Skateboard Retrospective A Collectors Guide

Iain Borden

Skateboard Retrospective A Collectors Guide:

Skateboard Retrospective Rhyn Noll,2000 This incredible book combines a history of skateboarding that spans the twentieth century 693 color photos of decks wheels trucks and other gear that illustrate the sports s dramatic changes in design and graphics photos of famous riders in action over seven decades a huge list of skateparks in the USA and a glossary to help the newcomer get a handle on skateboard lingo Full pricing information is provided This book is a required reference for skateboarders past and present

The Skateboard Ben Marcus,2011-06-06 The story of the simple skateboard is part thriller part underground underdog success tale It s chock full of innovations far out graphic artistry and ever more incredible hot dogging feats And the story s told in this book with contributions from the stars themselves Tony Hawk Stacey Peralta Jeff Ho the Dogtown Z Boys and more Beautifully illustrated with historical posters ads and memorabilia along with new action photography studio skateboard shots and unique portraits of the stars this is a fitting tribute to an American classic

Skateboarding and the City Iain Borden,2019-02-21 Skateboarding is both a sport and a way of life Creative physical graphic urban and controversial it is full of contradictions a billion dollar global industry which still retains its vibrant counter cultural heart Skateboarding and the City presents the only complete history of the sport exploring the story of skate culture from the surf beaches of 60s California to the latest developments in street skating today Written by a life long skater who also happens to be an architectural historian and packed through with full colour images of skaters boards moves graphics and film stills this passionate readable and rigorously researched book explores the history of skateboarding and reveals a vivid understanding of how skateboarders through their actions experience the city and its architecture in a unique way

Construct Iain Borden,2025-12-09 Construct introduces a new category of architecture and engineering in our cities These structures are highly visible yet often ignored large scale and built without traditional designers They are characterised by substantial technical innovation and expertise embedded in the everyday lives of thousands of urban citizens and serve as embodiments of cultural and political meanings These constructions represent an overlooked but significant aspect of our urban landscape combining technical advancement with cultural significance despite their often anonymous design origins The opening chapter introduces Construct as an architectural academic and methodological concept including its interdisciplinary approach combining history critical theory ethnography and visual studies Six independent chapters then explore specific recent manifestations around the world the resund bridge between Copenhagen and Malm tower cranes in Dubai Shibuya pedestrian intersection in Tokyo Venice skatepark in Los Angeles Limehouse Link tunnel in London and the Singapore Flyer observation wheel in Singapore Each is interpreted in its own context and as a manifestation of its shared architectural typology worldwide Construct will appeal to those interested in the architecture urbanism and experience of contemporary cities worldwide and particularly those working in the fields of architecture media studies planning sociology and urban geography
