**Rom Com Lovers Collection** Kendall Ryan, Calling all rom com lovers this collection features four full length standalone novels by New York Times bestselling author Kendall Ryan in one complete volume Love Machine She says she needs some help in the bedroom Come again No really come again Sweet nerdy lovable Keaton She's my best friend and has been for years Sure she likes numbers and math and thinks doing other people's taxes is fun And I like none of that stuff She's obsessed with her cat and reads novels I'll never understand and yet we just click There's no one I'd rather share breakfast burritos with or binge watch hours of Netflix She's my person And so when she takes off her glasses and asks me to help her improve her skills in the bedroom I barely have to think about it Of course I'll help her There's no one better for the job I've been there for her through everything why should this be any different But what happens when she's ready to take her new found confidence and move on Mr Tonight Last night was the most embarrassing night of my life I was that girl You know the highly intoxicated chick celebrating her

thirtieth birthday with her two best friends who are happily married And the more I drank the more I wanted to do something reckless to celebrate By reckless I mean the sexy and alluring man dressed in a business suit standing near the bar You know his type tall dark handsome I was sure he was out of my league but I d had just enough alcohol that things like that no longer seemed to matter I m not fat mind you but you can tell I like french fries so there s that He took me home and I enjoyed the hottest birthday sex of my life Well until it came to a screeching and rather unwelcome halt There s nothing quite like being interrupted mid ride with a little voice asking What are you doing to my daddy Just kill me now or so I thought Come to find out the man I rode like a bull at the rodeo is my new landlord Baby Daddy We met in a trapped elevator Emmett was on his way to work sophisticated and handsome in his tailored suit and tie I was on my way to the sperm bank Awkward right At thirty five my life hadn t taken the path I thought it would and I was tired of waiting I wanted a baby And I was ready to take matters into my own hands to make it happen After our ill fated elevator encounter Emmett insisted on taking me to dinner he also insisted on something else that I ditch my plan involving a turkey baster and let him do the job He would be my baby daddy He was a wealthy and powerful CEO with little interest in diapers or playdates And since he didn t want kids I d be on my own once his bun was in my oven free to go my own way But once his baby was inside me it was like a switch had been flipped and I got a whole lot more than I ever bargained for Screwed I have one rule Don t shit where you eat Several of the women in the condo complex I own would love some one on one playtime and why wouldn t they I m young fit attractive and loaded Not to mention I m packing a sizable bulge below the belt It s a combination that drops panties on a regular basis Yay me right But my cock troublemaker that he is has been confined to my trousers by my business partner A concession I agreed to and one that s never been hard to enforce until Emery moves in across the hall She s smart young determined and sexy as hell I want a taste I won t stop until I m buried deep inside the succulent new in town brunette After being warned about my past she does her best to steer clear but I m about to show her that underneath it all I m a guy with a heart of gold and a cock of steel My name is Hayden Oliver and this is my story

### **The Dragon Blood Collection, Books 1-3** Lindsay

Buroker,2014-12-01 A thousand years have passed since a dragon has been seen in the world Science and technology have replaced magic which has dwindled until it has become little more than an element of myth and legend There are those who still have dragon blood flowing through their veins distant descendants of the mighty creatures of old These rare humans have the power to cast magic the power to heal and the power to craft alchemical weapons capable of starting wars or ending them But they are feared for those powers and in recent centuries they have been hunted nearly to extinction The few remaining survivors must find a way to change how humanity perceives them or be lost to the world forever The Dragon Blood Collection includes three full length novels of action magic and romance Balanced on the Blade s Edge Deathmaker Blood Charged Deathmaker (Dragon Blood, Book 2) Lindsay Buroker,2014-05-30 When Lieutenant Caslin Ahn joined Wolf Squadron she was prepared for the reality that she might one day be killed in the line of duty She was less prepared for

being shot down assumed dead by her own people and dragged off to the Cofah Empire as a prisoner of war As if being thrust into a dungeon and interrogated wasn't bad enough the sadistic commandant decides to give her a cellmate the notorious pirate Deathmaker Given the crimes he's committed against Iskandia Cas owes it to her people to try and kill him Part warrior and part scientist Tolemek Deathmaker Targoson has not only slain thousands with his deadly concoctions but he has a special loathing for Iskandian pilots It was Ahn's commander Colonel Zirkander who ruined his military career forcing him to leave his country in shame and join a pirate organization Years later he uses his dreadful reputation like a shield to keep people away all he wants is to be left alone to work in his laboratory But when fate lands him in a cell with Zirkander's protégé he sees a chance for revenge Why kill the lieutenant when he can use her to get to his old nemesis There's just one problem it's hard to plot against your enemies when you're in prison with them Cas and Tolemek will have to work together if they hope to escape the Cofah dungeon In the process they may find that neither is what the other expects and that they have far greater problems to worry about than ensnaring each other Deathmaker is a full length 85 000 word novel It is set after the events in *Balanced on the Blade's Edge* but it can be enjoyed even if you haven't read the first book
