Spearhead Toward The Dawn:

Spearhead Toward the Dawn Carmen Blumenkron, 1973-01-01 **Spearhead In The West, 1941-1945** Sgt. Frank Woolner, 2016-08-09 The story of Spearhead in the West recounts the early history of the 3rd Armored Division its training in various locations both in the United States and in England and its combat record from Normandy to the banks of the River Elbe in Germany The book is conveniently divided into three distinct sections the combined history and battle lore of the entire division The first section is given over to an introduction of Spearhead units and organization The second section provides a popular narrative account together with sketches and photographs of important scenes persons and events The third and final section retells the accurate battle history of the division as compiled from the mass of official documents journals and records A narrative of hard training and bitter combat of local reverses and the stunning victory that befits a great armored division this book is a must read for any history buff *Second to None* Kevin R. Shackleton, 2002-08-26 The story of the Fighting 58th one of 50 infantry battalions to see action with the Canadian Expeditionary Force during the First World War **Angels Zero** Robert Brulle, 2015-09-29 Robert V Brulle who flew seventy ground support missions with the 366th Fighter Group links his daily experiences in the cockpit not only with the battles in which he participated but also with events in the wider European theater Combining anecdotes from his personal diary research in US and German records and interviews with participants from both sides Brulle details a combat career that began just after D Day when he flew column cover for Allied troops as they chased the German military out of France He then describes the brutal six week Hurtgen Forest campaign during which his fighter group lost 15 pilots and 18 aircraft He also tells how the otherwise bitterly fought Battle of the Bulge provided the 366th with an opportunity to successfully engage 60 Luftwaffe airplanes in a dogfight directly over their airfield Angels Zero combines both personal and historical detail to vividly re create a lesser known aspect of the air war in Europe **Tarot Plain and Simple** Anthony Louis, 2010-09-08 Tarot Plain and Simple by Anthony Louis is the book you've been waiting for As the title indicates this book presents the Tarot in clear language that anyone can understand If you've had trouble learning the Tarot this book gives the meaning of each and every one of the 78 Tarot cards both in simple terms and in depth ones both upright interpretations and those for when a card is drawn reversed Illustrations are from the elegant and mystic Robin Wood Tarot This book leaves nothing out It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view It even includes several spreads and example readings That way you can see exactly how the Tarot works how the cards play off of each other and how to give a reading Turn to any page and see how you can learn meanings and interpretations The Five of Cups shows a cloaked person with head down and three of five cups knocked over spilling their contents Upright the card means mourning But the key words and phrases give you so much more It can also mean regret sadness loss of trust an emotional letdown betrayal in love and much more How can you tell which expression best fits the card It depends upon where it falls in the spread and the

cards that surround or lead up to it This is explained in the clear but comprehensive section on Tarot card spreads and is illustrated in the sample readings If you have been waiting for an ideal book to help you learn the Tarot this is it The longer you wait the longer it will be before you can give effective Tarot readings Get out that Tarot deck and get this book today

Brereton Greenhous,James McWilliams,R. James Steel,Kevin R. Shackleton,George H. Cassar,Bruce Cane,2014-07-23 The giant conflagration of the First World War created the world we live in today and its history is replete with stirring battles mind boggling strategies and geopolitical manoeuvring However the real story was lived in the trenches of Europe and the lonely households of those left behind The stories of this period are full of tragedy anger and loss but also inspirational courage This special five book bundle presents some of these stories from brave Canadian contributions to the battlefields at Ypres and Amiens to the specific untold story of Canada s unheralded 58th Division to an analysis of the myth and legend of air ace Billy Bishop to the voice of one single soldier Deward Barnes told through his diary These books provide new and enlightening perspectives on the war Amiens Hell in Flanders Fields It Made you Think of Home The Making of Billy Bishop Second to None **"Bergmann's Team"** George G. experiences enabling the reader to know them as individuals **It Made You Think of Home** Bruce Cane, George Frederick Barnes, 2004-08-01 We took our positions five kneeling and five standing we got the order to fire One blank and nine live rounds I did not have the blank That is the voice of Deward Barnes an unwilling but dutiful member of the firing squad that shot Harold Lodge one of 25 Canadians executed during the First World War In this diary we hear something that is otherwise gone forever the authentic voice of the First World War soldier Everyman in khaki Fully annotated so that everyone today can understand the nuance of each entry the Barnes diary takes us into the trenches and the firing lines of the Western Front like no other first hand Canadian account of that terrible war can Like any trained infantryman Deward could tell the kick of a live round from a blank one and that kick he bestows on us with each turn of the page **Peiper's Last Gamble** Danny S Parker, 2025-02-28 By the autumn of 1944 Hitler's plans for the conquest of Europe were in disarray The Führer's much vaunted Third Reich facing an Allied onslaught from the east and west was slowly collapsing Desperate to seize the initiative on the Western Front Hitler seeing himself as a beleaguered modern day Frederick the Great looked for some bold counterattack that could change his fortunes Hitler's wish had at least one clear result for as early as 19 August 1944 he had instructed Alfred Jodl to consider a bold counterstroke in the west in November Hitler's generals therefore set about drawing up plans for an offensive in the area of the Ardennes Forest It was to be an attack that would enable German forces to cross the Meuse and decisively breaking through the Allied front line advance on Antwerp Given the limitations he and his forces faced Hitler knew he would need panzer leaders capable of delivering a Blitzkrieg advance perhaps one that took advantage of night time hours One of the German officers who was tasked with delivering this audacious victory was the battle hardened veteran SS Obersturmbannführer Jochen Peiper A Waffen SS officer and one of the most celebrated heroes of Hitler's armies Peiper and the SS Panzer Division Leibstandarte as a whole were already on his mind A long time adjutant of Heinrich Himmler and completely dedicated to the Nazi cause Peiper had fought in every major campaign of the Second World War However having been wounded in Normandy following the D Day landings Peiper also ailing from a combination of battle fatigue and hepatitis had been evacuated to a field hospital and then back Germany in August 1944 It was while he was recuperating at the SS Reserve Hospital 501 overlooking Lake Tegernsee in Bavaria that Peiper learnt of his part in the forthcoming offensive Though his skin had a sickly ochre cast from jaundice and three years of front line combat too many days of coffee and cigarettes followed by nights of fighting and frustration and the fact that his nerves were shot he had been selected as one of the men who would lead the Führer's final great gamble Comprising some 4 800 men and 600 vehicles including a number of the powerful Tiger II heavy tanks Kampfgruppe Peiper played a central part in the Ardennes Offensive or the Battle of the Bulge as it is commonly known which was unleashed on 16 December 1944 It is a role that is explored here by Danny S Parker who reveals the successes defeats and war crimes that Kampfgruppe Peiper was involved in before the Ardennes Offensive ended in failure in January 1945 **Germany and the Second World War**
