## **Speaking To God:**

**You Can Hear the Voice of God** Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one-sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

**God Is Speaking, Are You Listening?** Lynn Lang, 2018-01-26 It all began when I finally desired quiet time in God's presence He being my Lord and Savior gave me a need to hear encouragement and guidance from him Knowing that I belong to my God Jesus died for my sins and I am filled with his Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from him Was this really possible How would I know it was him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I'd then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time Then when finished I would be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but also each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a scripture to go with each one All I knew was this ability was definitely God given to me for his purpose Soon I was realizing it wasn't all for me I was prompted to share them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as he led me What I thought was God was speaking to me only in reality he is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening

Neufeld,2007-06-15 People with faith have

always struggled with whether to believe someone who claims to have a message from God Those with special interpretations of Scripture often claim just as much authority as those who claim to be prophets Writer and Bible teacher Henry Neufeld wrestles with the question of how to know what to believe Christian      **Conversations with Barth on**

**Preaching** Bishop William H. Willimon,2010-09-01 One of today's greatest preacher-theologians engages one of the twentieth century's greatest teacher-theologians on the meaning of preaching Readers of William H. Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to

Barth's thought not just on the meaning but the practice of preaching as well      **The God who Speaks** Ben Campbell Johnson, 2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voice of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God's voice in daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God's language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of God's speech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson's discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God's voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks      **God is Speaking, are You Listening?** Lynnie Lang, 2022-04-23 It all began when I finally desired quiet time in God's presence He being my Lord and Savior gave me a need to hear encouragement and guidance from Him Knowing I belong to my God Jesus died for my sins and I am filled with His Spirit which gave me peace and confidence but I felt there was more I needed I longed to hear from Him Was this really possible How would I know it was Him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I'd then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time then when finished be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a Scripture to go with each one All I knew was this ability was definitely God given to me for His purpose Soon I realized it wasn't all for me I was prompted to share them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as He led me What I thought was God speaking to me only in reality He is able to speak to others through a simple devotional folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking Are you listening      *How Does God Speak to Us?* Nicole Murray, 2021-05-14 Hearing the Voice of God Most people would love to hear the voice of God however there is

Shhh...God Is Speaking Thaddeus Wright,2015-04-14 This book is about one thing and that is to bring people all over the world closer to God It is about being able to hear and apply what God is saying to us as a people It is about what God is saying and not me the Author It is intended to help motivate and inspire the unbeliever to become a believer and a servant of the most high God and to bring the believer even closer to God In this book I use personal experiences to illustrate that no matter what people may be going through or what they have done God is still in the delivering business It is all about praising and giving God the glory in spite of how your situation may look It is about praising your way out of your storm rather than walking through the storm with your head held down This book is all about our father our creator our healer our deliverer and our Savior Jesus Christ *Speaking the Christian God* Alvin F. Kimel,1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first

volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology **Speak God's Language** Crusita Sosa, 2017-12-10 God has given me a vision A study on The power of The Tongue or to be even more descriptive The Power of Blessing We are going to take a journey together that will help us to apply God's Word in our daily lives I have been walking with the Lord for forty five years Through those years Holy Spirit taught me to observe what the affect of my words did to those around me and how they affect my environment either for the good or for the bad In reflecting on the consequences I began to write the results down and because of that the birth of this book came to fruition We have a God given power to either bless or curse our individual lives the lives of our children and others around us It is in hearing and Speaking God's Language that we can and will discover the greatest blessing of all His companionship

**Speak Plainly God** Arden Christopherson, 2009 Originally I had planned on naming this book Ninety Days to Glory By revelation of the Holy Spirit I was told to name the book Speak Plainly God as God would use my book to answer the cry of many to learn how to hear Him speak plainly in their daily lives The greatest miracle I personally received was at the end of my own ninety day transformation A miracle occurred in heaven that was shared by others as a witness to God's commitment and love for those who overcome the obstacles of this world Jesus appeared to me in the form of the Morning Star The events that followed have led to the writing of this book If you seek Him with an open mind and heart He has promised through scripture to appear to you as well II Peter 1 19 21 Verse 19 And we have the word of the prophets made more certain and you will do well to pay attention to it as to a light shining in a dark place until the day dawns and The Morning Star rises in your hearts Verse 21 For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit Revelation 22 16 Verse 16 I Jesus have sent my angel to give you this testimony for the churches I am the Root and the Offspring of David and the Bright Morning Star Revelations 2 26 28 Verse 26 To him who overcomes and does my will to the end I will give authority over the nations Verse 28 I WILL ALSO GIVE HIM THE MORNING STAR **Speak Lord, I'm Listening** Larry Kreider, 2011-08-31 Jesus said My sheep hear My voice but many Christians do not know how to hear from God In this practical story rich guidebook international teacher Larry Kreider shows believers how to develop a listening relationship with the Lord Speak Lord I'm Listening explores the multiple ways Christians can hear the voice of God in today's world It offers real life examples of how God teaches His followers to listen Contains tips in each chapter for distinguishing His voice from the noise of Satan's interference Christians across the denominational spectrum will develop a closer and deeper relationship with God as they learn fifty unique ways to listen to Him You will realize that God was speaking to you all along but like the disciples on the road to Emmaus you didn't know it was Him *This Is God Speaking* Glenn Vellekamp, 2016-11-28 Hebrews is probably the least referred to letter in all of the New Testament in Sunday morning services It seems complicated at first however this book is designed to help sift through the phrasing by focusing on Jesus character This is not an intellectual academic scholarly treatise to be studied It is a readable thought provoking view

designed to engage the reader to develop his own relationship with Jesus A good coach will challenge his athlete This book is worded in a way to challenge you and encourage you This is God Speaking is a reflection on Jesus the author and finisher of our faith not the author of this book **Hello, this is God speaking can you hear me?** Alex Fuleki, 2023-10-16 God has been trying to reach humans for thousands of years but with limited success Ever since Cain walked away from God to forge his own godless society and a culture void of moral and spiritual values the voice of God has only been heard by a handful of people committed to following His will Alex Fuleki explores the complicated relationship humanity has with God in this book observing that most of us look to Him in the midst of some kind of local or global disaster beyond our control It is only then that we demand the protective saving healing and restorative power of the Lord and if we don't receive an immediate response we conclude that God does not listen and is not interested in us The truth however is that the Lord has certain requirements that must be met before He looks upon us with favor He is the one who dictates when how and what to communicate Find out why God is the most efficient most precise and clearest communicator who reveals Himself to every generation in every nation and in every language
