What is a grimoire The word has a familiar ring to many people particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed But few people are sure exactly what it means Put simply grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia At their most benign they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and worst of all to call up and make a pact with the Devil Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day But the grimoire represents much more than just magic To understand the history of grimoires is to understand the spread of Christianity the development of early science the cultural influence of the print revolution the growth of literacy the impact of colonialism and the expansion of western cultures across the oceans As this book richly demonstrates the history of grimoires illuminates many of the most important developments in European history over the last two thousand years **The Eternal Circle** Michael S. Booker, Your sisters will die without you It s time to come home It s

time to begin the Circle Kendra Scott awakens from a nightmare by an ominous message from her deceased grandmother Since the devastating passing of her beloved grandmother the legendary High Priestess of Magic Claire Roux Scott as well as the death of her estranged mother several years earlier Kendra has struggled to make a new life and identity for herself in her ancestral New Orleans far away from her childhood home of Oakland California For the last two years Kendra has cultivated her talents as a Magic Woman searched for inner peace while healing from the wounds of her past Yet when Mother Claire comes to Kendra with the warning that Kendra s sister Shannon as well as her lifelong friends Angela Stone and Grace Lu descendants of powerful Magic Women known as the Eternal Circle are in danger Kendra knows that she must face her fears and return home Everything comes full circle Back in Oakland Shannon Scott senses the looming peril as well She too has experienced the omens of a rising evil and the escalating fears that the Veil that separates the real world and the world of Darkness is diminishing forever Shannon has struggled to distance herself from magic and all the trauma that it has caused in her family She has made diligent efforts to keep her close friends from discovering their magical heritage with the intentions of keeping them normal and safe However with Kendra s sudden return home as well as a series of abnormal horrifying events that transforms the lives of all four women Shannon and the others must accept that magic in all its chaos and wonder is perhaps their only salvation As family tensions flare secrets are revealed and terrors are unfolded the four women will have to face their own individual demons and embrace their gifts of magic Soon they will have to unite against an ancient Order of Dark Magicians demonic abominations and ultimately a timeless malevolent and preternatural force that has
