The Spell of Language Thomas G. Pavel, 2001-01-01 Originally published as *Le Mirage linguistique* this book remains the definitive study of the role of linguistics in structuralism and poststructuralism Thomas Pavel examines recent French thought through the work of luminaries such as Lévi-Strauss Lacan Foucault and Derrida The spell of language for Pavel consists of three things the promise that linguistics seemed to represent for the humanities and social sciences the distortions misunderstandings and willful neglect incumbent upon the linguistic turn and above all the break with traditional humanism He isolates three modes of thought moderate structuralism scientific structuralism and speculative structuralism and shows how even as they diverge from each other they all advocate an antihumanist point of view In this spirited book Pavel shows that structuralism's flawed use of linguistic theory has rendered hollow the philosophical core of a whole generation of work in the human sciences

Skepticism and Impersonality in Modern Poetry V. Joshua Adams, 2025-06-12 Modern literature is often described in terms of its impersonality What is the significance of this fact In *Skepticism and Impersonality* V Joshua Adams follows the history of impersonality in modern poetry from Mallarmé and Eliot through to the present engaging with work by major poets and critics but also contemporary philosophers Rather than seeing impersonality exclusively as a literary historical phenomenon Adams argues that we should understand it as an attempt to address skeptical problems arising from the limitations of first person experience Defending impersonality as a response to skeptical problems including doubts about the publicity of our experiences our knowledge of other minds the capacity of our language to describe the world the relationship between mind and body and the fictionality and continuity of our sense of self Adams analyzes what he calls experiments in impersonality as means of working through skeptical doubt The writers discussed transform this doubt into art whilst also ironizing it as corrosive and self defeating Ultimately this leads Adams to reinterpret literary impersonality as a therapeutic philosophical project *Skepticism and Impersonality* promises a new theoretical justification for our practical interest in literary texts to renovate our conception of how those texts might do philosophical work and to expand our sense of what a philosophical poem can be
