

A man with dark hair and glasses is shown in profile, speaking. His mouth is open, and a cluster of various letters (A, H, O, Y, Z, Q, P, L, B, S, A, n, A, O, a, r, y, Z, Q, P, L, B) appears to be coming out of his mouth. The background is split: the left side is a light gray, and the right side is a solid red. The text 'SPEAK-UP' and 'CULTURE' is overlaid on the red background in white, bold, italicized font. A small red square with the letters 'FCA' is in the top left corner.

How Could This Happen? Jan U. Hagen, 2018-07-26 The first comprehensive reference work on error management blending the latest thinking with state of the art industry practice on how organizations can learn from mistakes Even today the reality of error management in some

organizations is simple Don't make mistakes And if you do you're on your own unless you can blame someone else In most it has moved on but it is still often centered around quality control with Six Sigma Black Belts seeking to eradicate errors with an unattainable goal of zero But the best organizations have gone further They understand that mistakes happen be they systemic or human They have realized that rather than being stigmatized errors have to be openly discussed analyzed and used as a source for learning In How Could This Happen Jan Hagen collects insights from the leading academics in this field covering the prerequisites for error reporting such as psychological safety organizational learning and innovation safety management systems and the influence of senior leadership behavior on the reporting climate This research is complemented by contributions from practitioners who write about their professional experiences of error management They provide not only ideas for implementation but also offer an inside view of highly demanding work environments such as flight operations in the military and operating nuclear submarines Every organization makes mistakes Not every organization learns from them It's the job of leaders to create the culture and processes that enable that to happen Hagen and his team show you how

The Politically Incorrect Success System Larry Winget, 2020-04-03 The cancer of political correctness has not only helped to form a society of insincere oversensitive and under achieving people it has deprived individuals from the joy of living authentically and boldly Well living authentically and boldly has never been a problem for Larry Winget Known as the Pitbull of Personal Development Larry is not afraid to tell it like it is about what it takes to be successful And he's also not afraid of skewering some of those well known shibboleths of personal development like The Law of Attraction and the path of effortless success that are peddled by so many motivational speakers In this book Larry will take on the political correctness that has infected our society and the personal development industry He'll outline an effective back to the basics approach to help YOU be more successful Larry still believes that hard work and excellence are the keys to success and communicates that like no other person on the planet can Larry makes you think He makes you uncomfortable He offers common sense solutions that are impossible to argue with On top of all that he is hilarious Learn Why being politically correct will leave you unhappy uninspired and unsure about your future Why it takes a contrarian approach to be successful and true to yourself in this upside down politically correct world Why you need to fix yourself first rather than putting your focus on how to fix others or society Why letting go of your need for approval is essential to happiness How to get to the point and ask for what you want in life directly and decisively How to make big bold and brash plans for your life The biggest problem preventing entrepreneurs from being successful in business in our modern world How getting rid of politically correct excuses about money can save you financially
