The Book of Mysteries Jonathan Cahn, 2016 A traveler goes on a year long journey with a man known only as The teacher and absorbs a new teaching on spiritual truths for every day of the year

The Archetypal Feminine in the Mystery Stream of Humanity Manfred Schmidt-Brabant, Virginia Sease, 2010 In ancient times people's experience of the divine was imbued with the feminine archetype The world of spirit was seen to be populated by goddesses and women were honored as priestesses and guardians of sacred rites The later Greek and Roman civilizations in contrast were characterized by the principle of patriarchy which still dominates our culture despite the political and social emancipation of women in the West This unique book goes way beyond the usual studies on gender The authors maintain that during ancient times people experienced the divine as imbued with the archetypal feminine The world of spirit was seen populated by goddesses and this perception was reflected by honoring women as priestesses and guardians of sacred rites The Greeks and Romans on the other hand were led largely by the principle of patriarchy More recently however we have seen the political and social emancipation of women but patriarchal thinking continues to dominate our Western culture The Authors survey of the feminine archetype attempts to illuminate the spiritual significance and meaning of the feminine principle today as well as its future destiny By considering the mystery behind human and earthly evolution they arrive at clear and accessible perspectives that can help to transform human life today especially the culture of family Beginning with Eve in tradition and legend the authors comment on the Queen of Sheba the image of the Virgin in esoteric Christianity Isis Sophia and the Great Mother the birth of art from the primal feminine and the importance of women for modern esotericism

The Girl Through Whom Sweet Mysteries Flow

Robin Calvert,2011-06-28 Most of the main characters in the story are in the early twenties While some of the plot deals with their romantic problems the main thing is their attempt to solve the mystery of the murder of Nancy Bonwit a former girlfriend of Mark Forbes They come to believe the poems Mark Forbes wrote about Jean Bauer while they were separated have hidden meanings They believe they can be read as parts of a puzzle a solution of which will help lead the police to Nancys killer Mark Forbes is the earnest but flawed main male character in the story Jean Bauer is the main female character She and Mark went steady during her Junior and Senior years in high school Marks clueless indifference to important things like Jeans birthday and Christmas finally result in a dramatic break up on Jeans Prom Night Jean decides to attend college in New Jersey to get away from Marks and his indifferent ways After her sophomore year she comes back home to her parents house in Maryland feeling that she has severed her ties with Mark She transfers to another college near her home where she is befriended by Brenda Cranston who like Jean is in her junior years It proves to be a faithful meeting It is Brenda who first notices the dual meaning of Marks poems about Jeans and the mystical chemistry that seems to flow between them And it is Brendas experiments with Jean acting as the guinea pig that prompts Jean to explore caverns visit Marks first girlfriend and come dangerously close to a hooded young men who maybe Nancys killer **Cosmic Mysteries**
