Wodehouse, 2012-07-02 Madness ensues when the Honourable Galahad Threepwood decides to write his memoirs not to mention all the imposters running around Blandings Castle and Lord Emsworth's stolen pig Summer Lightning Pelham Grenville Wodehouse, 1935 **SUMMER LIGHTNING** Pelham G. Wodehouse, 1951 **Caribbean Passages** Richard Francis Patteson, 1998 This text offers a critical perspective on fiction from the West Indies. The writers are from diverse backgrounds with differing artistic perspectives but share a commitment to a repossession of Caribbean life and consciousness. In this regard, research and development play a crucial role in sustainability development. However, obtaining essential data in the physical world to interpret the universe and to predict what could happen in the future is a challenging undertaking. Accordingly, providing valid information to understand trends, evaluate needs, and create sustainable development policies and programs in the best interest of all the people is indispensable. This book was prepared in conjunction with the fifth meeting of the 2017 International Conference on Space Science and Communication IconSpace2017 held in Kuala Lumpur, Malaysia, on 3-5 May 2017, to introduce graduate students, researchers, lecturers, engineers, geospatialists, meteorologists, climatologists, astronomers, and practitioners to the latest applications of space science, telecommunications, meteorology, remote sensing, and related fields. The individual papers discuss a broad range of space science and technology applications, e.g., the formation of global warming from space, environmental and remote sensing, communication systems, and smart materials for space applications **The Literary Filmography** Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era, as were such books as Thomas Dixon's Jr's *The Klansman*, basis for the film *Birth of a Nation*. In recent years, Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names. A guide to English language works that have been adapted as theatrical and television films, this volume includes books, both fiction and non-fiction, short stories, newspaper and magazine articles, and poems. Entries are arranged alphabetically by literary title, with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation, including adaptation titles, director, screenwriter, principal cast, and the names of the characters they portray, major awards, and availability in the most common
