Impossible Citizens Neha Vora, 2013-03-18 Indian communities have existed in the Gulf emirate of Dubai for more than a century Since the 1970s workers from South Asia have flooded into the emirate enabling Dubai s huge construction boom They now compose its largest noncitizen population Though many migrant families are middle class and second third or even fourth generation residents Indians cannot become legal citizens of the United Arab Emirates Instead they are all classified as temporary guest workers In Impossible Citizens Neha Vora draws on her ethnographic research in Dubai s Indian dominated downtown to explore how Indians live suspended in a state of permanent temporariness While their legal status defines them as perpetual outsiders Indians are integral to the Emirati nation state and its economy At the same time Indians even those who have established thriving diasporic neighborhoods in the emirate disavow any interest in formally belonging to Dubai and instead consider India their home Vora shows how these multiple and conflicting logics of citizenship and belonging contribute to new understandings of contemporary citizenship migration and national identity ones that differ from liberal democratic models and that highlight how Indians rather than Emiratis are the quintessential yet impossible citizens of Dubai

The Foreign in International Crime Fiction Jean Anderson, Carolina Miranda, Barbara

Pezzotti,2012-06-14 The foreigner is a familiar character in popular crime fiction from the foreign detective whose outsider status provides a unique perspective on a familiar or exotic location to the xenophobic portrayal of the criminal other Exploring popular crime fiction from across the world The Foreign in International Crime Fiction examines these popular works as transcultural contact zones in which writers can tackle such issues as national identity immigration globalization and diaspora communities Offering readings of 20th and 21st century crime writing from Norway the UK India China Europe and Australasia the essays in this book open up new directions for scholarship on crime writing and transnational literatures

Sinister Paradise Carolyn Keene,1998 After Innocence Terry Otten,2010-11-23 The fear of falling the awareness of lost innocence lost illusions lost hopes and intentions of civilization in decline these are the themes which link literature to theology both concerned with the shape of human destiny Otten discusses the continuing viability of the myth of the Fall in literature He relates a wide variety of romantic and modern works to fundamental issues in modern Christianity **Dubai: Behind an Urban Spectacle** Yasser Elsheshtawy,2010 This book explores Dubai s history from its beginnings as a small fishing village to its place on the world stage today using historical narratives travel descriptions novels and fictional accounts by local writers to bring colour to the history of the city s urban development With case studies and surveys the author explores the economic and political forces driving Dubai s urban growth its changing urbanity and its place within the global city network *An Arabian Dream* Nikhil Ramteke,2018-02-03 An Arabian Dream is a story that falls through the crevices of pitiless anonymity yet miraculously waits to be told Shijukutty a Malayali fisherman leaves his tiny hamlet of abject poverty in a coastal village in search of his destiny in Dubai that gleaming hub of fortune like millions of his brethren What unfolds is a stirring saga of hardship exploitation identity and friendship and the heartbreaking choices Shiju is often forced to make What he sees is not what he experiences when he lands in a world of glimmering towers fast paced life and unabashed opulence Shiju s life takes dramatic turns in the Dream City s dark underbelly But he holds his ground drawing on the ancient instincts of his seafaring ancestry To make matters worse he is inexorably pulled into the canyon of global recession Will Shiju be able to hold on to his dreams Will he survive against all odds Will he redeem himself Nikhil Ramteke weaves a captivating tale of migrant labourers their struggles their loneliness and their dreams Nikhil Ramteke is a Maharashtrian making a living in Sharjah UAE as a production manager with an MNC When he s not writing Nikhil likes to paint indulge in a bit of wildlife photography and travel the world *Lesbian Detective Fiction* Phyllis M. Betz,2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian s increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public and private lives intersect often at the point of coming out or of moving from

isolation to connection with the community Also considered is the lesbian detective s typical confrontation with two crucial elements of the investigator s role the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective s investigative arsenal **Reimagining Climate Change** Paul Wapner,Hilal

Elver,2016-02-05 Responding to climate change has become an industry Governments corporations activist groups and others now devote billions of dollars to mitigation and adaptation and their efforts represent one of the most significant policy measures ever dedicated to a global challenge Despite its laudatory intent the response industry or Climate Inc is failing Reimagining Climate Change questions established categories routines and practices that presently constitute accepted solutions to tackling climate change and offers alternative routes forward It does so by unleashing the political imagination The chapters grasp the larger arc of collective experience interpret its meaning for the choices we face and creatively visualize alternative trajectories that can help us cognitively and emotionally enter into alternative climate futures They probe the meaning and effectiveness of climate protection from below forms of community and practice that are emerging in various locales around the world and that hold promise for greater collective resonance They also question climate protection from above in the form of industrial and modernist orientations and examine large scale agribusinesses as well as criticize the concept of resilience as it is presently being promoted as a response to climate change This book will be of great interest to students and scholars of climate change global environmental politics and environmental studies in general as well as climate change activists **The Picture of Guilt** Carolyn Keene,2015-05-19
