IRISH NOVELIST Rush out for the works of Kate O'Brien You are in for a treat VAL HENNESSY The first time I realised how powerful the small ordinary family life story can be MAEVE BINCHY A peculiarly beautiful and arresting piece of fiction J B PRIESTLY When Anthony Considine creeps into Mellick town with a stolen horse in 1789 it sets the destiny of his family for decades to come By the 1850s through thrift and hard work his son Honest John has made the Considines a leading Mellick family With his father's money John's son Anthony builds a grand country house for his wife and children but especially for his youngest son Denis who he adores little knowing that one day Denis will threaten the toil of generations with his love for a peasant girl Feminisms Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of Feminisms Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism **Books in Series, 1876-1949** R.R. Bowker Company, 1982 **The Nation**, 1988 **The Novel in England, 1900-1950** Robert L. Caserio, 1999 In the first half of the twentieth century English fiction played a crucial role in the artistic and intellectual movement called modernism In recent decades however modernism and its proponents have come under attack Today's critics claim that modernist fiction has been socially and politically harmful and that literary modernism has fortunately been superseded by post modernism Library Journal, 1991 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **AB Bookman's Weekly**, 1988-03 **Bringing Up War-Babies** Amanda Jones, 2018-08-06 The figure of the wartime child in the mid twentieth century unsettles and disturbs This book employs a range of material biographical literary and historical to chart some of the surprising and unanticipated crossovers between women's writing and early psychoanalysis in the years of the Second World War and the decades before and after This volume includes examples of children's adventure fiction as well as works written for adult audiences and important and previously unrecognized similarities are noted The war was a disruptive influence in the lives of all who lived through it Although active self censorship is observed in the behaviour and attitudes of adults at this time this book demonstrates how fictional children are able to articulate feelings such as anxiety and fear that adults were under pressure to conceal or to repress and at times

the figure of the wartime child becomes a surrogate for the writer herself or her suppressed fears and anxiety When peace returned this study finds women writers quick to identify and communicate a discomfiting new ambivalence between parents and children

The Old Bank House Angela Thirkell, 2024-03-07 Charming very funny indeed Angela Thirkell is perhaps the most Pym like of any twentieth century author after Pym herself Alexander McCall Smith Edgewood Rectory may be set in an ancient landscape but the Grantly family are very much of their time Caught up in the uncertain world that has emerged since the outbreak of peace the Rector and Mrs Grantly are bewildered by the challenges facing their eldest children Eleanor longing for more excitement than can be found in the Red Cross Library and Tom struggling to readjust to student life at Oxford after his military service When their elderly neighbour Miss Sowerby sells her beloved Old Bank House to self made MP Sam Adams the one time outsider finds himself at the heart of Barsetshire society And while Sam may dismiss her advice that the house needs a mistress even a contented widower can be surprised by love

Rilla of Ingleside L. M. Montgomery, 2021-01-01 First published in the year 1921 famous writer L M Montgomery s present book Rilla of Ingleside is the eighth of nine books in the Anne of Green Gables series

**Ireland of the Welcomes**, 1990

**High Rising** Angela Thirkell, 2012-11-22 Successful lady novelist Laura Morland and her boisterous young son Tony set off to spend Christmas at her country home in the sleepy surrounds of High Rising But Laura s wealthy friend and neighbour George Knox has taken on a scheming secretary whose designs on marriage to her employer threaten the delicate social fabric of the village Can clever practical Laura rescue George from Miss Grey s clutches and what s more help his daughter Miss Sibyl Knox to secure her longed for engagement Utterly charming and very funny High Rising is irresistible comic entertainment

**An Introduction to Women's Writing** Marion Shaw, 1998 This volume is a survey of writing by women from the Middle Ages to the late 1990 s It comprises nine essays by women scholars who are experts in a particular period of literary history and who have an interest in feminist criticism The book also establishes characteristics belonging to each period and also suggests ways in which continuities and developments have emerged Although this text is informed by feminist criticism it is also designed to be accessible to readers unacquainted with feminist literary theory and caters to both a general and an undergraduate readership
