more than two hundred years Determined to remove the threat to any children she might have someday Amy begins a search for a woman who can remove the curse Amy's Journey takes her to Haiti into the heart of a world she never knew existed where the ancient practice of Voodoo becomes both a dangerous threat and a promise of release from the curse of death This gripping tale offers back to back chills terrors and surprises as Amy risks her life to find the key that will unlock the deadly secret of The Heritage of Luke

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

Luke's Legato Historiography David Lee Brack, 2017-10-24 As the first century came to a close the church struggled with its identity due to its memories of a disconnected past As the church reflected on recent history it remembered the origins of Christianity as full of gaps and discontinuities leaving it to question

the validity of this new Jesus movement How did Jesus ministry relate to ancient Judaism What was the relationship between John the Baptist and Jesus What kind of transition occurred between Jesus and his followers How did the Holy Spirit relate to Jesus How could the controversial figure Paul have such an integral role in nascent Christianity How could a heavily Gentile church preach about the Messiah of Israel Using a musical metaphor this book demonstrates how Luke replies to these staccato narratives of the first century church with his own legato version of history Luke accomplishes this bridging of past events primarily through the ancient practice of rhetorical transitions and in the process reassures his audiences of the continuity of salvation history throughout the various stages of early Christianity *The Reign of God and Rome in Luke's Passion Narrative* Yong-sung Ahn, 2006-03-01 From a Korean perspective this book examines how Luke's Passion Narrative constructs the space-time of the Reign of God both in contest to and in compliance with that of Rome and shows how Luke's colonial relations complicate the Gospel's theological perspectives

The Followers of Jesus as the 'Servant' Holly Beers, 2015-02-26 Luke models his portrayal both of Jesus and his disciples in Luke Acts after the human agent of the Isaianic New Exodus in Isaiah 40 66 the servant In the Isaianic New Exodus the servant is integral to the restoration the servant's mission being embodied is to a great extent how the New Exodus comes to fruition The servant connection is at times explicit as Jesus is identified with the servant in Luke 4 18 19 quoting Isa 61 1 2 with 58 6 Luke 22 37 citing Isa 53 12 and Acts 8 32 33 Isa 53 7 8 Regarding the disciples Isa 49 6 is quoted by Paul in Acts 13 47 in reference to himself and Barnabas though a focus only on quotations is too limiting Allusions to servant passages abound This work argues that Luke sees Jesus fulfilling the servant role in an ultimate sense but that his followers modelled after him in Acts also embody it This can be seen in Luke's use of Isaianic servant imagery including suffering lack of violent response to unjust treatment and language in the disciples characterization

I John M. Studies on the Origin of Divine and Resurrection Christology Andrew Ter Ern Loke, 2023-08-29 The origin and development of divine and resurrection Christologies are among the most important and controversial issues in the study of Christianity One reason why there is a lack of consensus among scholars even though they have access to the same historical material is that different scholars analyze the material differently Building upon his previous monographs *The Origin of Divine Christology* Cambridge University Press 2017 and *Investigating the Resurrection of Jesus Christ* Routledge 2020 Andrew Loke demonstrates the fallacies of reasoning in the analyses of the works of numerous scholars such as Bart Ehrman Paula Fredriksen David Litwa Richard Carrier Raphael Lataster Daniel Kirk Matthew Larsen and Dale Allison Loke defends his proposal that a sizeable group of earliest Christians perceived that Jesus claimed and showed himself to be truly divine and resurrected and replies to objections to his previous works He contributes to the discussion on ancient Jewish monotheism exalted mediator figures comparison with Greco Roman literature Jesus mythicism Markan Christology the historical reliability of the New Testament as well as the use of philosophical and theological categories and the use of psychological studies on parallel apparitions cognitive dissonance mass hysteria pareidolia and memory for the study of early Christology

Luke's Demonstration to Theophilus Jenny Read-Heimerdinger, Josep Rius-Camps, 2013-04-25 This volume is the first complete English translation of the Codex Bezae version of Luke and Acts

Paul, the Temple, and Building a Metaphor David Anthony Basham, 2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a system of associated commonplaces about the Jerusalem temple Basham proposes that when Paul applies temple language to the Corinthians by calling them *naos theou* God's temple he sparks a creative process of interaction between the temple and the Corinthian assembly a process of selecting emphasizing and organizing information from the source domain temple to see the target domain the Corinthians in a new light Basham suggests that in understanding Paul's fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile inclusion we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers By exploring the construction of metaphor the depiction of the Jerusalem temple in Paul's letters and Judaeian religion among gentiles Basham demonstrates that Paul's temple metaphor speaks to a new cultic reality for gentiles in Christ that is linked to Israel's worship though detached from its actual expression in Jerusalem

The Story of Jesus Continues Douglas S. Huffman, 2025-04-15 A unique introduction to the Acts of the Apostles focusing on the book of Acts as an extension of the Jesus story With full color photographs maps and sidebars about history ancient literature and archaeological finds Douglas Huffman takes readers through different introductory and interpretive issues in the study of Acts including the genre purpose history culture and geographical setting of the story Equipped with these behind the scenes details in broad strokes the author traces Luke's well told recounting of the ongoing story of Jesus Sensitive to the purposes Luke had for his text as well as its connection to the Gospel of Luke Huffman concludes by demonstrating how the Jesus story is intended to continue

into the present Specifically designed as a textbook the volume includes chapter overviews and summaries discussion questions and assignments lists of key terms and a glossary Sacramental Charity, Creditor Christology, and the Economy of Salvation in Luke's Gospel Anthony Giambrone, 2017-07-20 In this work Anthony Giambrone investigates the appropriation and development of Jewish charity discourse in Luke's Gospel In contrast to previous scholarship neither the coherence of Lukan wealth ethics nor its contemporary actualization defines his study Instead the sacramental significance of almsgiving becomes the starting point for a more theologically oriented exegesis The end result recognizes Luke's Christological mutation of the inherited tradition The text is organized around three exegetical probes each handling parabolic material i e Luke 7:36-50 10:25-37 and 16:1-31 The author advances an approach to these parables that highlights Christological allegory metalepsis as a Lukan narrative device A break is thus implied with the dominant rationalist constructions of Luke's parabolic art and ethics Also in contrast to a dominant trend stress is laid upon Luke's Jewish rather than Greco-Roman context
