legal issues every day and now there's an accurate accessible tool written in plain English that can give administrators the information they need to do their jobs while minimizing legal risk. While retaining the reader friendly format from their first edition, Dennis R. Dunklee and Robert J. Shoop, recognized school law experts, provide additional programmatic guidance for other school district personnel, management cues, and risk management guidelines. A comprehensive index, additional references to landmark court cases, coverage of the No Child Left Behind Act, and information on state created danger and deliberate indifference. This second edition helps school administrators quickly find important legal guidance for issues that include Staff selection and evaluation, Student rights and discipline, Special education, and the reauthorized IDEA. Copyright law, Search and seizure, Sexual harassment and sexual exploitation, And many more. This essential desk reference offers a straightforward resource on translating school law into practice and can be used as a day to day reference guide or a comprehensive overview of school law today.

Essential Circuit Analysis using LTspice® Farzin Asadi, 2022-08-26 This textbook provides a compact but comprehensive treatment that guides students through the analysis of circuits using LTspice. Ideal as a hands on source for courses in Circuits, Electronics, Digital Logic, and Power Electronics, this text focuses on solving problems using market standard software corresponding to all key concepts covered in the classroom. The author uses his extensive classroom experience to guide students toward deeper understanding of key concepts while they gain facility with software they will need to master for later studies and practical use in their engineering careers.
