

A person stands on a rocky shore at sunset, viewed from inside a cave. The scene is framed by the dark, jagged edges of the cave entrance. The person is silhouetted against the bright, orange and pink glow of the setting sun. The water is calm, reflecting the colors of the sky. Speaking The Truth In Love:

Speaking the Truth in Love J. Philip Wogaman, 1998-01-01 J Philip Wogaman challenges preachers not to retreat from the world and to reconsider what they leave out of their sermons In this helpful guide he discusses the biblical and theological grounding of prophetic preaching the pastoral and liturgical setting Christian moral decision making and appropriate issues for discussion from the pulpit He also includes his most compelling sermons identifying the setting and goals of each *Speaking the Truth in Love* Daniel R. Berger, 2007-01-01 Approaching public communication from a liberal arts point of view *Speaking the Truth in Love* provides a distinctly Christian perspective of rhetoric Written and oral rhetoric are interwoven throughout the text Two foundational ideas control the majority of the text The first is from Plato's Phaedrus as stated by Paul in Ephesians 4:15 speaking the truth in love The second is from the Apostle Peter in 1 Peter 4:11 if anyone speaks he should do it as one speaking the very words of God The spiritual responsibility of communicating truth in accordance with the nature of God especially the virtue of love is an awesome privilege and opportunity Sound content spoken or written eloquently with charisma will enable words to have a maximum impact The text is designed to be a culminating learning experience for undergraduate communication programs or as an introductory text for graduate programs involving public communication Beginning with a philosophy of language meaning and interaction argument is built against secular deconstructive thought where everyone has a different truth based on language Alongside philosophy we explore ethics and theology from an evangelical perspective Following this a brief history outlines rhetorical thought from pre testament classics to today Based upon these ideas we take a closer look at communication theory as it relates to public communication Finally the text addresses the practice of both written and oral communication *Speaking the Truth in Love* James V. Brownson, 1998-06-01 How can Christian faith be translated into new languages and into new cultural forms James Brownson explores these and other questions in an effort to understand how the church can engage in cross cultural hermeneutics in effective ways *Speaking the Truth in Love* Bartholomew I (Ecumenical Patriarch of Constantinople), 2011 A collection of the writings statements of His All Holiness Ecumenical Patriarch Bartholomew which challenges the taboos controversies swirling within religious doctrine addressing issues such as church unity papal primacy divisions within Christianity **Speaking the Truth in Love** Paul Matte, 2023-03-13 As Christians we are to be the salt and light to this world but are dangerously becoming a hybrid form of Scripture and culture We are conforming to the pressure making us more culturally centered in our teachings and practices This mixture of church and culture is seen as we drift from biblical truth in determining what we believe and how we live It is not enough to resist the cultural pressures We must be transformed by the renewing of our mind This is not a mental positive thinking exercise as some suggest It is listening to God's Word as our source of truth to understand all issues of life By speaking the truth in love we mature in Christ so that we are not tossed by the waves of the culture but are firmly anchored in Jesus so that we live in a manner that pleases Him *Kind*
