Tom Keene

Special Operations Executive A New Instrument Of War:

Special Operations Executive Mark Seaman, 2006 A uniquely accurate and reliable assessment of the Special Operations Executive SOE This new volume brings together leading authors to examine the organization from a range of key angles

Special Operations Executive Mark Seaman, 2013-01-11 This unique book presents an accurate and reliable assessment of the Special Operations Executive SOE It brings together leading authors to examine the organization from a range of key angles This study shows how historians have built on the first international conference on the SOE at the Imperial War Museum in 1998 The release of many records then allowed historians to develop the first authoritative analyses of the organization's activities and several of its agents and staff officers were able to participate Since this groundbreaking conference fresh research has continued and its original papers are here amended to take account of the full range of SOE documents that have been released to the National Archives The fascinating stories they tell range from overviews of work in a single country to particular operations and the impact of key personalities SOE was a remarkably innovative organization It played a significant part in the Allied victory while its theories of clandestine warfare and specialised equipment had a major impact upon the post war world SOE proved that war need not be fought by conventional methods and by soldiers in uniform The organization laid much of the groundwork for the development of irregular warfare that characterized the second half of the twentieth century and that is still here more potent than ever at the beginning of the twenty first This book will be of great interest to students of World War II history intelligence studies and special operations as well as general readers with an interest in SOE and World War II

The Special Operations Executive (SOE) in Burma Richard Duckett, 2017-10-30 In the mountains and jungles of occupied Burma during World War II British special forces launched a series of secret operations assisted by parts of the Burmese population The men of the SOE trained in sabotage and guerrilla warfare worked in the jungle deep behind enemy lines to frustrate the puppet Burmese government of Ba Maw and continue the fight against Hirohito's Japan in a theatre starved of resources Here Richard Duckett uses newly declassified documents from the National Archives to reveal for the first time the extent of British special forces involvement from the 1941 operations until beyond Burma's independence from the British Empire in 1948 Duckett argues convincingly that Operation Character and Operation Billet large SOE missions launched in support of General Slim's XIV Army offensive to liberate Burma rank among the most militarily significant of the SOE's secret missions Featuring a wealth of photographs and accompanying material never before published including direct testimony recorded by veterans of the campaign and maps from the SOE files The SOE in Burma tells a compelling story of courage and struggle in during World War II

Cloak of Enemies Tom Keene, 2012-02-29 The Special Operations Executive SOE also known as Churchill's Secret Army or the Ministry of Ungentlemanly Warfare was born from Churchill's vision to set Europe ablaze It was formed to conduct espionage and sabotage in enemy occupied territory as well as aid local resistance groups in their own irregular warfare After D Day it played a crucial role in the

liberation of Europe However Tom Keene s book reveals for the first time how close it came to never existing at all Many saw SOE as a threat to the existence of MI5 and other intelligence agencies and some in the armed forces refused to work with the new agency fearing its broad remit and lack of experienced operatives SOE in turn became ever more secretive hiding detail s of their operations from anyone outside the agency This backstabbing climate of rivalry confusion and secrecy within the higher echelons of government not only nearly destroyed SOE but also had tragic repercussions for the daring Commandos who took part in the legendary Cockleshell Raid Cloak of Enemies exposes the secret war in the shadows and backrooms of Whitehall during the Second World War and its far reaching consequences **British Diplomacy in Turkey,**

1583 to the present Geoffrey R. Berridge,2009-07-31 Since the early twentieth century the resident embassy has been supposed to be living on borrowed time By means of an exhaustive historical account of the contribution of the British Embassy in Turkey to Britain s diplomatic relationship with that state this book shows this to be false Part A analyses the evolution of the embassy as a working unit up to the First World War the buildings diplomats dragomans consular network and communications Part B examines how without any radical changes except in its communications it successfully met the heavy demands made on it in the following century for example by playing a key role in a multitude of bilateral negotiations and providing cover to secret agents and drugs liaison officers **Papa Spy** Jimmy Burns,2012-11-06 In the 1930s Tom Burns was a rising star of British publishing whose friends and authors included G K Chesterton Evelyn Waugh Graham Greene the artist Eric Gill and the poet David Jones And among his glittering social circle he had set his heart on the beautiful Ann Bowes Lyon cousin of the Queen When war was declared in 1939 Burns joined the Ministry of Information effectively the propaganda wing of the secret services Sent to Madrid as press attach at the British Embassy where the Ambassador was the formidable and very Proetstant Sir Samuel Hoare Burns used his faith and his deep love of Spain in the propaganda war against the Nazis who at the time had nearly unrestricted access to the Spanish media Burns brief was to do all in his power to keep Franco neutral and so protect Gibraltar and access to the western Mediterranean The strategy was simple but the tactics were more complicated especially when Burns found he had begun to make enemies at home not least among them Kim Philby and Anthony Blunt head of the MI6 s Iberian section By 1941 he felt far from the real fighting Ann had pledged herself to another man and Burns was spending as much time protecting his back as fighting the Nazis How he overcame these odds was involved in the Man Who Never Was decoy plot arranged Leslie Howard s fatal propaganda trip to Portugal and Spain and finally found true love while loyally serving his country is the story told in this extraordinary book by his son *Rediscovering Irregular Warfare* A. R. B. Linderman,2016-02-29 Britain s Special Operations Executive SOE which conducted sabotage campaigns and supported resistance movements in Axis occupied Europe and in Asia is often described as Winston Churchill s brainchild But as A R B Linderman reveals in this engrossing history the real genius behind Britain s clandestine warriors was Colin Gubbins a British officer who forged the SOE by drawing on lessons learned in

irregular conflicts around the world Following Gubbins through operations he studied and participated in Linderman maps the evolution of the SOE from its origins to its doctrine to its becoming a critical institution Part biography part intellectual and organizational history Rediscovering Irregular Warfare is the first book to explore the origins of a substantial force in the Allies victory in World War II Although popular history holds that Britain entered World War II with no prior knowledge of or experience with underground warfare Rediscovering Irregular Warfare tells us otherwise Linderman finds ample precedent in the clearly documented work of Gubbins and his fellow clandestine organizers He traces Gubbins s career from 1914 through World War I and such irregular conflicts as the Allied intervention in Russia the Irish Revolution and conflicts in British India To these firsthand experiences Gubbins added the insights of colleagues who had served with him and in Iraq as well as what he learned from the Second Anglo Boer War the Arab Revolt led by T E Lawrence the German guerrilla war in East Africa the revolt in Palestine between the world wars the Spanish Civil War and the Second Sino Japanese War The two booklets that Gubbins wrote based on his accumulated knowledge offered the first synthesis of British unconventional warfare doctrine practical guides that emphasized the centrality of local populations the collection protection and use of intelligence the necessity of cooperating with conventional forces and the use of speed surprise and escape in ambush operations In 1940 when Gubbins joined the newly created SOE the experience and know how codified in his guides formed the basis of Britain s approach to irregular warfare The history of the SOE s doctrinal origins is Colin Gubbins s story By telling that story Rediscovering Irregular Warfare amplifies and clarifies our understanding of the Second World War and of doctrines of unconventional warfare in the twentieth century Mission France Kate Vigurs,2021-01-01 The full story of the thirty nine female SOE agents who went undercover in France Formed in 1940 Special Operations Executive was to coordinate Resistance work overseas The organization s F section sent more than four hundred agents into France thirty nine of whom were women But while some are widely known Violette Szabo Odette Sansom Noor Inayat Khan others have had their stories largely overlooked Kate Vigurs interweaves for the first time the stories of all thirty nine female agents Tracing their journeys from early recruitment to work undertaken in the field to evasion from or capture by the Gestapo Vigurs shows just how greatly missions varied Some agents were more adept at parachuting Some agents missions lasted for years others less than a few hours Some survived others were murdered By placing the women in the context of their work with the SOE and the wider war this history reveals the true extent of the differences in their abilities and attitudes while underlining how they nonetheless shared a common mission and ultimately deserve recognition *The Resistance in Western Europe, 1940-1945* Olivier Wieviorka,2019-09-03 In just three months in 1940 Denmark Norway Belgium the Netherlands Luxembourg and France fell to the Nazis The German occupation of Western Europe had begun but a brave few rose up in defiance National resistance has long been celebrated in remembrances of World War II depicted as making significant contributions to the defeat of Nazi Germany However the so called army of shadows drew heavily on the support of London

and Washington a fact often forgotten in postwar Europe The Resistance in Western Europe 1940 1945 is a sweeping analytical history of the underground anti Nazi forces during World War II Examining clandestine organizations in Norway Denmark the Netherlands Belgium France and Italy Olivier Wieviorka sheds new light on the factors that shaped the resistance and its place in the grand scheme of Anglo American military strategy While national actors played a leading role in fomenting resistance British and American intelligence services and propaganda as well as financial material and logistical support were crucial to its activities and growth Wieviorka illuminates the policies of governments in exile and resistance actors regarding cooperation with the British and Americans pointing to the persistence of national self interest and long standing historical tensions Drawing on a wide range of archival sources and bringing together the political diplomatic and military dimensions of the conflict this book is the first account of the resistance on a continental scale and from a trans European perspective

The Dirty Tricks Department John Lisle,2023-03-07 John Lisle reveals the untold story of the OSS Research and Development Branch The Dirty Tricks Department and its role in World War II In the summer of 1942 Stanley Lovell a renowned industrial chemist received a mysterious order to report to an unfamiliar building in Washington D C When he arrived he was led to a barren room where he waited to meet the man who had summoned him After a disconcerting amount of time William Wild Bill Donovan the head of the Office of Strategic Services OSS walked in the door You know your Sherlock Holmes of course Donovan said as an introduction Professor Moriarty is the man I want for my staff I think you re it Following this life changing encounter Lovell became the head of a secret group of scientists who developed dirty tricks for the OSS the precursor to the CIA Their inventions included Bat Bombs suicide pills fighting knives silent pistols and camouflaged explosives Moreover they forged documents for undercover agents plotted the assassination of foreign leaders and performed truth drug experiments on unsuspecting subjects Based on extensive archival research and personal interviews The Dirty Tricks Department tells the story of these scheming scientists explores the moral dilemmas that they faced and reveals their dark legacy of directly inspiring the most infamous program in CIA history MKULTRA

Hidden Armies of the Second World War Patrick G. Zander,2017-10-03 Even though much of Europe eventually succumbed to the Nazis during World War II many Europeans defiantly resisted occupation in every way possible This captivating book provides a survey of these resistance movements during the period of Axis occupation and recounts the ways in which unarmed citizens undermined Nazi efforts at domination A thorough description of the Axis conquest of Europe the formation of the Special Operations Executive in Britain and the Office of Strategic Services in the United States provides a backdrop for this turbulent time in history Chapters cover the resistance organizations their leaders and other key individuals behind their operations The book details the movement s furtive tactics that included spreading information providing the Allies with key intelligence conducting industrial sabotage destroying bridges and factories and fighting behind the lines Case studies of resistance operations in France Norway Holland Denmark Poland Czechoslovakia the Soviet Union

the Balkans Greece Italy and within Nazi Germany itself show the scope and breadth of the resistance movement throughout the world

Orde Wingate and the British Army, 1922-1944 Simon Anglim, 2015-10-06 Major General Orde Wingate 1903 1944 was the most controversial British military commander of the Second World War and perhaps of the last hundred years Anglim's biography fills a significant void in the literature making extensive use of Wingate's papers to place him firmly in the context of the British army of the time

Securing Africa Toyin Falola, Charles Thomas, 2013-10-30 Africa has been and currently is the site of numerous conflicts and crises Authors previously wrote of these as specifically African problems or the problems of Europeans in Africa but newer scholarship on other aspects of Africa has come to stress the interconnectness of Africa and the wider world Still it has often been limited to studies of isolated instances within African countries with little to no connection to greater patterns of international power and violence This volume explores the historical and present local and international dimensions of the myriad security crises in Africa from the role of international relations during liberation to multination efforts against piracy

SOE and The Resistance Michael Tillotson, 2011-03-11 SOE and The Resistance describes the extraordinary contribution to the allied war effort made by the Special Operations Executive from its formation in 1940 to the end of the war Within a broadly chronological framework the book illustrates how resistance was stimulated among the subjugated populations of Europe and the Far East leading to the sabotage of industry and communications critical to the Axis cause Ranging from France through Scandinavia the Low Countries North Africa the Balkans and the Far East the story unfolds through the lives of the heroic men and women who served with the SOE in enemy held territory as recorded in their obituaries in The Times

The Great Deception Joy Chambers, 2012-09-03 For fans of Pam Jenoff and Margaret Leroy an thrilling tale of intrigue and danger filled with tension excitement and romance looking at the experiences of Australians in World War Two New South Wales 1947 When Shelly Wareing's husband Cole vanishes into the night leaving only a note to say that he will come back no matter how long it takes Shelly is bewildered What could be the reason for his sudden disappearance Searching for clues Shelly discovers a box containing Nazi medals an SS ring and a photo of a radiantly beautiful woman signed for her husband Determined to uncover the truth she sets out to track down Laetitia de Witt the woman pictured in the photograph Meanwhile halfway across the world Cole is on his own mission for the truth while his enemies who believe him to be a traitor are in close pursuit

Disrupt and Deny Rory Cormac, 2018-05-09 British leaders use spies and Special Forces to interfere in the affairs of others discreetly and deniably Since 1945 MI6 has spread misinformation designed to divide and discredit targets from the Middle East to Eastern Europe and Northern Ireland It has instigated whispering campaigns and planted false evidence on officials working behind the Iron Curtain tried to foment revolution in Albania blown up ships to prevent the passage of refugees to Israel and secretly funnelled aid to insurgents in Afghanistan and dissidents in Poland MI6 has launched cultural and economic warfare against Iceland and Czechoslovakia It has tried to instigate coups in Congo Egypt Syria Saudi Arabia Iran and elsewhere Through

bribery and blackmail Britain has rigged elections as colonies moved to independence Britain has fought secret wars in Yemen Indonesia and Oman and discreetly used Special Forces to eliminate enemies from colonial Malaya to Libya during the Arab Spring This is covert action a vital though controversial tool of statecraft and perhaps the most sensitive of all government activity If used wisely it can play an important role in pursuing national interests in a dangerous world If used poorly it can cause political scandal or worse In *Disrupt and Deny* Rory Cormac tells the remarkable true story of Britain's secret scheming against its enemies as well as its friends of intrigue and manoeuvring within the darkest corridors of Whitehall where officials fought to maintain control of this most sensitive and seductive work and above all of Britain's attempt to use smoke and mirrors to mask decline He reveals hitherto secret operations the slush funds that paid for them and the battles in Whitehall that shaped them

The Spy Who Loved Clare Mulley, 2025-09-23 *The Spy Who Loved* presents the untold story of Britain's first female Special Agent of World War II In June 1952 a woman was murdered by an obsessed colleague in a hotel in the South Kensington district of London Her name was Christine Granville That she died young was perhaps unsurprising that she had survived the Second World War was remarkable The daughter of a feckless Polish aristocrat and his wealthy Jewish wife Granville would become one of Britain's most daring and highly decorated special agents Having fled to Britain on the outbreak of war she was recruited by the intelligence services and took on mission after mission She skied over the hazardous High Tatras into occupied Poland served in Egypt and North Africa and was later parachuted behind enemy lines into France where an agent's life expectancy was only six weeks Her courage quick wit and determination won her release from arrest more than once and saved the lives of several fellow officers including one of her many lovers just hours before their execution by the Gestapo More importantly the intelligence she gathered in her espionage was a significant contribution to the Allied war effort and she was awarded the George Medal the OBE and the Croix de Guerre Granville exercised a mesmeric power on those who knew her In *The Spy Who Loved* acclaimed biographer Clare Mulley tells the extraordinary history of this charismatic difficult fearless and altogether extraordinary woman

Mission Accomplished David Stafford, 2011-03-17 In May 1945 Italy was liberated from Nazism and Fascism by the British Eighth and American Fifth Armies By that time the Italian resistance movement had emerged as one of the strongest in Europe crucially aided and abetted by the UK's Special Operations Executive As what Winston Churchill graphically described as the red hot rake of the battle line advanced bloodily up the Italian peninsula clandestine cells in the cities and partisan bands in the countryside fought to free their country from enemy occupation and shape the politics of Italy's post war future Based on recently released official files documents retrieved from other agencies diaries memoirs and personal interviews *Mission Accomplished* provides the first ever complete and authoritative account of Britain's secret war in Italy the heroic exploits the larger than life participants and the extraordinary against the odds achievements

A Most Ungentlemanly Way of War Bernd Horn, 2016-01-30 An examination of the SOE its accomplishments and the Canadian

connection to the organization During the Second World War British Prime Minister Winston Churchill created the Special Operations Executive SOE to conduct acts of sabotage and subversion and raise secret armies of partisans in German occupied Europe With the directive to set Europe ablaze the SOE undertook a dangerous game of cat and mouse with the Nazi Gestapo An agent's failure could result in indescribable torture dispatch to a concentration camp and often a death sentence While the SOE's contribution to the Allied war effort is still debated and many of its files remain classified it was a unique wartime creation that reflected innovation adventure and a fanatical devotion on the part of its personnel to the Allied cause The SOE has an important Canadian connection Canadians were among its operatives and agents behind enemy lines Camp X in Whitby Ontario was a special training school that trained agents for overseas duty and an infamous Canadian codenamed Intrepid ran SOE operations in the Americas

Churchill's Ministry of Ungentlemanly Warfare Giles Milton, 2017-02-07 Six gentlemen one goal the destruction of Hitler's war machine In the spring of 1939 a top secret organization was founded in London its purpose was to plot the destruction of Hitler's war machine through spectacular acts of sabotage The guerrilla campaign that followed was every bit as extraordinary as the six men who directed it One of them Cecil Clarke was a maverick engineer who had spent the 1930s inventing futuristic caravans Now his talents were put to more devious use he built the dirty bomb used to assassinate Hitler's favorite Reinhard Heydrich Another William Fairbairn was a portly pensioner with an unusual passion he was the world's leading expert in silent killing hired to train the guerrillas being parachuted behind enemy lines Led by dapper Scotsman Colin Gubbins these men along with three others formed a secret inner circle that aided by a group of formidable ladies single handedly changed the course Second World War a cohort hand picked by Winston Churchill whom he called his Ministry of Ungentlemanly Warfare Giles Milton's Churchill's Ministry of Ungentlemanly Warfare is a gripping and vivid narrative of adventure and derring do that is also perhaps the last great untold story of the Second World War
