Visitations to Heaven and Talking with Angels Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing all of Heaven s beauty and glory my answer would have been an emphatic no However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon There is no verbal vernacular to adequately describe the exquisite golden streets breathtaking jeweled walls fragrances incomparable to any on earth and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords There are nine classifications of Angels all having different assignments Some have four faces one resembling that of a man and the other three faces are the likenesses of animals Only the Angels assigned to mankind sent to provide assistance directions encouragement instructions or to reveal or fulfill the plan of God resemble human beings There is life after death and a Heavenly home where Yeshua Hamashia Jesus the Christ resides and where He has a prepared a residence for all those who love Him Many personal visitations of Angels and that of Heaven are included in this writing In fact it was an Angel who prompted me to pen this book and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural

**Milton's Angels** Joad Raymond, 2010-02-25 Milton s Paradise Lost the most eloquent most intellectually daring most learned and most sublime poem in the English language is a poem about angels It is told by and of angels it relies upon their conflicts communications and miscommunications They are the creatures of Milton s narrative through which he sets the Fall of humankind against a cosmic background Milton s angels are real beings and the stories he tells about them rely on his understanding of what they were and how they acted While he was unique in the sublimity of his imaginative rendering of angels he was not alone in writing about them Several early modern English poets wrote epics that explore the actions of and grounds of knowledge about angels Angels were intimately linked to theories of representation and theology could be a creative force Natural philosophers and theologians too found it interesting or necessary to explore angel doctrine Angels did not disappear in Reformation theology though centuries of Catholic traditions were stripped away Protestants used them in inventive ways adapting tradition to new doctrines and to shifting perceptions of the world Angels

continued to inhabit all kinds of writing and shape the experience and understanding of the world Milton's Angels The Early Modern Imagination explores the fate of angels in Reformation Britain and shows how and why Paradise Lost is a poem about angels that is both shockingly literal and sublimely imaginative The Facts on Angels John Ankerberg, John Weldon, 2011-06-30 Fascination with angels has exploded Scores of people claim dramatic encounters with these beings But who are angels Should Christians seek to contact them This booklet answers the questions What exactly does the Bible teach about angels What is their purpose How do their demonic counterparts deceive people In what specific ways can angels help people Discover the fascinating truth about angels in The Facts on Angels **Speaking of Angels** David Plante McAstocker (S.J.), 1947 An Angel to Guide Me Glenneyce S.
