Wisdom of the Hidden Realms Oracle Cards Colette Baron-Reid,2009-10 Mystics have passed down stories of magical realms hidden from mortal sight bridging the world of Nature and Spirit Even before the written word the ancients established a Divine partnership between humans and these Hidden Realms Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual The Alliance ensured that when we asked for guidance in manifesting our reality they would help us find our way to the highest good for all But in time humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities Religious superstition dominance and the power of intellect reason and technology became our focus and our partnership was forgotten so the realms faded away As our global concerns have increasingly been more plaintive they have returned to help us find our way home to our true purpose prosperity hope and happiness These cards represent some of those realms and their Queens and Kings Princes and other magical helpers Let the Swan Queen point the way to transformation the Arrow Master help you reach your goals the Sun Dancers herald your victories and the Sacred Union speak to the depth of your longing for love Ask and ye shall receive for the Highest Good is their motto If you call upon them they will answer
