Philosopher-Kings of Antiquity William Desmond, 2011-10-27 One of the most celebrated of Plato's ideas was that if human society was ever to function successfully then philosophers would need to become kings or kings philosophers In a perfect state therefore philosophic wisdom should be wedded to political power In antiquity who were or aspired to be philosopher kings What was their understanding of wisdom and the limits of knowledge What influence have they had on periods beyond antiquity This volume focuses on Plato and his contemporaries Alexander the Great and his Hellenistic successors Marcus Aurelius and the good emperors Moses Solomon and early Hebrew leaders and Julian the Apostate the last of the pagans In conclusion it looks at the re emergence of the Platonic ideal in important moments of European history such as the Enlightenment The theme of the philosopher king is significant for Greco Roman antiquity as a whole and this work is unique in detailing the development of an idea through major periods of Greek and Roman history and beyond

Mad Max and Philosophy Matthew P. Meyer, David Koepsell, 2024-04-16 Explore the philosophy at the core of the apocalyptic future of Mad Max Beneath the stylized violence and thrilling car crashes the Mad Max films consider universal questions about the nature of human life order and anarchy justice and moral responsibility society and technology and ultimately human redemption In *Mad Max and Philosophy* a diverse team of political scientists historians and philosophers investigates the underlying themes of the blockbuster movie franchise following Max as he attempts to rebuild himself and the world around him Requiring no background in philosophy this engaging and highly readable book guides you through the barren wastelands of a post apocalyptic future as you explore ethics and politics in *The Wasteland* the importance of costumes and music humankind's relationship with nature commerce gender religion madness and much more Covers all of George Miller's Mad Max films including *Mad Max Fury Road* Discusses connections between Mad Max and Nietzsche Malthus Mill Foucault Sartre and other major philosophers Follows Max's journey from policeman and family man to lost soul in search of redemption Examines the future of technology and possible impacts on society the environment and access to natural resources Delves into feminist themes of Mad Max such as the reversal of heroic gender roles in *Fury Road* and relationships between power and procreation Part of the bestselling Blackwell Philosophy and Pop Culture series *Mad Max*

and Philosophy Thinking Through the Wasteland is a must read for anyone wanting to philosophically engage with Max Furiosa and their dystopian world **Green Ethics and Philosophy** Julie Newman, 2011-06-28 Covers the moral relationship between humans and their natural environment specifically targeting the contemporary green movement

Ethics and the Limits of Philosophy Bernard Williams, 2011-04-01 Ethics and the Limits of Philosophy is widely held to be his most important book and is a classic of contemporary philosophy It is assigned on many reading lists on courses on moral philosophy and ethics Ranks alongside Routledge Classics such as Alasdair MacIntyre's Short History of Ethics and Iris Murdoch's The Sovereignty of Good Our edition includes a very useful commentary by Adrian Moore at the end of the book New foreword by Jonathan Lear **The Young Gentleman and Lady's Philosophy** Benjamin Martin, 1781

Pan-Africanism: Political Philosophy and Socio-Economic Anthropology for African Liberation and Governance Kini-Yen Kinni, 2015-09-04 This Book is the outcome of a long project begun thirty years ago It is a book on the makings of pan Africanism through the predicaments of being black in a world dominated by being white The book is a tribute and celebration of the efforts of the African American and African Caribbean Diaspora who took the initiative and the audacity to fight and liberate themselves from the shackles of slavery It is also a celebration of those Africans who in their own way carried the torch of inspiration and resilience to save and reconstruct the Free Humanism of Africa As a story of the rise from the shackles of slavery and poverty to the summit of Victors of their Renaissance Identity and Self Determination as a People the book is the story of African refusal to celebrate victimhood The book also situates women as central actors in the Pan African project which is often presented as an exclusively masculine endeavour It introduces a balanced gender approach and diagnosis of the Women actors of Pan Africanism which was very much lacking The problem of balkanisation of Africa on post colonial affiliations and colonial linguistic lines has taken its toll on Africa's building of its common identity and personality The result is that Africans are more remote to each other in their pigeon hole nation states which put more restrictions for African inter mobility coupled by education and cultural affiliations the communication and transportation and trading networks which are still tied more to their colonial masters than among themselves This book looks into the problem of the new wave of Pan Africanism and what strategies that can be proposed for a more participatory Pan Africanism inspired by the everyday realities of African masses at home and in the diaspora This book is the first book of its kind that gives a comprehensive and multidimensional coverage of Pan Africanism It is a very timely and vital compendium **"The" Young Gentleman And Lady's Philosophy, In A Continued Survey Of The Works Of Nature And Art** Benjamin Martin, 1772 *Meta-Philosophical Reflection on Feminist Philosophies of Science* Maria Cristina Amoretti, Nicola Vassallo, 2015-12-21 This volume offers a meta philosophical reflection on feminist philosophies of science It emphasizes and discusses both the connections and differences between traditional philosophies of science and feminist philosophies of science The collection systematically analyses feminist contributions to the various philosophies of specific sciences Each

chapter is devoted to a specific area of philosophy of science general philosophy of science philosophy of biology philosophy of climate sciences philosophy of cognitive sciences and neurosciences philosophy of economics philosophy of history and archaeology philosophy of logic and mathematics philosophy of medicine philosophy of psychology philosophy of physics and philosophy of social sciences Since some of these areas have so far rarely been addressed by feminist philosophers this new collection provides new angles and stimulates the debate on pivotal issues that are part and parcel of both traditional philosophies of science and feminist philosophies of science Using a range of different methodologies and styles the essays all show great clarity in both arguments and contents

Teaching Ethics with Three Philosophical Novels Michael Boylan, 2019-09-04 This book offers a unique method for teaching ethics and social political philosophy by combining primary texts and resource material along with three philosophical novels so that students can apply the abstract principles to real life situations A sample syllabus and sample assignments are provided This second edition contains an additional teacher's manual guiding instructors in how to effectively put together a course in ethics using fiction Students often turn off when confronted with abstract ethical principles alone This book allows interaction with philosophical novels that provide real life situations that mirrors applying normative principles to lived experience Students will be drawn into this realism and their engagement with the material will be significantly enhanced This is an innovative textbook for teachers and students of general philosophy ethics business ethics social and political philosophy as well as students of literature and philosophy
