**Abraham Lincoln**

## **Speeches And Writings 18591865:**

*Abraham Lincoln: Speeches and Writings Vol. 2 1859-1865 (LOA #46)* Abraham Lincoln, 1989-10-01 Abraham Lincoln was the greatest writer of the Civil War as well as its greatest political leader His clear beautiful and at times uncompromisingly severe language forever shaped the nation s understanding of its most terrible conflict This volume along with its companion *Abraham Lincoln Speeches and Writings 1832 1858* comprises the most comprehensive selection ever published Over 550 speeches messages proclamations letters and other writings including the Inaugural and Gettysburg addresses and the moving condolence letter to Mrs Bixby record the words and deeds with which Lincoln defended preserved and redefined the Union LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

**Abraham Lincoln** Abraham Lincoln, 1989     *The Cavalier Presidency* Justin P. DePlato, 2014-02-14 In this book Justin DePlato examines and analyzes the reasons and justifications for as well as instances of executive emergency power in political thought and action The book begins by analyzing the theory of executive emergency power across a wide breadth of philosophical history from Ancient Greek Renaissance through modern American political thought This analysis indicates that in political philosophy two models exist for determining and using executive emergency power an unfettered executive prerogative or a constitutional dictatorship The modern American approach to executive emergency power is an unfettered executive prerogative whereby the executive determines what emergency power is and how to use it The book addresses the fundamental question of whether executive power in times of crisis may be unfettered and discretionary or rather does the law define and restrain executive emergency power The author reviews and analyzes seven U S presidencies that handled a domestic crisis Washington Jefferson Madison Jackson Lincoln G W Bush and Obama to show that presidents become extraordinarily powerful during crises and act unilaterally without oversight The use of executive emergency power undermines the normal processes of democratic republicanism and harms the rule of law The author analyzes the U S Constitution formerly classified Department of Justice Memos primary sourced letters signing statements executive orders presidential decrees and original founding documents to comprehensively conclude that presidential prerogative determines what emergency powers are and how they are to be executed This book challenges the claim that presidents determine their emergency power with appropriate congressional oversight or consultation The analysis of the empirical data indicates that presidents do not consult with Congress prior to determining what their emergency powers are and how the president wants to use them Justin DePlato joins the highly contentious debate over the use of executive power during crisis and offers a sharp argument against an ever growing centralized and unchecked federal power He argues that presidents are becoming

increasingly reckless when determining and using power during crisis often times acting unconstitutional      **Toward Democracy** James T. Kloppenberg, 2016-05-06 James T Kloppenberg presents the history of democracy from the perspective of those who established its principles offering a fresh look at how ideas about representative government suffrage and the principles of self rule and ideals have shifted over time and place      Lincoln & Davis Augustin Stucker, 2011-11-04

**Speeches and presidential addresses, 1859-1865** Abraham Lincoln, 1907      **Lincoln's Unfinished Work** Orville Vernon Burton, Peter Eisenstadt, 2022-05-18 In his Gettysburg Address Abraham Lincoln promised that the nation's sacrifices during the Civil War would lead to a new birth of freedom Lincoln's Unfinished Work analyzes how the United States has attempted to realize or subvert that promise over the past century and a half The volume is not solely about Lincoln or the immediate unfinished work of Reconstruction or the broader unfinished work of America coming to terms with its tangled history of race it investigates all three topics The book opens with an essay by Richard Carwardine who explores Lincoln's distinctive sense of humor Later in the volume Stephen Kantrowitz examines the limitations of Lincoln's Native American policy while James W Loewen discusses how textbooks regularly downplay the sixteenth president's antislavery convictions Lawrence T McDonnell looks at the role of poor Blacks and whites in the disintegration of the Confederacy Eric Foner provides an overview of the Constitution shattering impact of the Civil War amendments Essays by J William Harris and Jerald Podair examine the fate of Lincoln's ideas about land distribution to freedpeople Gregory P Downs focuses on the structural limitations that Republicans faced in their efforts to control racist violence during Reconstruction Adrienne Petty and Mark Schultz argue that Black land ownership in the post Reconstruction South persisted at surprisingly high rates Rhonda Robinson Thomas examines the role of convict labor in the construction of Clemson University the site of the conference from which this book evolved Other essays look at events in the twentieth and twenty first centuries Randall J Stephens analyzes the political conservatism of white evangelical Christianity Peter Eisenstadt uses the career of Jackie Robinson to explore the meanings of integration Joshua Casmir Catalano and Briana Pocratsky examine the debased state of public history on the airwaves particularly as purveyed by the History Channel Gavin Wright rounds out the volume with a striking political and economic analysis of the collapse of the Democratic Party in the South Taken together the essays in this volume offer a far reaching thought provoking exploration of the unfinished work of democracy particularly as it pertains to the legacy of slavery and white supremacy in America      *Life and Works of Abraham Lincoln: Speeches and presidential addresses, 1859-1865* Abraham Lincoln, 1907      **Speeches and presidential addresses, 1859-1865. Anecdotes and conversations of Lincoln, by F. B. Carpenter** Abraham Lincoln, 1908      **Speeches and presidential addresses 1859-1865, together with conversations and anecdotes, related by F.B. Carpenter in "Six months at the White House"** Abraham Lincoln, 1907      Public Forgetting Bradford Vivian, 2010 Using examples ranging from classical rhetoric to contemporary crises like 9 11 Public Forgetting demonstrates how communities may adopt idioms of forgetting in order to

create new and beneficial standards of public judgment      **A More Perfect Union** Jesse L. Jackson Jr.,2021-11-12 Race from the beginning and more than any other element has shaped America s institutions its economics politics laws social structures and political attitudes Congressman Jackson considers race to be the focal point of America through the language of the economy because the economy is the hearing aid through which Americans hear all political dialogue In this thought provoking work Jackson provides ample documentation and insightful analysis of the inextricable link between race and economics More important Jackson proposes a radical economic strategy and program of new human rights that would build A More Perfect Union for all Americans and put them in a better position to come to grips with this enduring American legacy      **Abraham Lincoln** Jeremy Roberts,2004-01-01 Abraham Lincoln one of the greatest American presidents was an unlikely figure to rise to power After educating himself he spent years practicing law on the frontier before coming to the White House Charming many with his honesty and his rough folksy humor and offending others with his unpolished ways Lincoln proved his intelligence political savvy and love of country by leading the nation through one of its bitterest trials the Civil War 1861 1865 Brought down by an assassin s bullet at the end of the war Lincoln is forever remembered as the man who preserved the Union and brought an end to slavery Book jacket      **New Perspectives on the Union War** Gary W. Gallagher,Elizabeth R. Varon,2019-06-04 Edited by Gary Gallagher and Elizabeth Varon two of the most prominent nineteenth century American historians in the nation New Perspectives on the Union War provides a more nuanced understanding of what Union meant in the Civil War North by exploring how various groups of northerners conceived of the term The essays in this volume demonstrate that while there was a broad consensus that the war was fought or should be fought for the cause of Union there was bitter disagreement over how to define that cause debate not only between political camps but also within them The chapters touch on economics politics culture military affairs ethnicity and questions relating to just war Contributors Michael T Caires Frank Cirillo D H Dilbeck Jack Furniss Jesse George Nichol William B Kurtz Peter C Luebke and Tamika Nunley      **Prophetic Times** Maurizio Viroli,2023-01-05 Throughout history prophetic voices have bolstered the struggle for social and political emancipation Such voices have given meaning to suffering spoken with pathos and anger to touch passions and set into motion the moral imagination guiding efforts toward redemption This book provides the visions of social emancipation we need      Sovereign of a Free People James H. Read,2023-08-21 When Abraham Lincoln was sworn into office seven slave states had preemptively seceded rather than recognize the legitimacy of his election In his first inaugural address on March 4 1861 Lincoln replied to the secessionists and set forth a principled defense of majority rule as the only true sovereign of a free people His immediate purpose was to argue against the legitimacy of a powerful minority forcibly partitioning the United States because it was dissatisfied with the results of a free constitutionally conducted election His wider purpose was to make the case that a deliberate constitutionally checked majority though by no means infallible was the appropriate ultimate authority not only on routine political questions but even on the kind of difficult

deeply divisive questions like the future of slavery that could otherwise trigger violent contests Sovereign of a Free People examines Lincoln s defense of majority rule his understanding of its capabilities and limitations and his hope that slavery could be peacefully and gradually extinguished through the action of a committed national majority James Read argues that Lincoln offered an innovative account of the interplay between majorities and minorities in the context of crosscutting issues and shifting public opinion This story is particularly timely today as a new minority of dissatisfied voters has threatened and enacted violence in response to a valid election Read offers the first book focused on Lincoln s understanding of majority rule He also highlights the similarities and differences between the threats to American democracy in Lincoln s time and in our own Sovereign of a Free People challenges common assumptions about what caused the Civil War takes seriously the alternative path of a peaceful democratic abolition of slavery in the United States and offers a fresh treatment of Lincoln and race

*Charisma, Medieval and Modern* Peter Iver Kaufman, Gary Dickson, 2018-10-08 This book is a printed edition of the Special Issue Charisma Medieval and Modern that was published in Religions

**Lincoln** Allen Jayne, 2010-05 In this compelling study of the moral principles that most influenced the thinking of Abraham Lincoln historian Allen Jayne argues persuasively that Lincoln regarded the Declaration of Independence above all other documents as the most important embodiment of American principles This American manifesto as Jayne calls it with its eloquent expression of the ideals of individual liberty and government created to protect and preserve that liberty was the script that Lincoln followed in his struggle to preserve the Union and extend individual liberties to African Americans Moreover Jayne demonstrates that Lincoln s philosophy was rooted not in a Bible based evangelical Christian perspective but in the European Enlightenment and deism which so profoundly influenced the thinking of Thomas Jefferson and other Founding Fathers Jayne begins with a chapter devoted to the influence of deism on Jefferson s formulation of the Declaration of Independence Next he discusses Lincoln s adoption of the deistic perspective and the crucial role that the Declaration played in his thoughts and actions He also considers Lincoln s moral sense based on deism s tolerance of different belief systems and universal moral idealism Finally he describes Lincoln s role as chief advocate for the Declaration s principles and how the Gettysburg Address and his Second Inaugural Address reflect this underlying philosophy This insightful look into the thinking of one of our nation s greatest presidents during a time of crisis is highly relevant in today s climate of religious extremism and debates over the balance between individual liberty and national security

*Educating Democracy* Brian Danoff, 2010-01-04 Do strong leaders inevitably undermine democracies Drawing upon the insights of Alexis de Tocqueville Brian Danoff offers a compelling revisionist analysis of the role of leadership in democratic societies Rather than focusing on effectiveness or character to assess the quality of leaders in democracies Tocqueville suggests that great democratic leaders are those who educate elevate and empower their fellow citizens certain types of leadership enhance rather than diminish self rule Danoff then enriches and expands Tocqueville s perspective through the ideas of American theorists and statesmen such as

Woodrow Wilson Abraham Lincoln and the Antifederalists Timely and necessary this book sheds new light on both Tocqueville and on the role of leadership in American democracy      **The President's First Year** Douglas Alan Cohn, 2016-01-15 A fascinating new angle on presidential history assessing the performances of the presidents in their freshman year of the toughest job in the world Grouped by the issues the new presidents confronted in their first years in office the book takes readers into the history thought processes and results on a case by case basis including how the presidents subsequent actions proved that they learned or didn't learn from their mistakes From George Washington to Barack Obama The President's First Year details the challenging first twelve months of all our presidents tenures

Recognizing the artifice ways to get this books **Speeches And Writings 18591865** is additionally useful. You have remained in right site to begin getting this info. acquire the Speeches And Writings 18591865 associate that we give here and check out the link.

You could buy lead Speeches And Writings 18591865 or acquire it as soon as feasible. You could speedily download this Speeches And Writings 18591865 after getting deal. So, afterward you require the books swiftly, you can straight get it. Its for that reason extremely easy and therefore fats, isnt it? You have to favor to in this declare
