Summer Cottages:

Summer Cottages in the White Mountains Bryant Franklin Tolles, 2000 An expert looks at the historic role of summer cottages in New Hampshire's popular White Mountain region *Furnished Summer Cottages for Rent at Newport, R.I.* Renfrew Park Cottage Company, *The Summer Cottage* Annie Rains, 2021-05-25 This summer they'll learn that home is where the heart is Somerset Lake is the perfect place for Trisha Langly and her son to start over As the new manager for the Somerset Cottages Trisha is instantly charmed by the property's elderly residents and her firecracker of a new boss Vi Fletcher But Trisha is less enchanted by Vi's protective grandson Jake No matter how tempting she finds the handsome lawyer Trisha knows that if Jake discovers the truth about her past she'll lose the new life she's worked so hard to build Jake Fletcher left Somerset Lake after a tragic loss but he's returning for the summer to care for his beloved grandmother hoping Vi will sell the run-down cottages and finally slow down There's just one problem Trisha Vi's new employee She's smart beautiful and kind but Jake's job is to protect his grandmother's interests and his gut is telling him Trisha's hiding something that could jeopardize Vi's future However as they spend summer days renovating the property and bonding over their love for the town Jake realizes that Trisha is a risk worth taking if only she can trust him with her secrets and her heart Includes the bonus novella Kiss Me in Sweetwater Springs Summer Cottages and Castles Patricia Corbin, 1987-09-30 *Maine Cottages* John M. Bryan, Fred L. Savage, 2005-04-07 Robert R Pyle Our sense of place and community is made up of memories personal memories of first hand experience oral memories that recount our ancestors' experiences and formal codified civic memories set down in laws ceremonies and rituals Together they are vital building blocks of citizenship In a vivid and meaningful way this book preserves memories relevant to understanding the roots of communities on Mount Desert Island Maine The surnames of many of Mount Desert's earliest settlers are still found in today's telephone directories In these families many oral traditions are passed down from generation to generation building outward from a historical core like the rings of a tree Dad used to farm this field Fred L Savage's great nephew Don Phillips told me once gesturing toward an alder growth His father grew vegetables for the hotel and my great grandfather grew grains This road used to go right on up over the hill and they used it to move the cemetery up there from where the hotel is now Describing the field Don ignores the alders and the towering evergreens beyond them for in his mind's eye he sees yellow waving wheat and rye bare ground and a narrow cart track leading up the hill into the distance on which his ancestors transported the remains of their own forebears to a new resting place Oral traditions living memory set the stage for him and he accepts the reality of things he has never seen Cottages and Mansions of the Jersey Shore Caroline Seeböhm, 2007 In this delightful collection of personal accounts historical anecdotes and gorgeous photographs Seeböhm and Cook cast a fresh eye on the array of quaint cottages quirky bungalows and splendid mansions that generations have chosen as their summer homes Cultural Landscape Report for the Boston Harbor Islands, Boston Harbor Islands National & State Park, Boston, Massachusetts Olmsted Center for

Landscape Preservation (U.S.),2017 *At the Cottage* Charles Gordon,2011-06-22 Whatever you call it every Canadian summer home needs at least one copy of Charles Gordon s wry affectionate and very funny study of our national obsession with that special summer place **Kay Fisker** Martin Søberg,2021-05-20 Kay Fisker 1893 1965 is considered one of the most influential Danish architects of the twentieth century and yet there has existed until now no in depth English language study of his works and writing Published as part of the Bloomsbury Studies in Modern Architecture series which brings to light the work of significant yet overlooked modernist architects this book examines Fisker s key projects from his early railway stations and innovative housing projects to the Danish Academy in Rome and analyses his work as a historian and writer Fisker s output is closely associated with the functional tradition a hybridization of international modernism and regional architectural typologies and this book shows how his architectural poetics can be understood as an amalgamation of an ideal order with the contingent conditions of landscapes and urban sites Hybridization is not only a valuable notion for understanding Fisker the book argues it can also be applied to an understanding of modernist architecture as a whole with its various expressions agendas and tensions both regionally and internationally *Tourism, Mobility and Second Homes* C. Michael Hall,Dieter K. Müller,2004-07-27 Second homes the cottage the summer house the bach are an important part of the tourism and leisure lifestyles of many people in the developed world Second homes are therefore an integral component of tourism experiences in rural and peripheral areas Yet despite their significance not only for tourism but also for rural communities and the rural economy relatively little research has been undertaken on the topic until recent times This volume represents the first major international analysis and review of second homes for over 25 years It will provide a significant resource for those interested in changing patterns of tourism and leisure behaviour as well as the use of the countryside and peripheral areas The book describes the economic social and environmental impacts of second homes as well as their planning implications and places such discussions within the context of contemporary human mobility The volume represents essential reading for those interested in rural regional development processes and the development of new rural leisure landscapes **Outlook** Alfred Emanuel Smith,Francis Walton,1895 Tybee Island Robert A. Ciucevich,2005-11-16 From Guale Indians and Spanish explorers to its glory days as the queen of south Atlantic beach resorts and beyond Tybee Islands quiet charm hides a rich and occasionally violent history Soldiers rebels and rumrunners all found their place in history here as great battles fires and hurricanes played out over time Through centuries of change Tybee has remained one of the Souths most popular resorts Seasonal Sociology, Second Edition Tonya Davidson,Ondine Park,2025-07-15 Life in Canada is shaped by the seasons marked celebrated enjoyed and sometimes dreaded in ways that respond directly to the changing cycles in nature Sociological thinking encourages us to question the aspects of everyday life that we may otherwise take for granted Seasonal Sociology takes a sociological approach to thinking about the seasons providing a unique perspective for understanding social life Each chapter in this collection explores key issues of sociological interest through the passage of

time and seasonal change The authors wield seasonality as a powerful tool that can bridge small scale interpersonal interactions with large scale institutional structures This collection of contemporary Canadian case studies is wide ranging and analyses topics such as pumpkin spice lattes policing in schools law and colonialism summer cottages seasonal affective disorder Vaisakhi celebrations and more The second edition introduces new chapters on Labour Day and organized labour disability and online dating maple sugar shacks seasonal agricultural work wildfires and social movements like Pride and Black Lives Matter Seasonal Sociology ultimately offers fresh provocative ways of thinking about the nature of our collective lives Spafford, Onondaga County, New York George Knapp Collins,1917 *Computational Science and Its Applications - ICCSA 2008* Osvaldo Gervasi,Beniamino Murgante,Antonio Laganà,David Taniar,Youngsong Mun,2008-06-28 This two volume set is assembled following the 2008 International Conference on Computational Science and Its Applications ICCSA 2008 a premium international event held in Perugia Italy from June 30 to July 3 2008 The collection of fully refereed high quality original works accepted as theme papers for presentation at ICCSA 2008 are published in this LNCS proceedings set This outstanding collection complements the volume of workshop papers traditionally published by IEEE Computer Society The continuous support of computational science researchers has helped ICCSA to become a firmly established forum in the area of scientific computing and the conference itself become a recurring scientific and professional meeting that cannot be given up The computational science field based on fundamental disciplines such as mathematics physics and chemistry is finding new computational approaches to foster the human progress in heterogeneous and fundamental areas such as aerospace and automotive industries bioinformatics and nanotechnology studies networks and grid computing computational geometry and biometrics computer education virtual reality and art Due to the growing complexity of many challenges in computational science the use of sophisticated algorithms and emerging technologies is inevitable Together these far reaching scientific areas help to shape this conference in the areas of state of the art computational science research and applications encompassing the facilitating theoretical foundations and the innovative applications of such results in other areas
