Fiore Sr., 2006-07-19 Track the history of the Chicago Great Western Railway through vintage images in this volume authored by David J Fiore Sr The Chicago Great Western Railway CGW was a Midwestern line that operated in Illinois Iowa Missouri Minnesota Kansas and Nebraska Although this territory was served by much larger systems the CGW was able to retain its share of passenger and freight business for 83 years through aggressive management dedicated employees innovations and efficient operations By the early 1960s however the growth of the trucking industry and airlines had taken away a substantial amount of the business previously handled by railroads The CGW would not survive as operating costs increased while revenues declined The only solution was to consolidate with another railroad and a favorable agreement was reached with the Chicago and North Western Railway C NW At 12 01 a m Monday July 1 1968 the CGW ceased to exist as it became part of the C NW Since that time much of the system has been abandoned and today only a few segments of former CGW trackage remain in service This book provides nostalgic images and photographs of the operations employees locomotives and stations of a little railroad that is now only a memory     **The Great Western Railway Volume Two Bristol to Plymouth** Stanley C. ambulance trains to the employment of women every part of the story is told including the saddest of all which is represented by a Roll of Honour     *The Railway Magazine* ,1901     **The Times History of the War** ,1916     **The Railway Times** ,1905     Past History, Present Condition and Future Prospects of the Chicago Great Western Railway Company ...
