Through engaging accessible analyses and exercises the book covers all aspects of the subject including how a soundtrack is assembled to accompany the visual content how music enhances the form and style of key film genres and how technology has influenced the changing landscape of film music. *Great Sacred Music* Samuel Wells, Andrew Earis, 2025-01-16 *Great Sacred Music* a free lunchtime event of spoken word and music for choirs and congregations is a regular feature of the life at witness of St Martin in the Fields. Each week a themed programme is offered which combines music with stories of how the pieces came to be written and some reflections on the theme. As well as a celebration of music it has proved to be instrumental in the mission of St Martin's attracting many people to the church. *Silent to Sound* Geoff Brown, 2024-10-22 *Silent cinema was never silent*. But from the mid 1920s onwards the sound part of the cinema experience was transformed by the arrival of films long and short with clearly audible talk music and sound effects built in. It marked the most fundamental shift in cinema technology since cinema's birth. The first book devoted to Britain's conversion to talkies and the result of eight years research *Silent to Sound: British Cinema in Transition* takes a lively and comprehensive look at the production side of the British sound revolution stretching from experimental efforts in the late 19th century through the sound shorts of the 1920s to the key year of 1929 the year of Hitchcock's *Blackmail* Britain's first home grown talkie feature and the industry turmoil that followed. The narrative concludes in 1934 when John Grierson's GPO Film Unit finally acquired sound equipment prompting a late burst of experimentation just when commercial feature soundtracks had settled down. Films familiar neglected and unknown are examined overripe melodramas the lost *Black Waters* local versions of Hollywood musicals *Harmony Heaven* visually elaborate science fiction *High Treason* plus newsreels documentaries amateur films and the last phase of British silent production. The impact of sound on studio technique is examined along with the industry's complex relations with Britain's strong theatre traditions with Europe and above all cinema's superpower America. It's also never forgotten that the sound transition was shaped not just by technology but by the talents foibles and follies of individual
