

The background of the slide is a photograph of a majestic, snow-capped mountain range under a clear blue sky. In the foreground, a dark, silhouetted ridge stretches across the frame. Two small figures of people are visible standing on this ridge, looking out towards the mountains. The overall mood is one of awe and contemplation.

Speak to Your Mountain John Robertson, 2013-08-30 Jesus said Whosoever shall say unto this mountain be thou removed Mark 11 23 He was preparing us for the times when we would have to take direct authority in the spiritual realm to impact things in the natural realm The two main factors to remember are His authority and the spoken word By this passage we already have access through His words as long as we appropriate His name when we speak to our mountain As a metaphor a mountain can be anything from financial issues to health issues rebellious children or any seemingly insurmountable thing that blocks our path Speak Gods Word to your mountain and watch its removal

A Better Way to Pray Andrew Wommack, 2007 After nearly four decades of ministry Andrew Wommack has discovered some important truths about prayer His prayer life is much different than it was thirty years ago and the results have dramatically improved You may be asking many of the same questions Andrew once did Is prayer my Christian duty Is prayer primarily about asking God to meet my needs and the needs of others Is God s answer to my prayer based on the degree of my humility and sincerity Is answered prayer a sovereign decision of God or do I have the ability to influence Him Clear scriptural answers to these questions and more could significantly change the way you pray These principles may not be the only way to pray but if you re not getting the results you desire consider changing directions maybe there is A Better Way to Pray

You've Already Got It! Andrew Wommack, 2006-11 Many Christians believe God can do anything but they don t understand the completion of His plan through Jesus death burial and resurrection It is in the discovery of what God has already done that our walk with Him becomes a joy and an adventure Jesus sacrifice on the cross was great He exchanged His perfect life and all the power of heaven for our sins our weaknesses Through Him our eternal destiny is set Yet in our day to day lives It seems that we still deal with so many challenges sickness financial struggles difficult relationships our own shortcomings Is it possible to walk in victory in this life Andrew Wommack reveals powerful truths in this practical view of

the work of Jesus Christ truths that are life changing Readers will learn how Jesus death burial and resurrection not only paid for their eternal salvation but gave them everything they need for abundant life right here right now Andrew encourages readers to avoid being like the dog constantly chasing his tail not realizing he already has it As readers begin to understand the extent of the work on the cross their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever thought possible Wommack approaches faith from a no nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God Written along the same lines as Kenneth Hagin s How to Turn Your Faith Loose and Right and Wrong Thinking Wommack goes a step further by revealing the erroneous teachings that encourage believers to beg for God s help Instead he shows that Jesus already finished His work when He was resurrected and now it s the believer s responsibility and privilege to enforce that victory against the powers of darkness **I Declare** Joel Osteen,2012-09-18 Embrace God s blessings every morning and experience the glory of His promises with thirty one powerful Scripture lessons based on a regular favorite feature of Joel Osteen s sermons at Lakewood Church Broken into thirty one segments this book defines the most powerful blessings in Scripture and encourages readers to declare one each day for a month The declarations will affirm God s blessings in the area of health family legacy decisions finances thoughts outlook and overcoming obstacles **Bits and Pieces of Kingdom Wisdom and Revelation** Bishop Robert L. Gethers,2012-10-09 Over the years I have collected and accumulated a number of what I call Bits and Pieces of Kingdom Wisdom and Revelations This book contains some of my favorite power pack key words of wisdom and revelations As you read you will understand my reason for using this title The little bits and pieces in this book will either add too or change your concept about certain views in Christendom and kingdom insight The title of this book is not mentioned throughout the book in reading you will also understand why For instance this book is not written with much detail or with exhaustive information about any particular subject Most of my views are short with a proverbial flavor this means that sometimes it may seem as if you are actually reading proverbs Some of these sayings might be viewed as idioms motto and some as I said have the flavor of a proverb which from a kingdom perspective I believe fit the messages in this book perfectly Most of these proverbial sayings were conceived in my spirit and were birthed by the Holy Spirit often times when I was in prayer Many years have passed since I started recording these sayings I believe this book of Spirit filled wisdom shouldve been blessing people everywhere long ago My greatest desire for this book is that every reader will discover a greater passion for purpose and a greater desire to grow in kingdom revelation which will be beneficial for kingdom living This book contains a wealth of what I believe to be wise spiritual snacks lunch and occasionally readers might discover a full meal to dine on which is without a doubt good for the spirit soul and body *It Matters What You Believe* Wayne Hancock,2010-02 Fear is the result of wrong believing There s right believing and there s wrong believing We ve got to get our beliefs straight and based on the Word of God Fear is simply believing in something to be bigger and stronger than God Faith is the result of right believing

Faith is simply taking God at His Word knowing that He is far bigger than anything that the devil may try to unleash against you. If we are going to have what God says we can have, then we are going to have to believe the way God says we should believe. We are going to have to believe right in order to have right. The primary purpose of this book is to help you realize areas of your life where you've maybe believed and thought wrongly concerning the things of God and to stir your faith in God so that the enemy has no more place in your life. It matters what you believe. Wayne Hancock has been serving the Body of Christ in various capacities since 1987. Currently, Wayne is the senior pastor of a thriving and growing congregation in Maui, Hawaii Faith Family Fellowship. Wayne ministers worldwide with an anointing on total life prosperity for the Body of Christ. He enjoys helping believers reach their God-given potential in Christ and teaching them how to apply the principles of the Word of God to live victoriously in everyday life. Wayne graduated and received his ordination from RHEMA Bible Training Center, RMAI in Broken Arrow, Oklahoma. He is also ordained and a member of the International Convention of Faith Ministries, ICFM in Arlington, Texas. The Absolute Key to Healing Brian Baker, 2023-07-17. Blessings come in many ways, but usually it starts with knowledge. Knowledge has been placed throughout the universe, and there are few who seek it or lay hold of its understanding. This book dives deep into the great mysteries of God. The key to absolute healing lies in understanding these mysteries. Many Christians do not have life and have it more abundantly. They do not understand fully what Jesus has done at the cross. All the teachings in this book are backed up by the Word of God. Apart from giving your life to Jesus Christ, the decision to read this book is probably one of the most important ones you will ever make as it pertains to healing.
